James Sprunt Community College publishes this catalog for the purpose of providing students and other interested persons with information regarding the College, pertinent rules and regulations, and educational program information that may be of interest. The provisions as outlined in this catalog are not to be regarded as a contractual agreement between the students and James Sprunt Community College. The college reserves the right to change any provisions, regulations, requirements, or schedules at any time without affecting the overall intent of this catalog. School calendars, programs, or courses within programs may be changed at any time deemed necessary by the administration or as required by the North Carolina Community College System. Every effort will be made to minimize the inconvenience any such changes may create for the students.

James Sprunt Community College is an equal opportunity educational institution and employer. The college does not practice or condone discrimination in any form against students, employees, or applicants on the grounds of race, color, national origin, religion, sex, age, disability, or political affiliation consistent with those laws which affect the institution. The official James Sprunt Community College catalog is permanently located in the Registrar's Office.

### **ACCREDITATIONS**

James Sprunt Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate degrees. James Sprunt Community College also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of James Sprunt Community College may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website ([www.sacscoc.org](http://www.sacscoc.org)).

#### **APPROVED BY**

North Carolina Department of Justice – Criminal Justice Standards Division  
North Carolina State Board of Nursing  
North Carolina Board of Cosmetic Art Examiners  
North Carolina Board of Barber Examiners

# Welcome to the Spartan Family!

Welcome to James Sprunt Community College. We are glad you are here, and we feel you have made an informed decision to join our family. From this point forward, you will be a part of the Spartan Nation. Our commitment to you is to make every effort to help you be successful while you are here. The educational programs at JSCC lead to long-term careers, and we are confident your success will positively impact our county, state, and nation.

JSCC has a rich history dating back to 1784 when Grove Academy was established in Duplin County. The College is named for Dr. James Menzies Sprunt, who became President of Grove Academy in 1845. From then until now, we have always sought to serve students respectfully, compassionately, and professionally. After all, we are family. As you walk around campus and visit our classrooms and common areas, you will notice the attention to detail we have made in providing an atmosphere that is collegiate and conducive to learning. Our commitment to you is a 21<sup>st</sup> Century campus and College.

I look forward to seeing you around campus and congratulating you as you cross the stage to receive your certificate, diploma, or degree. Our staff and faculty are dedicated to seeing you complete your educational goals so we can celebrate graduation with you.

Again, welcome to James Sprunt Community College, and please let me know if I can be of service to you. My door is always open.

Sincerely,

A handwritten signature in black ink, reading "Jay Carraway". The signature is written in a cursive, flowing style.

Jay Carraway, Ed. D.  
President

## GENERAL INFORMATION

### HISTORY

James Sprunt Community College maintains a tradition of quality education begun in Duplin County over 200 years ago with the founding of Grove Academy, a private academy for boys, in 1784.

The college is named for Dr. James Menzies Sprunt, a Scottish Presbyterian who immigrated to America and settled in Duplin County in about 1840. Dr. Sprunt became President of Grove Academy in 1845, serving in this position for 15 years.

In about 1860, Dr. Sprunt assumed the Presidency of the Kenansville Seminary, a female seminary begun in 1857, and served as its President until 1861, when he went into the Confederate Army as Chaplain of the 20th Regiment, North Carolina troops.

After re-opening in 1865 as an institution for girls, the Kenansville Seminary later became co-educational, and operated as such until it closed in 1896. The campus property was purchased and, in 1897, deeded to the Wilmington Presbytery for “building and maintaining a school of collegiate grade for the promotion of Christian education” for girls. When reopened, the school was named the James Sprunt Institute, in honor of the distinguished President who had led both the Grove Academy and the old Kenansville Seminary.

The Institute operated under the name of James Sprunt until 1918 when, at the request of the Trustees, the Presbytery changed the name to Grove Institute. This change was, in effect, a symbolic merging of the educational spirit of the old Grove Academy and Kenansville Seminary under one new name.

Grove Institute continued to operate until the mid-1920's. Thus, an educational tradition, begun in 1784 and carried out by two of Kenansville's most distinguished early academies, was re-established in the 1960's with the founding of the “new” James Sprunt Institute, bearing the name of the distinguished President whose leadership these two early academies had shared.

The “new” James Sprunt Institute began in 1960 as the Duplin County Unit of the Goldsboro Industrial Education Center, the first extension unit of North Carolina's rapidly growing system of industrial education centers. The unit opened in an old agricultural shop behind the Rose Hill Elementary School, offering a program of instruction in Automotive Mechanics.

Practical Nurse Education was added in 1962. The first graduating class, in July 1963, distinguished themselves by achieving the highest class scores—and the highest individual score—on the N.C. Licensed Practical Nursing Examination that year.

On March 12, 1964, the County Board of Commissioners and the County Board of Education voted to expand the unity, then operating as a branch of Wayne Technical Institute, and to re-name it James Sprunt Institute.

James Sprunt Institute was given a permanent home in August 1964 when the County Commissioners appropriated funds to purchase a 53.18 acre campus site located one mile south of Kenansville. A \$265,000 training facility was constructed, opening its doors in the fall of 1966. The

temporary administrative buildings were an old tenant house and library located on the campus. Prior to this, classes were being taught in temporary facilities, in every township in the county, to over 500 part-time students in vocational and technical education, adult basic education, and the arts and humanities. James Sprunt became an independent institution, separate from Wayne Technical Institute, on September 7, 1967, when it was placed under the authority of the Duplin County Board of Education. An eight-member Board of Trustees was appointed, and Dixon S. Hall was named as President.

On July 1, 1971, James Sprunt Institute was chartered as a technical institute within the North Carolina Community College System, with a twelve member Board of Trustees, independent of the Duplin County Board of Education.

Many changes have taken place since the college's early beginnings. The campus is attractive and its facilities are well equipped to serve the student population. Seven modern buildings provide classrooms, laboratories, shop areas, administrative offices, a 300-seat auditorium, media center, a 22,000 volume library, and a modern student center with cafeteria and student bookstore. From a full-time equivalent (FTE) student enrollment of 114 in 1964- 65, the institution has increased its student population to an average annual FTE figure of 1060 for academic year 2007-2008. The college now enrolls over 1900 students in at least one curriculum course each year and serves over 6800 individuals annually through some form of instruction. Students now enroll in one of 26 different curricula which include degree, diploma, and certificate programs in a wide variety of occupational fields and college transfer or enroll in one of the college's continuing education programs which include literacy education, occupational extension, and community education.

In 1969, the college initiated a general education program with a college transfer option through a contractual agreement with the University of North Carolina at Wilmington. This program grew from an initial FTE enrollment of 17 in 1969-70 to a FTE enrollment of 98 by 1986-87. The program offered students a wide range of courses and two full years of college transfer credit. Under the terms of the agreement with UNC-W, James Sprunt hired a college transfer faculty; this faculty taught most of the courses in the program. The faculty, while small, was highly qualified; by 1985 it boasted two Ph.D's and two doctoral candidates. The other faculty members all had Master of Arts degrees in the disciplines they taught. The college had become in fact, but not in name, a comprehensive community college. In 1985, in recognition of this reality, James Sprunt applied for community college status. The legislature of North Carolina and the State Board of Community Colleges approved the request in 1986; the college has since been offering Associate in Arts and Associate in Science degrees. Since the change in status, the college's mission has remained the same and the transfer program has largely continued to function as it had for ten years. The change has been important, however, because it has clarified the college's image in the community and simplified procedures in the transfer program.

Under the leadership of four able Presidents, the college has developed many innovative programs, many of which have become state or national models. In September 1974 a Duplin County Articulation Project was initiated as a joint effort between James Sprunt and the Duplin County Public Schools as a pilot model for the state to improve coordination of occupational education programs between public

schools and community colleges. The articulation program between James Sprunt and the Duplin County high schools was established in July 1979. Through this program selected high school seniors received advanced college credits in specified course and programs upon their enrollment at James Sprunt. This program became a model in the state.

In January 1981 the college instituted a “Learning for Living” program in the humanities through a three-year grant from the National Endowment for the Humanities. This was the third grant received from NEH over a nine-year period to establish a model humanities program for technical and vocational students. The program has since received national recognition.

In 1989, another NEH grant enabled the college to implement a “core studies” program in the humanities for students in the college transfer program. This program combines literature, art and history in a parallel sequence of courses tracing the development of the Western tradition. The core studies program has also received national recognition.

The college now operates as many as 15 extension sites, including workplace sites, as particular needs arise throughout the county. Offering programs in adult basic education, HSE preparation and English Language Acquisition (ELA) courses, these centers have greatly expanded the college’s outreach in providing needed literacy programs for the under-educated portion of Duplin County’s citizens.

The college established a small foundation in 1973 for the purpose of raising funds to support projects and activities state and federal monies simply could not cover. Now in its 34th year, the Foundation distributes monies from its endowments to support student scholarships. It also supports programs of innovative teaching techniques, special institutional projects, and awards of recognition for faculty and students.

The leadership development program received the notice of the W.K. Kellogg Foundation, which awarded a \$373,000 grant to the program in 1998. With assistance of these funds, the program spawned the Duplin County Center for Leadership Development, which provides formal training programs to develop citizen leaders.

Also, 1998, the college dedicated its sixth main campus building, the Helen A. Boyette Building. Honoring this charter member and former chairman of the Board of Trustees, the building houses the college library, distance learning center, and continuing education offices and classrooms.

Celebrating its 40th year in 2004, James Sprunt Community College continues to expand the number and range of educational programs and services available to the adult citizenry of Duplin County. In the spring of 2005, the college opened its seventh campus building, the Zettie Brinson Williams Building, named in honor of long-time trustee Mrs. Zettie Williams. The Williams Building houses computer technology classrooms and labs, student support services programs, and emergency medical training, as well as having distance learning capabilities.

In January 2005, the college welcomed its fifth president, Dr. Lawrence L. Rouse, following the retirement of Dr. Mary Wood, who led the college for five years. The college continued many new initiatives under Dr. Rouse’s leadership, including the establishment of an employee leadership

development program, a minority male mentoring program, and a renewed focus on student success as the college's number one priority.

In the fall of 2006, the college instituted its newest curriculum program, Viticulture and Enology in response to the many changes and transitions taking place in agriculture and agri-business. James Sprunt was only the second community college in the state to offer this program. Working closely with regional grape and wine industries, the program provided additional opportunities for agri-business development in our eastern region.

2009 marked the 45th anniversary of James Sprunt Community College and a re-commitment to the enduring goals that have made James Sprunt successful. Also, in 2009, the Duplin Early College High School was approved by the JSCC Board of Trustees and Duplin County Board of Education with the location of the facility at JSCC.

In 2010, Eastern Carolina Food Ventures Incubator Kitchen opened and is designed to help develop food entrepreneurs, create new food businesses, help existing food businesses, and provide a workforce development resulting in new job creation. It is located at the West Park Business Technology Center in Warsaw, NC and is managed by JSCC's Small Business Center.

The College celebrated its' 50th anniversary in 2014. The College held its first Presidential Gala Scholarship fundraiser.

In 2015, JSCC hosted the first Health Sciences Luncheon as an investment in the nursing program. The late Dr. Edward L. Boyette was honored by having the nursing/health services wing of the McGowen Building named in his honor. The JSCC Leadership Development Center was renamed in honor of Mrs. Delilah T. Gomes. The administrative area of McGowen was named in honor of the Honorable Albert R. Brown.

Dr. Lawrence L. Rouse was named the 2016 President of the Year by the North Carolina State Board of Community Colleges. The Diesel School facility, located in Warsaw, NC, had its' grand opening.

The college is named as the best community college in the state of North Carolina and second best in the United States by SmartAsset.com for 2017-18.

Dr. Rouse left the college in 2018 to become president of Pitt Community College in Greenville, N.C. He is the longest serving president to date serving over 13 years.

On April 29, 2019, Dr. Jay Carraway became the sixth president of James Sprunt Community College after serving as Vice President of Continuing Education for Lenoir Community College in Kinston, NC. Dr. Carraway has 38 years of experience in the North Carolina Community College System.

The diversity and scope of the college's programs, its innovative and cooperative ventures, all support James Sprunt Community College's continual efforts to fulfill its educational mission.

### **Vision Statement**

Strengthening the communities we serve through innovative education and partnerships to create a more successful tomorrow.

## **Mission Statement**

James Sprunt Community College responds to the individualized educational and workforce development needs of the community by increasing accessibility, providing innovative teaching, and expanding community partnerships.

## **Goals**

1. To partner with students who, through educational programs and support services, are prepared for the workforce or for continued education at other institutions of higher learning.
2. To enhance student academic credential achievement and retention by improving the total college experience.
3. To support the professional development and career advancement of our staff and faculty and foster a collegial atmosphere of open communication, innovation, and partnerships among students and faculty.
4. To ensure high quality in all programs and services by providing students, faculty, and staff with appropriate facilities, equipment, and technology.
5. To involve the college in addressing community needs and goals and build relationships with local, state, and national partners in an effort to improve our community's economic and workforce competitiveness.
6. To ensure funding received from all sources utilized by the college is in line with the mission, goals, and priorities of the institution, as well as the educational needs of the community.
7. To incorporate organizational excellence in all areas of the institution.

## **CORE VALUES**

1. Learning: We provide high quality opportunities and necessary support services to help all students develop critical thinking skills and achieve their educational and employment goals.
2. Partnerships: We develop partnerships with schools, business and industry, and community organizations to meet the needs of the 21<sup>st</sup> century workforce.
3. Integrity: We uphold honesty, ethical behavior, and respect in pursuit of an atmosphere of transparency and accountability.
4. Diversity: We value an educational environment that attracts, nurtures, and supports a diverse faculty, student, and staff community.
5. Innovation: We strive to embrace an atmosphere of creativity and innovation for our students, faculty, and staff.

## **LOCATION AND INSTRUCTIONAL FACILITIES**

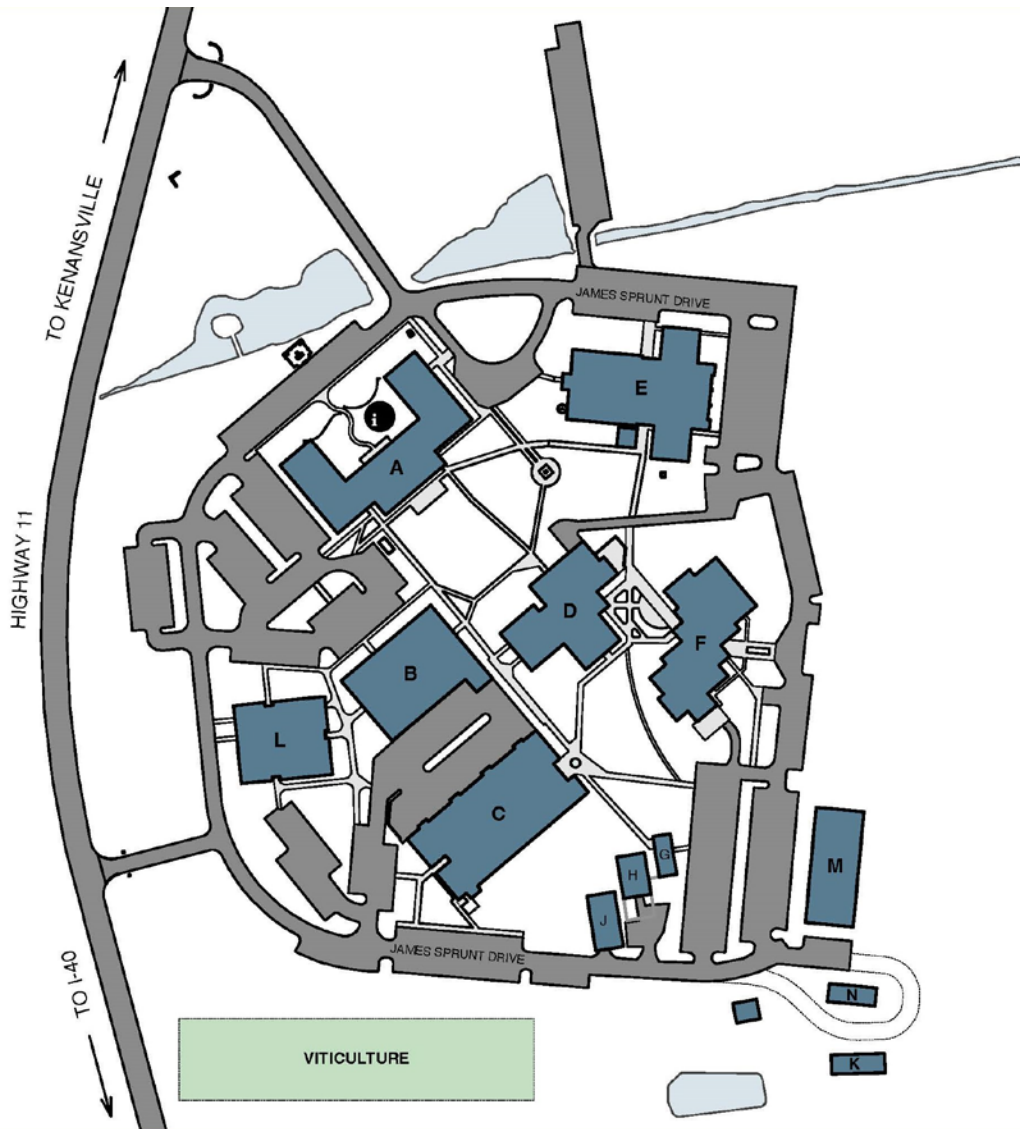

The college's main campus is located in the population center of Duplin County, North Carolina, on NC Highway 11 South near the town of Kenansville. The 53-acre landscaped campus provides an attractive setting for an educational and cultural center for students and the community. The Kenansville campus is comprised of seven main buildings, housing administrative offices, classrooms, laboratories, vocational shops, library, cafeteria, and student center.

Based on local industry needs, James Sprunt Community College started a Diesel and Heavy Equipment Technology program with classes beginning Fall 2016. The instructional facility was built

totaling over 7,000 square feet with two 100 foot drive-thru bays in the shop area. The facility is located at the WestPark Complex in Warsaw, NC.

Many civic, education, and cultural organizations make use of the college's facilities for meeting and workshops. Facilities are available upon request on a space-available basis.

## **ADMISSIONS**

### **GENERAL**

James Sprunt Community College operates an “Open Door” admissions policy to all applicants who are legal residents of the United States and who are either high school graduates or are at least 18 years of age. Admission requirements for an emancipated minor shall be the same as for an applicant 18 years old or older. Any adult, whether a high school graduate or not, who makes application and can benefit from the programs is admitted to the college.

Applicants are required to submit official high school transcripts with a graduation date or equivalent transcripts with a completion date. Home school students must submit a copy of the home school’s approved registration form from the state in which they are registered (if applicable) and a home school transcript with graduation date. When applicable, applicants will be given placement tests. The tests will in no way deny admission to any student.

James Sprunt Community College does not discriminate against students, employees, or applicants on the basis of age, race, color, religion, sex, disability, political affiliation, national origin, sexual orientation, gender identity, or veteran status.

Pursuant to the State Board of Community College Code ID SBCCC 400.2(e), the James Sprunt Community College Board of Trustees approves the college to deny admission to an applicant that poses a significant, imminent, articulable threat to the safety of James Sprunt Community College, Faculty, Staff and Students.

Pursuant to the State Board of Community College Code ID SBCCC 400.2(d), the James Sprunt Community College Board of Trustees approves the following appeals process for applicants denied admission pursuant to Subsection (e): If an applicant wishes to request an appeal, he/she must do so in writing within 10 school days following notification of admissions denial. The Associate Vice President of Student Services and the College President, in those cases of admissions denial, shall each have 10 school days to make a disposition on the admissions appeal. The decision by the College President shall be final with no institutional appeals beyond this level.

Pursuant to the State Board of Community College Code ID SBCCC 400.2(g), James Sprunt Community College reserves the right to refuse admission to any applicant who is not a resident of North Carolina who seeks enrollment in any distance education course if the applicant resides in a state where the college is not authorized to provide distance education in that state.

James Sprunt Community College reserves the right to refuse admission to any student who enrollment or continued presence is considered a risk for campus safety or disruption of the educational process.

See specific program requirements on the corresponding pages for each program of study for further information.

### **HOW TO APPLY**

The applicant is encouraged to apply as soon as possible. High school seniors are encouraged to apply early in their senior year. The academic year begins in the fall semester; however, applicants may

enter most programs at the beginning of any semester. The applicant must have an application, official high school transcripts (or equivalent) and placement test (when applicable) on file in the Admissions Office prior to registration.

In order to be considered for admission into a Health Education Program, the applicant must have an application on file and all admission criteria met by the following deadlines:

- **Associate Degree Nursing:** February 1<sup>st</sup> of each year for consideration for the next fall semester.
- **Practical Nursing:** February 1<sup>st</sup> of each year for consideration for the next fall semester.

Applicants may apply online at [www.jamessprunt.edu](http://www.jamessprunt.edu) . Student Services offers a computer lab for completing applications if needed.

### ADMISSIONS PROCEDURES

Applicants seeking admission to all curriculum programs are required to complete the following:

- **APPLICATION:** This application can be accessed on the college's website at [www.jamessprunt.edu](http://www.jamessprunt.edu) . As part of the application process, all students must complete the **Residency Determination Service (RDS)** online interview to determine residency status for tuition purposes.
- **TRANSCRIPTS:** Applicants are responsible for having an official high school transcript from their high school or the equivalent forwarded directly to the Admissions Specialist. Applicants who have attended other colleges, universities or post-secondary schools may submit official transcripts if they desire evaluation for transfer credit. Applicants who are receiving VA benefits, however, are required to submit all official college transcripts for evaluation. Credit will be granted for courses completed with a minimum grade of "C", if they are comparable to courses in the program of study selected by the applicant. Also see section on "Transfer of Credits to James Sprunt Community College".
- **HEALTH FORM:** Special physical forms are required by applicants in certain departments, such as the Health Education Department and Basic Law Enforcement Training. These forms are provided to the applicant by the department. A completed medical form is required by the college transfer department before a student can participate in the physical activity element of a physical education class. These forms are available from the Physical Education instructor.
- **ADMISSIONS COUNSELING:** This counseling allows applicants to discuss course placements, the admission and registration processes, program of study requirements and career opportunities.
- **PLACEMENT TEST:** Students applying for entrance to James Sprunt Community College may be required to take the RISE placement test. See requirements for transfer students under section "Transfer of Credits to James Sprunt Community College". Students will be tested in the areas of math and English prior to admission into a program. Students will need to take the RISE placement test if they have:
  - An Adult High School Diploma prior to 2021
  - GED scores prior to 2014;
  - HiSET scores that are less than 15 for all sections and/or less than 4 on the essay,
  - Graduated high school outside of the US, or

- Some homeschooled students without an unweighted GPA.

### **RESIDENCY DETERMINATION SERVICE (RDS)**

All applicants' residency for tuition purposes will be decided by the NC Residency Determination Service (RDS) to include, but not limited to, initial classifications, re-classifications, and appeals. The burden remains on the student to initiate and prove residency status. A computer lab, equipped with a scanner, is available in Student Services for any students needing assistance completing the RDS process or submitting requested documentation.

Students who disagree with the initial classification, may contact RDS at [www.ncresidency.org](http://www.ncresidency.org), to begin either the reconsideration or appeal process. The RDS reconsideration process is for students who:

- need to correct certain errors in the data submitted during the RDS online interview,
- have had a change in personal circumstances since completing their current determination,
- did not submit the required documentation within the initial consideration timelines (such as military dependency information, tax returns, pay stubs, etc)

Students who request reconsideration will be required to complete the online interview process again based upon their current situation. *Submitting a request for reconsideration does not guarantee the residency classification will change from non-resident to resident.* It is the student's responsibility to notify the Admissions Specialist of any change in residency classification.

The RDS Appeal process is for students whose circumstances have not changed but who believe their residency classification is incorrect. Students have ten calendar days from the date of the determination they are appealing, or a status change due to a failed validation, to submit a Notification of Appeal through the RDS online system.

### **ADDITIONAL PLACEMENT TEST EXCEPTIONS**

Special Students (Non-Degree Seeking) may take up to 12 credit hours in areas other than math and English or courses without math and/or English prerequisites before being tested.

Students who have obtained an Associate degree or higher are exempt from placement testing. Official transcripts documenting the degree are required for this exemption.

Students with transferable credit in Math and English may be exempt from placement testing. Official transcripts documenting these credits are required for this exemption.

Students who have previously tested, either at James Sprunt Community College or at another accredited institution, may use the previous test scores for admission purposes if:

- the tests are equivalent to those required for admission to James Sprunt Community College (RISE, Accuplacer, COMPASS, NC-DAP, and ASSET).
- the tests are not over ten years old.

Students testing on or after March 2016, with Scholastic Aptitude Test (SAT) scores of at least 530 on Math and 480 on Reading or Writing will be accepted in lieu of the college's placement tests.

Students testing prior to March 2016 must have scores of at least 500 on Math and 500 on Reading or Writing in order to be exempt from the placement test. **SAT scores over ten years old are not accepted.** Applicants should have an official copy of their scores forwarded to the Admissions Specialist.

The ACT Assessment Test may be substituted for the placement test if an applicant tested within the last ten years. Applicants should have an official copy of their scores forwarded to the Admission Specialist.

Health Education applicants should refer to the Programs of Study for additional information on admissions and testing.

### Restrictions for Enrollment in Courses in a Program

Students who fall below the minimum high school GPA requirement or the cut-off scores on the placement test may enroll in courses within their program of study, *except* for college-level English and math, as well as courses with an English and math prerequisite or corequisite.

### COURSE PLACEMENT GUIDE

Students will be placed into English and math courses based upon the following:

#### RISE English Placement Guide

<u>Course Placement</u>	<u>Unweighted HS GPA</u>	<u>RISE Placement Test</u>	<u>ACT</u>	<u>DRE Completion</u>	<u>Transition English Grade</u>
ENG-002/ Transition	Below 2.2	English Tier 1 Below 70	English below 16 & Reading below 20	DRE 096	--
ENG 111 + ENG 011	2.2 – 2.79	English Tier 1 70 & above	English 16-17 OR Reading 20-21	DRE 097	P1
ENG 111	2.8 or above	English Tier 2 70 & above	English 18 & above OR Reading 22 & above	DRE 098	P2

#### RISE Math Placement Guide

<u>Course Placement</u>	<u>Unweighted HS GPA</u>	<u>RISE Placement Test</u>	<u>ACT</u>	<u>DMA Completion</u>	<u>Transition Math Grade</u>
MAT-003 Transition	Below 2.2	Math Tier 1 Below 70	Math below 20	--	--
MAT 110 +MAT 010	2.2 – 2.79	--	Math 20-21	DMA 010 or DMA 010- 020	P1
MAT 110	2.8 or above	Math Tier 1 70 & above	Math 22 and above	DMA 010-030	P1
MAT 143 +MAT 043	2.2-2.79	Math Tier 1 70 & above	Math 20-21	DMA 010-030	P1
MAT 143	2.8 or above	Math Tier 2 70 & above	Math 22 and above	DMA 010-050	P2
MAT 152 +MAT 052	2.2-2.79	Math Tier 1 70 & above	Math 20-21	DMA 010-030	P1
MAT 152	2.8 or above	Math Tier 2 70 & above	Math 22 and above	DMA 010-050	P2
MAT 171 +MAT 071	2.2-2.79	Math Tier 2 70 & above	Math 20-21	DMA 010-050	P2

MAT 171	2.8 or above	Math Tier 3 70 & above	Math 22 and above	DMA 010-080	P3
---------	--------------	---------------------------	----------------------	-------------	----

Official score reports of prior placement testing (NCDAP, Accuplacer, and Compass) may be submitted to student services for evaluation. All placement test scores and previous developmental coursework are valid for 10 years. Unweighted US High School GPA WILL NOT expire after 10 years.

SAT- Students who earn a minimum of 480 on the reading and writing section may enroll in any gateway English course. Students who earn a minimum of 530 on the math section may enroll in any gateway math course.

High School Equivalency Tests- Students who earn a minimum of 165 on all GED tests or 15 on all HiSET tests and 4 on the HiSET essay may enroll in any gateway course without a co-req. Students who earn a 145-164 on the GED may enroll in gateway w/ co-req. courses. Students who score below will take the RISE placement test. GED and HiSET scores are valid from 1/1/2014 to present.

### **ACADEMIC PROGRAMS**

Students seeking a degree, diploma, or certificate must be enrolled in a designated program of study. A student may be approved for two different curriculum degree programs at a time (one primary and one secondary major). However, veteran students may only be in one major.

### **NOTIFICATION OF ACCEPTANCE**

The Admission Specialist will send a letter of acknowledgment to the student upon receipt of application. A letter of full acceptance may be sent upon completion of all admission requirements. Students desiring admission to the Health Education programs must follow the additional procedures listed in this catalog.

### **SPECIAL STUDENT ADMISSIONS**

Applicants may be allowed to enroll as special students, not seeking a degree or diploma, and take up to 12 semester hours of credit without completing the placement test requirements for admission. However, no student may enroll in an English or math course required in an associate degree program or in courses with English or math prerequisites prior to being tested without approval of the Vice President of Curriculum.

All admission requirements must be completed once the student has declared a major area of study or completed 12 semester hours of credit.

### **ADMISSION OF FORMER STUDENTS**

Former students are encouraged to enroll for additional study with the college. Students re-entering must follow general admission procedures. If the student has been out of school as result of disciplinary action or suspension, it will be necessary to consult the Associate Vice President of Student Services and petition for readmission to the college.

If the program in which the former student is applying for admission requires placement testing, the student must be retested if the student doesn't meet exemption requirements listed in "Additional Placement Test Exemptions".

See specific sections on Health Education Programs for readmission requirements.

#### **ADMISSION FOR CLASS AUDIT**

Students who wish to audit courses must register through an advisor. Although students auditing a course receive no credit, at the discretion of the instructor, they may be required to attend classes regularly, participated in class discussions, and meet other course requirements. Any student auditing a class who does not meet requirements set by the instructor is subject to suspension from that class. There may be certain courses that are deemed as inappropriate for audit.

Students auditing a course are charged the same fee as students taking courses for credit. Auditing courses are not covered by financial aid or veterans affairs. A record of the audit is entered on the student's transcript as "AU". Students wishing to audit class(es) must notify their advisors at the time of registration and their instructor(s) upon entry in to the class(es). Audit cannot be changed to credit or credit to audit after the deadline for adding courses.

#### **ADMISSION OF FOREIGN STUDENTS**

James Sprunt Community College is not approved for attendance of non-immigrant students with F, M, or J visas. Students with other visas will be considered on an individual basis.

#### **ADMISSION OF UNDOCUMENTED IMMIGRANT APPLICANTS**

James Sprunt Community College will accept for admission undocumented, non-immigrant applicants who have attended and graduated from a United States public high school, private high school, or home school that operates in compliance with State or Local laws as subject to 23 N.C.A.C 02C.0301. An undocumented immigrant with a diploma from an Adult High School that is located in the United States and operates or operated in compliance with State or Local law is eligible to be admitted to a community college. Undocumented immigrants with a High School Equivalency (HSE) Diploma, formerly called GED, are not considered to have graduated from a United States public high school, private high school, or home school and therefore are not eligible to be admitted to a community college. Undocumented immigrant applicants do not qualify for in-state tuition and shall be charged at the out-of-state tuition rate for curriculum programs.

Pursuant to the State Board of Community College Code 1D SBCCC 400.2(b) (5) and 1D SBCCC 400.2(b)(6), JSCC will not enroll undocumented students into a class or program of study for which there are waiting lists, nor register undocumented students for classes until the conclusion of the last published (i.e. late) registration period.

For the purpose of this section, "undocumented immigrant" means any immigrant who is not lawfully present in the United States.

## **VETERANS**

Veterans who receive their high school diploma equivalency certificate through the USAFI should have their certificate reissued by the North Carolina State Board of Education in order to meet admission requirements. The minimum score for issuance of a North Carolina High School Diploma Equivalency Certificate varies depending on the test vendor. For the GED exam, a passing score is at least a 145 for each test subject. For the HISET exam, a passing score includes making at least an 8 on all subject tests, scoring at least 2 on the essay, and achieving a total scaled score of at least 45 on all five subtests.

## **CREDIT BY EXAMINATION**

The following procedures are applied for approval for credit by examination.

1. A student may petition the division Dean for credit by examination.
2. The division Dean will make a decision regarding the request.
3. If approved, the division Dean will initiate a Credit for Prior Learning form to authorize the instructor to administer the exam.
4. The division Dean will coordinate with the instructor regarding administration of the comprehensive examination.
5. The instructor will give the examination and submit the graded exam with the Credit for Prior Learning form. The Credit for Prior Learning form must be approved by the Vice President of Curriculum / Chief Academic Officer. The Registrar will enter the grade earned on the examination on the student's record and hours of credit will be given toward graduation if applicable to the student's major; however, no quality points will be given.

A student must earn a grade of "C" or higher on the credit by examination. A student must also meet all pre-requisite requirements before they can take the credit by examination. Developmental courses, supplemental courses, and courses including clinical practice are not eligible for credit by examination.

A student is limited to one attempt per course. No tuition is charged for the examination. Credit by examination may only be attempted during the first four weeks of the semester.

## **CREDIT THROUGH HIGH SCHOOL ARTICULATION**

A list is sent to the office of the Registrar from Duplin County Schools of current high school graduates and possible Tech-Prep courses. Students do not need to turn in anything for this process. To receive credit through Tech-Prep, students must enroll at James Sprunt Community College within two years of high school graduation and the course must be required in their declared program of study. Students who meet the criteria and receive credit will not be required to register and pay regular tuition and fees for those courses. A grade of "TP" will be put on the student's transcript to denote credit achieved through Tech-Prep.

## **COLLEGE LEVEL EXAMINATIONS (CLEP)**

James Sprunt Community College participates in the College Level Examination Program (CLEP). Contact the Counselor for information on tests accepted, scores, and course credit for CLEP. A CLEP transcript must be forwarded to the Counselor before any credit can be awarded.

Credit for USAFI and DANTES may be granted where appropriate to the student's declared major of study and where a comparable course is offered by the College. Subject Standardized Test scores will be evaluated, and credit granted based on recommendations from the American Council on Education. Final acceptance of credit will be determined by the College.

## **ADVANCED PLACEMENT (AP)**

A freshman who scores 3 or above on the Advanced Placement tests, administered by the College Board, will receive appropriate college credit and advanced placement. Students taking Advanced Placement tests should have the score reports sent to the Counselor for evaluation concerning placement and credit.

## **NON-CREDIT TO CURRICULUM CREDIT**

The College may provide curriculum credit for non-credit coursework on a case-by-case basis via a Credit for Prior Learning form. Credit may be awarded for a non-credit course where the hours of the course are equal to or greater than the curriculum course being granted, and the instructor of record for the non-credit course must be curriculum credentialed in the subject or discipline.

## **CAREER AND COLLEGE PROMISE**

The purpose of Career and College Promise is to offer structured opportunities for qualified high school students to dually enroll in community college courses that provide pathways that lead to a certificate, diploma, degree, or State or industry-recognized credential as well as provide entry-level jobs skills. Career and College Promise offers North Carolina high school students a clear path to success in college and/or in a career. The program is tuition-free to all North Carolina students who meet the eligibility requirements. Through a partnership of the North Carolina Department of Public Instruction, the N.C. Community College System, the University of North Carolina System and many independent colleges and universities, North Carolina is helping eligible high school students to begin earning college credit at a community college campus tuition-free. North Carolina community colleges may offer the following Career and College Promise pathways aligned with the K-12 curriculum and career and college ready standards adopted by the State Board of Education:

1. A College Transfer Pathway leading to a minimum of 30 hours of college transfer credit. James Sprunt Community College is approved to offer a College Transfer Pathway leading to the Associate in Arts, a College Transfer Pathway leading to the Associate in Science, a College Transfer Pathway leading to the Associate Degree Nursing, a College Transfer Pathway leading to the Associate in Arts for Teacher Prep, and a College Transfer Pathway leading to the Associate in Science for Teacher Prep. High school students interested in this program should see their guidance counselor for additional information and the necessary forms.

2. A Career and Technical Education (CTE) Pathway leading to a certificate or diploma aligned with a high school career cluster. James Sprunt Community College is approved to offer CTE pathways in Accounting and Finance, Advertising & Graphic Design, Agribusiness, Applied Animal Science, Business Administration, Information Technology, Criminal Justice, Diesel and Heavy Equipment “Basic”, Diesel and Heavy Equipment “Advanced”, Early Childhood Education, Electrical Systems Technology, Information Technology Foundations, Office Administration General Office Assistant, School Age Education, Swine Management, and Welding, all of which lead to a certificate.
3. A Workforce Continuing Education Pathway (WCEP) leading to a State or industry recognized credential aligned with a high school career cluster. James Sprunt Community College is approved to offer WCEP pathways in Basic EMT, Nurse Aide I, and Pharmacy Tech. High school students interested in this program should see their guidance counselor for additional information and the necessary forms.
4. A Cooperative Innovative High School Pathway. Duplin County Schools operates Duplin Early College High School (DECHS) on the James Sprunt Community College campus. Students enrolled at DECHS attend for five years. At the end of the five years they will have had the opportunity to earn their high school diploma and an associate degree or up to two years of college credit. Students interested in attending DECHS should contact their middle school counselor for more information or the DECHS.

### **DISABILITY SERVICES**

James Sprunt Community College is committed to seeing that students with disabilities have equal access to and participation in all programs of study. In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disability Act, students will receive reasonable accommodations to assure equal access to all programs and activities.

Students who wish to request accommodations must present documentation regarding the disability to a counselor in Student Services. Accommodations will be determined based upon the documentation and in consultation with the student. Students needing accommodations should make arrangements with the counselor prior to the beginning of the semester in order to provide ample time for arrangements to be made. Accommodations must be requested each semester.

James Sprunt Community College strives to support students who are pregnant in continuing their program of study. Title IX of the Education Amendments of 1972 is a federal law that prohibits discrimination based on sex, including pregnancy, in educational programs and activities. Students who may need accommodations can meet with a counselor to create a support plan. Documentation from a medical provider will assist the counselor in creating an accommodation plan that best supports the individual student’s needs. Students are encouraged to contact a counselor as soon as possible to ensure supports are provided. For additional information, see a counselor in Student Services or call (910) 275-6265.

### **VOCATIONAL REHABILITATION**

The Division of Vocational Rehabilitation Services (DVRS) helps people with disabilities achieve their goals for employment and independence. Vocational Rehabilitation (VR) is a state program that helps people with physical, sensory, mental, emotional or learning disabilities. VR can aid individuals in securing helpful resources to be successful in their education, such as assistive technology. Eligibility

and application information can be obtained through the Vocational Rehabilitation Office in Kenansville.

### SPECIFIC PROGRAM INFORMATION

1. **Two-Year Associate Degree Programs:** The applicant must be a high school graduate or equivalent.
2. **One-Year Diploma Programs:** The applicant must be a high school graduate or equivalent.
3. **College Transfer and General Education:** The applicant must be a high school graduate or equivalent. Additionally, the applicant is encouraged to complete the Scholastic Aptitude Test (SAT). James Sprunt Community College is an official testing center for the SAT.
4. **Reinforced Instruction for Student Excellence (RISE):** This program is an integrated, student-centered program of instruction designed to increase the student's opportunities for success in his/her academic experiences. Placement in the program is made by the student's advisor based upon the applicant's previous educational record and entrance placement tests. Depending upon the individual's needs and occupational goals, he/she will be encouraged to strengthen knowledge and skills in Mathematics and English before entering curriculum courses in each discipline.
5. **High School Equivalency (HSE):** This is a certificate of high school equivalency and is recognized as the legal equivalency. Preparation is available on campus and at specified locations off campus. Refer to the section on Workforce Development and Continuing Education in the catalog for further information. The High School Equivalency exam is given on a referral basis upon recommendation from the College and Career Readiness Department.
6. **Short-term Training Programs:** Non-credit courses are available to persons 18 years of age or older. Refer to the Workforce Development and Continuing Education section in this catalog for further information.
7. **Adult High School Diploma Program:** This program is offered through a cooperative agreement between the Duplin County Public Schools and James Sprunt Community College. The program of study is individually designed to assist students in completing the requirements for the high school diploma. Placement in the program is based on the student's prior academic record and placement test results. Refer to the section on Workforce Development and Continuing Education in this catalog for further information.
8. **Human Resources Development (HRD):** The Human Resources Develop Program is funded by the State and sponsored by the North Carolina Community College System. The mission of Human Resources Development is to educate and train individuals in transition and the emerging workforce for success in the workplace. HRD courses and programs provide employability skills training and assistance for all adults who are trying to find gainful employment, transitioning back into the workforce, or simply trying to redefine their professional niche in today's global market. The various courses, workshops, and seminars are designed to address the current needs and trends of the complex and constantly changing workforce. HRD's primary objective is teaching individuals to assess their assets and limitations, develop a positive self-image, improve academic skills, and understand the dynamics of interpersonal relationships. HRD offers a variety of classes that give the students an avenue to explore employment opportunities of skills training that can be studied even further by enrolling at James Sprunt Community College. HRD is a dynamic and vital workforce development program that promotes community and economic development by focusing on meeting customer needs and serves as a gateway for proven economic, social, and educational success. All HRD courses are fee-waived to individuals who are unemployed or who have received notice of a layoff or pending layoff. HRD courses are also fee-waived to those who

may be “underemployed”, as determined by state and federal guidelines. See “Fees” section in the Continuing Education section of this catalog.

### **CATALOG OF RECORD**

A student who is not in continuous attendance for 12 calendar months or more must graduate under the provisions of the catalog in effect on the date of his/her last reentry or a subsequent issue.

### **ACADEMIC PROBATIONARY OR SUSPENDED STATUS**

A student on academic probationary or suspended status from his/her last college or post-secondary institution may be admitted on a probationary status and may be subject to academic retention regulations as defined in this catalog.

### **DISCIPLINARY SUSPENSION**

A student who has been suspended from his/her previous college or postsecondary school for disciplinary reasons may be admitted to James Sprunt Community College only when approved by the Associate Vice President of Student Services.

### **LIBRARY SERVICES**

#### **William H. Wiggs Library**

The William H. Wiggs Library at James Sprunt Community College is responsible for developing and delivering learning resource services and programs which enrich and support the College curriculum and help students meet their educational goals.

The Library is located on the first floor of the Helen A. Boyette Building. The Library’s physical collection consists of books, audiovisual items, newspapers, and local history materials. These resources are supplemented by online subscription-based content, including research databases, popular magazines, e-books, audio books, streaming videos, and test preparation tools. The Library houses two classrooms and three group study rooms.

Computers are available for research and educational uses. For a nominal fee, students, faculty and staff may print to the Library printer from both on campus and off-campus with their network credentials. Guest patrons may print and make photocopies from inside the Library for a nominal fee. Library staff provide a range of services including reference, research instruction, readers’ advisory, and interlibrary loan. The Library also maintains a website to help students, faculty, and staff discover available resources and services.

As a member of the Community College Libraries in North Carolina (CCLINC) consortium, the Library shares a catalog with other member libraries. The shared catalog provides access to the collections of each of the member libraries, and patrons may request items through interlibrary loan. JSCC students may borrow books for two weeks, with the option to renew twice. Audiovisual items may be renewed for one week. After hours, patrons may return items to two drop box locations: one behind the Boyette Building and one in the Boyette Building lobby.

Overdue fines are charged at a rate set by the library. Three overdue notices are sent by email; after the third and final notice, a hold is placed on the student's record. This hold prevents class registration, as well as receipt of diplomas or transcripts until items are returned or paid for and overdue fines are paid in full. Patrons may access the library's online catalog to review their account for items on loan and to place renewal and hold requests. Campus visitors are welcome to use the library resources but are not granted borrowing privileges.

The JSCC Makerspace is housed in the library, where students, faculty, staff and visitors to the campus may use tools, including a 3-D printer, video and green screen technology, and a Cricut machine.

The William H. Wiggs library staff encourages students, faculty, staff, and visitors to the campus to take advantage of the array of resources and services available.

### **Student Success Center**

The Student Success Center (SSC), housed in the Library, supports the educational functions of the college by providing individual and group tutoring, computer-assisted instruction, and test administration.

The SSC administers the following tests:

- High School Equivalency Testing – Pearson Vue GED Test (computer-based test)
- High School Equivalency Testing – HISET (paper-based test).
- RISE Placement Test 29
- TEAS (Nurse Entrance Exam)
- Proctoring Classroom Exams and Certification Exams

Additionally, the SSC and JSCC Library host a Spartan Writing Competition each spring semester.

### **Just Ask Tech Support**

Just Ask Tech Support provides JSCC students assistance with technical issues related to Self-Service, Student email, Moodle, Spartan Alert System (S.A.S.) and on-campus and off-campus printing.

### **EVENING OFFERINGS**

James Sprunt Community College offers a variety of credit Curriculum courses and non-credit Workforce Development and Continuing Education during the evening hours. Courses may be offered on campus or at off-campus locations. In addition, some courses may be offered on the weekend. It is possible to complete certain curriculum programs by attending only evening classes.

Preparation for taking the High School Equivalency exam (HSE) or completion of the Adult High School Diploma Program may also be done during the evening hours.

### **ADMINISTRATIVE OFFICE HOURS**

Offices are normally open from 8 a.m. to 5 p.m. Monday through Thursday and 8 a.m. to 12 p.m. on Friday. A counselor is on duty daily and upon request. The Veterans Affairs Office is open daily and

upon request. A member of the Student Services Office is available to provide assistance to students Monday through Thursday 8 a.m. to 5 p.m. and 8 a.m. to 12 p.m. on Friday.

### CHANGES IN REGULATIONS

James Sprunt Community College reserves the right, without prior notice, to make changes in regulations, courses, fees, and other matters of policy and procedure as deemed necessary.

### FEES AND FINANCIAL AID

#### GENERAL

Expenses at James Sprunt Community College are held to a minimum because of support from local, state, and federal sources. These fees are payable each semester upon registration. These fees are set each year by the General Assembly of the State of North Carolina and are subject to change.

#### TUITION AND FEES

##### **Tuition (Per Semester)**

Maximum In-State Tuition (16 or more semester hours)	\$1216.00
Part-Time, In-State Students (Per Semester hour)	\$76.00
Maximum Out-of-State Tuition (16 or more hours)	\$4288.00
Part-time, Out-of-State Students (Per Semester hour)	\$268.00
<i>Note: For most purposes (financial aid, insurance coverage, etc.) 12 semester hours credit constitutes full-time attendance.</i>	

##### **Student Activity Fee**

(Per Semester, Fall and Spring Semesters Only)

1-8 Semester Hours Credit	\$20.00
9 or more Semester Hours Credit	\$30.00
Technology Fee – Curriculum	\$30.00
College Access Parking & Security Fee	\$20.00
Barber School Activity Fee per class (Day students only)	\$10.00
Transcript Fee	\$5.00
Books and Supplies (Estimated) (May be purchased from the Bookstore. Total cost will depend upon program and course load.)	\$1200.00

**Graduation Fee** (Estimated)(Includes regalia & credentials at time of graduation) \$50.00

**Malpractice Insurance Fee** (Health Education, Cosmetology & Barber School, CDL/Truck Driving, estimated) \$15.00

### **Career and College Promise**

High school students enrolled in the Career and College Promise program pay no tuition. Fees are paid by the Duplin County Board of Education. Some textbooks may need to be purchased by the student.

### **Continuing Education Fees**

Continuing Education students are required to pay a registration fee for occupational course(s) based on the total hours for the course. Fees are established by the North Carolina General Assembly and are subject to change. Current fees are:

0-24 Hours	\$70.00
25-50 Hours	\$125.00
More than 50 Hours	\$180.00

Students taking self-supporting courses will be charged a fee sufficient to cover instructional expenses. There is no registration fee for HSE (formerly GED) preparation, ABE students or Adult High School Diploma students unless the AHSD student is registered for a curriculum class.

### **RESIDENCE STATUS OF TUITION PAYMENT**

N. C. GENERAL STATUTE 116-143.1

Residence Classification for Tuition Purposes

Under North Carolina law, a person may qualify as a resident for tuition purposes in North Carolina, thereby being eligible for a tuition rate lower than that for non-residents. In essence, the controlling North Carolina Statute (G.S. 116-143.1) states, "To qualify as a resident for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least 12 months immediately prior to his or her classification as a resident for tuition purposes."

The State Education Assistance Authority is the primary and sole authority to conduct residency determination for the state of North Carolina. Session Law 2015-241 authorized the State Education Assistance Authority to perform all functions necessary to implement the coordinated and centralized process to apply the criteria in G.S. §116-143.1 and directed the North Carolina Community College System (NCCCS) to take the necessary actions to facilitate an orderly transition from the campus-based residency determination system to the coordinated and centralized process. As a result, James Sprunt Community College now uses the Residency Determination Service (RDS) to determine residency status for all students. For additional information about the laws of North Carolina governing residency classification, students should visit [www.ncresidency.org](http://www.ncresidency.org).

### **CURRICULUM REFUNDS**

The College is authorized to refund tuition under the regulations set forth by the North Carolina State Board of Community Colleges (1E SBCCC 900.1) which state that a refund shall not be made except under the following circumstances:

- A. A 100% refund shall be made if the student officially withdraws prior to the first day of class(es) of the academic semester as noted in the college calendar. Also, a student is eligible for a 100% refund if the class in which the student is officially registered fails to “make” due to insufficient enrollment. A 100% refund includes all tuition and fees paid.
- B. A 75% refund shall be made if the student officially withdraws from the class(es) prior to or on the official 10% point of the semester. A 75% refund includes tuition only. Fees are not included in the 75% refund.
- C. For classes that do not meet for the entire term, a 100% refund shall be made if the student officially withdraws from the class prior to the first class meeting. A 75% refund shall be made if the student officially withdraws from the class prior to or on the 10% point of the class.
- D. Where a student, having paid the required tuition for a semester, dies during that semester (prior to or on the last day of examinations of the College the student was attending), all tuition and fees for that semester may be refunded to the estate of the deceased.

### **STUDENT FINANCIAL AID**

Money to help pay for college is available by means of grants, scholarships, student employment (FWS), veteran benefits and contributions from individuals and private agencies. These various forms of aid are available to help make college more affordable.

### **TITLE IV FINANCIAL AID PROGRAMS ELIGIBILITY REQUIREMENTS**

#### **GENERAL PROVISIONS:**

In general, to be eligible for aid under any program, you must be enrolled as a regular student. A regular student is one who has a high school diploma or high school equivalency. To receive financial aid, students must:

1. Complete a Free Application for Federal Student Aid (FAFSA) online at [www.studentaid.gov](http://www.studentaid.gov) using 2 years prior tax information. Assistance in completing the application is available in the Financial Aid office.
2. Submit an official high school transcript or High School Equivalency (HSE) transcript that is recognized by the United States Department of Education.
3. Be a U.S. citizen, a U.S. National, a U.S. permanent resident who has I-151 (Alien Registration Receipt Card), or a foreign student with proper documentation from the U.S. Citizenship and Immigration Services. These documents will be reviewed and eligibility determined on an individual basis.
4. Have a valid Social Security number.
5. Upon request, submit official transcripts of colleges previously attended.
6. Maintain satisfactory academic progress (SAP\*\*) toward completion of a selected program.
7. Have a Lifetime Eligibility Used (LEU) of less than 600%, which is an equivalent of 6 yrs. See [www.studentaid.gov](http://www.studentaid.gov) for your status.
8. Not be in default on a loan received at JSCC or any other school previously attended. See [www.studentaid.gov](http://www.studentaid.gov) for your status.
9. Not owe an overpayment on a Federal Pell Grant at JSCC or any other school previously attended.
10. Register with Selective Service, if male and between the ages of 18 and 24.

## **SATISFACTORY ACADEMIC PROGRESS (SAP)**

To maintain eligibility for federal student assistance, students must maintain progress in their academic programs. Progress has both qualitative and quantitative aspects; the student must achieve acceptable grades over a limited time period in order to complete his or her academic objective. The school is responsible for establishing the specific requirements for satisfactory academic performance, tracking their students' progress, and enforcing the consequences of unsatisfactory progress. Your Satisfactory Academic Progress (SAP) will be monitored for all periods of enrollment whether you have received financial aid or not (Fall, Spring or Summer). This is applied to all students who received private, institutional, federal or state funds.

JSCC's Federal Student Aid SAP policies are similar, but not identical, to the institution's Academic Retention requirements. Students should review both sets of policies and ask for clarification as needed. Questions about federal student aid SAP policies should be directed to the Financial Aid Office.

### **Conditions for Meeting Satisfactory Academic Progress**

- Qualitative Measure (Cumulative GPA)
  - Students must maintain a cumulative grade point average of 2.0 (equivalent to C average).
  - Passing grades are A, B, C, D, or P (Pass). Grades of I, W, D, F, or R (Repeat) may cause your grade point average to drop below a 2.0. Required remedial coursework will be counted toward your GPA.
- Quantitative Measure (PACE/completion)
  - Students must complete 67% of semester hours attempted to remain compliant with SAP Policy. Semester hour progression will be based on a cumulative total of attempted hours to earned hours. For example, a full-time student who attempts 16 semester hours in a semester must complete at least 12 semester hours to meet the 67% requirement.
  - Semester hours that are not completed with a passing grade will also count towards maximum units attempted towards degree objective. Grades of I, W, F, or R may cause your completion rate to drop. Required remedial coursework will be counted toward your completion rate.
- Maximum Timeframe to Complete a Degree
  - The maximum allowable timeframe for receiving aid is equal to 150% of the length of your academic program. For example, if you are pursuing a Major that requires 64 semester hours for graduation, you would reach the maximum timeframe at 96 semester hours.
  - If you are a transfer student, accepted transfer coursework will be counted in the maximum timeframe. You can repeat a course, but the credits will also be applied toward the maximum timeframe.
  - Required remedial coursework will be counted toward your maximum timeframe.
  - Grade change and incompletes: FA office is notified of grade changes and changes in incompletes and will calculate SAP again once changes are made.

## **Consequences of Failure to meet Satisfactory Academic Progress**

The Financial Aid Office measures SAP at the end of each academic semester (Fall, Spring, Summer). If the student meets the SAP Policy Criteria, they are eligible to receive federal student aid funds in the following semester of enrollment. Students will be notified of their Financial Aid status by email at the end of each semester. Students who do not meet SAP requirements will be placed on Financial Aid Warning, Probation, or Suspension as described below:

### **Financial Aid Warning**

Students who fail to meet SAP status after one semester are placed on Financial Aid Warning their next semester of enrollment. Students on Financial Aid Warning may continue to receive federal student aid.

### **Financial Aid Suspension**

Students who fail to meet SAP after two consecutive semesters are placed on Financial Aid Suspension. Financial Aid Suspension may be appealed to the SAP Appeals Committee.

### **Financial Aid Probation (Termination)**

Students who fail to meet SAP after the Financial Aid Warning period may appeal. If the appeal is approved, students may continue to receive federal student aid for one semester.

### **Appeal Process**

Students can appeal their disqualification from financial aid by completing a Satisfactory Academic Progress Appeal. SAP emails are sent once all grades are posted. Students can appeal suspensions and terminations one time with an extenuating circumstance and supporting documentation. Students should complete the appeal before the FA census date for the semester. The student will be notified within 7 to 10 business days via their student email regarding the approval or denial of their appeal. If a student does not submit an appeal, or if the appeal is denied, he/she will no longer be eligible to receive financial aid. Financial Aid will be suspended until SAP is met and the student will be responsible for all tuition and fees out of pocket.

### **Reestablishing Aid Eligibility**

A student who is not meeting SAP may regain his or her financial aid eligibility after any semester in which he or she meets the Satisfactory Academic Progress and regains good standing status (2.0 cumulative GPA, 67% completion rate).

## **FINANCIAL AID APPLICATION PROCEDURE**

A student who wishes to apply for student financial aid should proceed as follows:

1. Complete a Free Application for Federal Student Aid (FASFA) online using 2 years prior federal tax information. The college will receive the electronic version to process. The student is responsible for completing the application. However, assistance in completing the application is available in the Financial Aid Office upon request. No processing fee is required.
2. In approximately a week, your application will be downloaded to our school's system. Our school will notify you of what is needed to verify and process your financial aid via student e-mail. Once all documents have been submitted, please allow 2 weeks for processing.

3. After verification is complete you will be notified of your financial aid eligibility by your JSCC student e-mail account.
4. When you are awarded, you will receive notification via your official JSCC student e-mail informing you of your award status. To view or print your award letter, please go to Financial Aid Self Service.

### **TRANSFER STUDENTS**

Transfer students who have a current-year Federal Pell Grant must either edit their FASFA application and add James Sprunt Community College's school code (007687) or contact the Federal Processing Center (800-433-3243) and have the school code added. Transfer students who are receiving other types of financial aid should check with the Financial Aid Office regarding eligibility for these funds at James Sprunt Community College.

### **REPEATED COURSEWORK**

Federal financial aid guidelines for repeating a course are as follows:

1. A student may retake any previously passed course two times. For this purpose, passed means any grade higher than an "F", regardless of any school or program policy requiring a higher qualitative grade or measure to have been considered to have passed the course. This retaken class may be counted towards a student's enrollment status, and the student may be awarded Title IV aid for the enrollment status based on inclusion of the class.
2. There is no Federal regulatory limit on the number of times a student may repeat a course failed and be eligible to receive financial aid, unless the same course had previously been passed.

### **SIMULTANEOUS ENROLLMENT (Consortium Agreements)**

Occasionally a student wants to enroll simultaneously at James Sprunt Community College and another college, and the student will want to combine the hours at both institutions for financial aid purposes. It is possible to receive financial aid under these circumstances as long as certain requirements are met:

1. The course(s) you take at the other institution must be a requirement of your degree program and transferable to JSCC
2. You have to have prior permission from the Registrar to take the classes.

#### **Procedures:**

1. Speak to the Registrar to ensure that the courses you wish to take at the "host" institution will transfer to your degree program here. Remedial and vocational/technical courses will not transfer with very few exceptions. You may not use classes that you are auditing for the consortium agreement. Also, you may not repeat courses using the consortium agreement without first contacting both your advisor and the financial aid office.
2. Bring a PAID receipt and class schedule from the "host" institution to the Financial Aid Office. The Financial Aid Office will then verify enrollment and attendance with the "host" institution. Once verified, the hours will be credited to Financial Aid.

### **REFUND-OVERPAYMENT POLICY**

If a student is due a tuition refund, the tuition and activity fees charged are refunded to the Title IV aid program to which it was originally charged. In the event that a student received more than one

type of aid (excluding Federal Work Study), the refund is prorated among funds. A refund is due when a student withdraws from classes on or before the 10% point of a semester. This refund is 75% of the tuition and activity fees charged for the semester. A total refund/ repayment is made to the appropriate account when a student registers for classes but never attends. Should enrollment status change prior to the 60% point of the semester, the final payment for the semester will be adjusted.

#### **RETURN OF TITLE IV FUNDS (R2T4) POLICY**

The law specifies how James Sprunt Community College (JSCC) must determine the amount of Title IV program assistance that a student earns if he/she withdraws from school. The Title IV programs that are covered by this law are Federal Pell Grants, Iraq and Afghanistan Service Grants, TEACH Grants, Direct Loans, Direct PLUS Loans, and Federal Supplemental Educational Opportunity Grants (FSEOG).

Though a student's aid is posted to his/her account at the start of each period, the student earns the funds as he/she completes the period. If a student withdraws during his/her payment period, the amount of Title IV program assistance that he/she has earned up to that point is determined by a specific formula. If a student received (or the school or parent received on the student's behalf) less assistance than the amount earned, the student may be able to receive those additional funds. If a student received more assistance than was earned, the excess funds must be returned by the school and/or the student. The amount of assistance that a student has earned is determined on a pro rata basis. For example, if a student completes 30% of his/her payment period or period of enrollment, the student earns 30% of the assistance he/she was originally scheduled to receive. Once the student has completed more than 60% of the payment period or period of enrollment, the student earns all the assistance that he/she was scheduled to receive for that period.

If a student did not receive all of the funds that was earned, the student may be due a post-withdrawal disbursement. IF the post-withdrawal disbursement includes loan funds, JSCC must receive the student's permissions before it can disburse them. The student may choose to decline some or all loan funds so that he/she does not incur additional debt. JSCC may automatically use all or a portion of the post-withdrawal disbursement of grant funds for tuition and fees. JSCC needs the student's permission to use the post-withdrawal grant disbursement for all other institutional charges. If the student does not give permission, JSCC will be offered the funds. However, it may be in the student's best interest to allow JSCC to keep the funds to reduce the student's debt at the school.

If a student receives excess Title IV program funds that must be returned, JSCC must return a portion of the excess equal to the lesser of:

- The charges multiplied by the unearned percentage of the student's funds, or
- The entire amount of excess funds.

JSCC must return this amount even if it did not keep this amount of the student's Title IV program funds. If JSCC is not required to return all of the excess funds, the student must return the remaining amount.

Any amount of unearned grant funds that the student must return is called an overpayment. The maximum amount of a grant overpayment that a student must repay is half of the grant funds the student receives or were scheduled to receive. The student does not have to repay a grant

overpayment if the original amount of the overpayment is \$50 or less. The student must make arrangements with JSCC or the Department of Education to return the unearned grant funds. The requirements for Title IV program funds that the student withdraws are separate from any refund policy that the school may have. Therefore, the student may still owe funds to the school to cover unpaid institutional charges. JSCC may also charge the student for any Title IV program funds that that school was required to return.

## **TYPES OF FINANCIAL AID**

### **Federal Pell Grant Program**

This program awards grants to students with payment through the institutions. Federal Pell Grants are the “foundation” of student aid to which aid from other sources may be added. A student’s eligibility is determined by using a formula established by Congress that takes into consideration family financial circumstances. The formula produces an Expected Family Contribution (EFC) number that is used by the institution to determine the amount of Federal Pell Grant. Eligible students must be US citizens or permanent residents, be enrolled either part-time or full-time, and has not already earned a bachelor’s degree (four-year). Students apply for an FSEOG award by filing out the FAFSA. Award amounts are pre-determined by the Department of Education annually. Please see [www.studentaid.ed.gov](http://www.studentaid.ed.gov) for award ranges per academic year.

### **Federal Supplemental Education Opportunity Grant**

A student must be an undergraduate and have financial need as determined by FAFSA to qualify for an FSEOG award. Recipients must be citizens or permanent residents of the United States. Priority is given to students who receive Federal Pell Grants. Students apply for an FSEOG award by filing out the FAFSA. If awarded, the FSEOG will be included as part of the student’s total financial aid package developed by the college the student attends. Award amounts are pre-determined by the Department of Education annually.

### **Next NC Scholarship**

This scholarship is for North Carolina residents with financial need enrolled in at least 6 credit hours at a North Carolina Community College. Other eligibility requirements are a high school graduate, currently enrolled in a curriculum program, household AGI of 80,000 or less, meet SAP requirements, and have completed a FAFSA with an SAI at or below 7,500. Consideration for funding is automatic once the FAFSA is filed.

### **Federal Work-Study Program (FWS)**

This program provides jobs to students who qualify for financial assistance and encourages them to participate in community service activities. Applicants must be a US citizen or permanent resident, be enrolled at an approved postsecondary institution, demonstrate financial need. Eligible students may work up to the maximum number of hours per week set by the institution. Jobs usually range from 8 to 15 hours per week and pay at least minimum wage. Employment can be on or off campus. Students apply for an FWS program by filing out the FAFSA and completing an application annually. Recipients are selected by the Work Study representative on the JSCC campus.

## **Workforce Innovation and Opportunity Act (WIOA)**

WIOA is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled worker they need to compete in the global economy. WIOA may cover tuition, fees, textbooks, uniforms, childcare, and more! Interested individuals can learn more about approved programs and eligibility requirements by visiting the NCWorks Career Center – Duplin County in Kenansville.

### **ACADEMIC NEED-BASED SCHOLARSHIPS**

A limited number of academic, need-based scholarships are awarded each year. To apply, students must first complete a Free Application for Federal Student Aid (FAFSA). Recommendations are made from the Financial Aid Office to the Scholarship Committee for review. Scholarship applications will be available each semester of the academic year in the financial aid office and online at <http://www.jamessprunt.edu/financial-aid/scholarships>. Students are strongly encouraged to apply for scholarships to help offset the rising cost of education. Inquiries regarding scholarships should be made at the Financial Aid Office. Scholarships available are:

1. Allen Ryan Todd Scholarship
2. Golden Leaf Scholars Program for North Carolina Community Colleges
3. North Carolina Community Colleges Foundation Scholarship for Health Career
4. North Carolina Community College Foundation Scholarship for Teacher Preparation
5. SECU Foundation “People Helping People” Scholarship Program for Community College Students
6. Wells Fargo Technical Scholarship Program

CFNC.org link is on the bottom of the Financial Aid Scholarships page. Here you can find additional scholarships outside of our campus for which you may be eligible.

### **FOUNDATION SCHOLARSHIPS**

A limited number of academic scholarships are awarded each year to students currently enrolled or planning to enroll in a curriculum program at James Sprunt Community College. Awards range from \$250 to \$1,200. These awards are made based on scholarship criteria set forth by the donors. The criteria include, but are not limited to academic record, community involvement, and program of study.

Recipients are selected each July for the following academic year. Students interested in applying for scholarships should submit an application online. All items below must be submitted to the James Sprunt Foundation by the deadline of May 5<sup>th</sup> to be considered complete and eligible for consideration.

1. A completed application form for James Sprunt Community College Foundation Scholarships. (Application forms are available online generally by early January.)
2. An official high school and/or college transcript.
3. All applicants must have at least a 2.5 cumulative GPA to be eligible to apply.

## **SCHOLARSHIPS AVAILABLE**

- \* James and Mary Elizabeth Albertson Scholarship
- \* Garland Alphin Scholarship
- \* Beulaville Chamber of Commerce Scholarship
- \* Charles F. Blanchard Memorial Scholarship
- \* Edward L. and Helen A. Boyette Scholarship
- \* Alan and Millie Ivey Brown Scholarship
- \* Lynn and Anthony Brown Memorial Scholarship
- \* James E. and Mary Z. Bryan Memorial Scholarship
- \* Addis P. Cates Scholarship
- \* Kirk Crisman/DCPC Educational Scholarship
- \* Judy Davis Memorial Scholarship
- \* Duplin County Farm Bureau, Inc. Scholarship
- \* Duplin County Retired School Personnel Scholarship
- \* Duplin General Hospital Medical Staff Endowed Scholarship
- \* Duplin Winery Scholarship
- \* Marion Louise Price Elkin Scholarship
- \* W.E. Foster Helping Hand Scholarship
- \* Four County EMC Scholarship
- \* Sheriff George Garner Memorial
- \* John B. Hall Memorial Scholarship
- \* Charles Forrest Hawes Scholarship
- \* Dr. Vernon Hawes Memorial Scholarship
- \* James G. and Sudie M. Henry Memorial Scholarship
- \* J. Willard Hoffler Scholarship
- \* Carolina East Home Care & Hospice Scholarship
- \* A.D. & Peggy Quinn Scholarship
- \* Margaret Marshall Holland Memorial Scholarship
- \* Evelyn "Jackie" Johnson Nursing Scholarship
- \* Mary Sue Cowan Johnson and Nash Johnson Memorial Scholarship
- \* Jackie Fussell Jones Scholarship
- \* JSCC Educational Office Professionals Scholarship
- \* JSCC Faculty Council Scholarship
- \* JSCC President's Council Scholarship
- \* JSCC Scholarly Men of Success Academy Scholarship
- \* JSCC Trustee Scholarship
- \* Doug Judge Memorial Scholarship
- \* Vivian and Harry E. Kramer Memorial Scholarship
- \* George F. Landen Memorial Scholarship
- \* Lane-Taylor Memorial Scholarship
- \* William H. McLean Scholarship
- \* Edd Dudley and Marie A. Monk Memorial Scholarship
- \* Murphy Farms Scholarship
- \* OC, Olivia and Cherish Murray Scholarship
- \* Emmanuel Pickett Memorial Scholarship

- \* Piggly-Wiggly of Wallace Scholarship
- \* John F. Powers Memorial Scholarship
- \* Stacy R. Quinn Memorial Scholarship
- \* T. R. Quinn Memorial Scholarship
- \* Dr. Corbett Quinn Scholarship
- \* Lila Swinson Roberts Memorial Scholarship
- \* James R. Rose Memorial Scholarship
- \* Ada Williams Smith Memorial Scholarship
- \* Jesse Norman and Bertha Williams Smith Scholarship
- \* James F. Strickland Scholarship
- \* Geraldine and Russell Tucker Scholarship
- \* Tutor and Alphin Scholarship
- \* Wallace Rotary Club Scholarship
- \* Perry Whaley Memorial Scholarship
- \* B. Hertford and Ora Herring Wiggs Scholarship
- \* Daniel Allen Williams Scholarship
- \* Robert and Thelma Williams Scholarship
- \* Zettie Brinson Williams Scholarship
- \* William and Kathryn Wrenn Scholarship
- \* Charles H. Yelverton Scholarship
- \* Sammy Evans Memorial Scholarship
- \* Rawlinson Family Memorial Scholarship
- \* Lula S. Herring Memorial Scholarship
- \* Woody Brinson Scholarship
- \* Destiny Total Healthcare Scholarship
- \* Douglas R. Brinson Scholarship
- \* Veralyn Jennex Memorial Scholarship
- \* Minority Lineman Scholarship
- \* Vicki Mobley Memorial Nursing Scholarship

### **THE HERRING SCHOLARSHIP**

The Herring Scholarship is a need-based scholarship that is awarded each year to students currently enrolled or planning to enroll in a curriculum program at JSCC, that reside in either Duplin County or the town of Mount Olive.

The awards are made by the Herring Scholarship Committee and members of the Herring Trustee Board, which reviews applications. The recipients are chosen based on financial need, letters or recommendation and personal essays.

Recipients are selected each July for the following year. Students interested in applying should submit the following items:

1. A completed application for the Herring Scholarship. Application forms are available from the Foundation Office, generally by early January.
2. Three letters of recommendation from school, business, and/or leaders in the community attesting to your character and leadership potential.

3. A 300-500 word essay (double spaced) on the people and experiences that have shaped or influenced your values and your educational and/or life goals.
4. Completed the free application for Federal Student Aid (FAFSA).
5. Must have a minimum 2.5 cumulative GPA to be eligible to apply.

## **VETERANS EDUCATION ASSISTANCE**

Education assistance is available to the veterans of the U.S. Armed Forces and their eligible dependents. Veterans and dependents who wish to apply should contact the Veterans Affairs Office at James Sprunt Community College in person, by letter, or by phone at (910) 275-6378.

A brief description of veteran's education assistance includes general provisions of the program are listed below. To receive specific information regarding application and eligibility for a specific program, the veteran should contact the JSCC Veterans Affairs Office.

### **VA EDUCATION BENEFIT PROGRAMS**

#### **Montgomery GI Bill (Chapter 30)**

Eligibility for basic educational assistance can be established by individuals who first became members of the Armed Forces of first entered on active duty as a member of the Armed Forces after June 30, 1985 or is voluntary active duty.

#### **Veterans Readiness & Employment (Chapter 31)**

The purpose of this program is to provide eligible veterans with compensable service-connected disabilities all services and assistance necessary to enable them to achieve maximum independence, to become employable, and to obtain and maintain suitable employment. Basic entitlement and necessity for training and rehabilitation are determined by the Department of Veterans Affairs. The Regional Office in Winston Salem, NC, Veterans Readiness & Employment Department notifies the veterans and the college regarding approval for training.

#### **Post-Vietnam Era Veteran's Education Assistance (Chapter 32)**

This program provides for a participatory program of educational assistance benefits to eligible veterans and service persons that entered the Armed Forces after December 31, 1976, and before July 1, 1985. The veterans may contribute a maximum of \$2700 to the program. The Department of Veterans Affairs will credit an individual with one month of entitlement for each month of contribution to the fund up to a maximum of 36 months or the equivalent in part-time training.

#### **Post 9/11 GI Bill (Chapter 33)**

This program provides VA Educational Benefits to eligible veterans for services that were performed after September 10, 2001. Members must have served at least 90 aggregate days on active duty. However, individuals honorably discharged for a service-connected disability who served 30 continuous days after September 10, 2001, may also establish eligibility.

#### **Survivor's And Dependents' Educational Assistance (Chapter 35)**

This program assists dependents and the spouse of a veteran who died of a service-connected disability or who has a service-connected total permanent disability. The child or spouse of a person

who is on active duty as a member of the Armed Forces and who now is, and, for a period of 90 days, has been, listed by the Secretary as missing in action, captured in line of duty by a hostile force, or forcibly detained or interned in the line of duty by a foreign power should be eligible for these benefits.

### **Montgomery GI Bill – Selected Reserve (Chapter 1606)**

This program provides up to 36 months of education benefits to members of the Selected Reserve. This includes the Army, Navy, Air Force, Marine Corps, and Coast Guard Reserves, as well as the Army National Guard and the Air National Guard. An eligible member signed a six-year obligation to serve in the Selected Reserve after June 30, 1985, completed initial active duty for training, HS Diploma/GED obtained, and in good standing in a drilling Selected Reserve unit. Benefits generally ends 14 yrs. from the date that you become eligible or leave the Selected Reserves.

### **Reserved Educational Assistance Program – REAP (Chapter 1606)**

This educational program provides up to 36 months of education benefits to members of the Selected Reserves, Individual Ready Reserve (IRR), and National Guard, who are called or ordered to active service in response to a war or national emergency, as declared by the President or Congress.

*REAP beneficiaries not attending school* -- Veterans who applied for REAP but were not attending an educational institution on November 24, 2015, or during the last semester, quarter, or term ending prior to that date, are no longer eligible to receive REAP benefits. You may be eligible to receive benefits under the Post-9/11 GI Bill.

*New REAP applicants* – Veterans who have not enrolled in school and applied for REAP benefits prior to November 25, 2015, are no longer eligible for REAP benefits. However, in most cases, you will be eligible for the Post-9/11 GI Bill.

You may be eligible for Post-9/11 GI Bill benefits depending on the dates of your periods of service. If we receive a new application for REAP on or after November 25, 2015, we will evaluate your eligibility for all programs, including Post-9/11 GI Bill, and may award you benefits under a different program.

### **VETERANS RETRAINING ASSISTANCE PROGRAM (VRAP)**

This program provides eligible veterans with education benefits for up to 12 months of training. VRAP will provide training for programs of education that lead to a high demand occupation, as determined by the Department of Labor.

### **NORTH CAROLINA NATIONAL GUARD TUITION ASSISTANCE PROGRAM (NC TAP)**

Active North Carolina National Guard members who have completed at least one year of satisfactory service in the North Carolina National Guard, and have a minimum of two years remaining as a member of the National Guard from the end of the academic period for which tuition assistance is requested may be eligible for tuition assistance. Persons desiring information or applications for this assistance should contact the Office of the Adjutant General P.O. Box 2628, Raleigh, North Carolina 27611 or call (800) 621-4136.

## **Post 9/11 GI Bill: Transferability**

The Post-9/11 GI Bill allows service members (officer or enlisted, active duty or Selected Reserve), to transfer unused education benefits to immediate family members (spouse and children). The service member must have at least six years of service, and commit to an additional four years of service in order to transfer benefits to a spouse or child. Because of the potential impact of this benefit on recruiting and retention, transferability policy is determined by the Department of Defense.

## **OTHER SPECIAL VETERANS PROGRAMS**

**Hostage Relief Act:** For the Iranian hostage, spouses and children.

**Omnibus Diplomatic Security and Anti-Terrorism Act of 1986:** A permanent program for anyone held captive and their dependents.

### **Restored Entitlement Program for Survivors (REPS) (Section 156) (formerly the Quayle**

**Amendment)** Eligibility: Payable to surviving spouses for the youngest child in their care, of the child is 16 but under 18 years of age. Also payable to an unmarried child who is 18, but under 22 years of age, and who attends an approved post-secondary school.

## **VA EDUCATION APPLICATION PROCESS**

1. Veterans must complete a specific VA application depending on the benefit requested. Persons desiring additional information concerning a particular phase of the programs described in this section should contact the Veterans Affairs Office, James Sprunt Community College, (910) 275-6378. Once approved, the VA will send the applicant a Certificate of Eligibility (COE) - VA award letter.
2. Chapter 31 benefits will be initiated through the Veterans Readiness & Employment office at Camp Lejeune (Jacksonville, NC).

## **CERTIFICATION PROCESS**

The School Certifying Official (SCO) is responsible for maintaining files and certifying enrollment for students who receive Veterans benefits. The students are entitled to VA benefits: Chapters 30, 31, 32, 33, 35, 1606, or 1607.

JSCC students are required to have a complete admissions file before the School Certifying Official (SCO) can certify their VA Benefits. A complete admissions file means that an admissions application and placement/test scores are completed. In addition, an official HS and ALL college transcripts have been submitted.

1. To be eligible for VA benefit certification, students must be enrolled in a curriculum program (special credit is ineligible).
2. Once the student has received a Certificate of Eligibility (approval letter issued from the VA) and has registered for classes, they can provide both the Certificate of Eligibility and registration statement to the School Certifying Official in order to be certified.
  - All Chapters except Chapters 31 & 33 must pay their tuition before being certified. Chapter 31 & 33 students will have their in-state tuition paid for directly from VA.

- For Chapter 31 benefits, the VA office at Camp Lejeune will send an Authorization and Certification of Entrance or Re-entrance into Rehabilitation and Certification of Status to the SCO. When received, the Business Office and the Bookstore are notified that the VA student can charge tuition, fees and books.
  - Students are certified on VA once and the VA counselor is notified of certification.
3. After certification, the first benefit check will not be available until approximately 45 to 60 days.
  4. A file is maintained for each student. This includes copies of all VA paperwork along with a copy of the student's program of study to monitor classes taken each semester.
  5. The student needs to see the SCO each semester after they register to have their hours certified.

*Please Note: VA benefits ARE NOT counted in the financial aid award package of students.*

## **SATISFACTORY ACADEMIC PROGRESS FOR VETERANS**

VA students are expected to make satisfactory academic progress toward obtaining the degree, diploma, or certificate he/she has designated. At the end of each semester, the student's file is checked for dropped classes not reported and the student's GPA. In order to remain in good academic standing, a student must have a minimum cumulative Grade Point Average (GPA) of 2.00.

If the 2.0 GPA is not met, a warning letter is sent to the address we have on file with Admissions. A student who remains on academic probation for the second consecutive semester is considered making unsatisfactory progress for that semester. If after two (2) consecutive semesters of the Veteran student failing to maintain the minimum GPA requirements according to the academic progress scale as stated in the catalog, the VA education benefits will be terminated. Veteran students may continue to attend the institution but cannot receive VA educational benefits. When a veteran student's GPA is back to scale, he/she may resume receipt of benefits.

## **ACADEMIC STANDARDS**

### **ASSOCIATE DEGREES, DIPLOMAS, AND CERTIFICATES**

James Sprunt Community College awards the following to students who complete program requirements with an overall program grade point average of 2.0 ("C" average) on all work taken. A student must have received a passing grade in all required courses to be eligible for graduation.

#### **Associate in Applied Science Degree**

The Associate in Applied Science degree is awarded upon completion of the course requirements of the two-year degree programs.

#### **Associate in Arts Degree**

This is a college transfer curriculum designed for students desiring to pursue a four-year baccalaureate degree in the liberal arts at a senior college or university. An individualized program of study should be designed to meet each student's needs, based on the program and institution to which the student will be transferring.

#### **Associate in General Education Degree**

This curriculum is designed for students desiring post-secondary courses in the technical or liberal arts but not desiring to follow specific professional requirements. To receive the Associate in General

Education Degree, the student must complete a minimum of 65 semester hours of college-level courses from the college's approved programs of study. A core of general education courses and ACA-115 or ACA-122 must be completed. See section on Associate in General Education Degree for further information.

**Associate in Science Degree**

This is a college transfer curriculum for students desiring to pursue a four-year baccalaureate degree in the sciences at a senior college or university. An individualized program of study should be designed to meet each student's needs, based on the program and institution to which the student will be transferring.

**Diploma**

The diploma is awarded upon completion of the course requirements of the one-year diploma programs.

**Certificates**

Certificates are awarded for completion of programs of less than one year in length.

**DEVELOPMENTAL EDUCATION PROGRAM**

The Developmental Education (RISE) program is a series of courses in English and mathematics. Students are referred to the program by the college counselor or student's advisor. Based primarily on high school GPA and/or educational background, the student may need one or all of the following series of courses:

	Course Title	Semester		
		Hours per Week	Class	Lab Credit
ENG 002	Transition English	0	6	3
MAT 003	Transition Math	0	6	3
ENG 011	Writing & Inquiry Support	1	2	2
MAT 010	Math Measurement & Literacy Support	0	2	1
MAT 021	Algebra/Trigonometry I Support	1	2	2
MAT 043	Quantitative Literacy Support	1	2	2
MAT 052	Statistical Methods I Support	1	2	2
MAT 071	Precalculus Algebra Support	0	4	2

**REGISTRATION**

Registration is the term used for enrolling in classes. There is a registration day provided for students immediately prior to the beginning of each semester. The specified days and times are listed in the Academic Calendar for new students and returning students. No student will be allowed to register after classes begin unless registering for a class that has not yet met.

New students are required to complete the online New Student Orientation (NSO) session. NSO is designed to provide information students need to have a successful first year at JSCC. This is also a great resource to return to throughout the semester. Students will select an available face-to-face session for help with account setup, schedule changes, get books, or pay tuition. Once the

online NSO sign up form is completed, students will be contacted by Student Services to begin the registration process.

Currently enrolled students can take advantage of the provided early registration period to register for classes in the upcoming semester. Early registration for the Fall and Summer semesters occurs in April. Spring semester early registration starts in late October. Check the Academic Calendar for specific registration periods. Students must meet with their program advisor to begin the registration process.

Tuition and fees are payable at the time of registration or by the end of the official registration day for the semester, regardless of start date of the class(es). Students may register and pay for classes starting other than the first of the semester on the first day of class, if space is available.

### **DROP/ADD**

A drop/add period for **registered** students will be held to accommodate students that need to make necessary changes. A student who registers for a class, but drops prior to the 10% point of the semester, will have no entry on his/her transcript. Please refer to the section "Curriculum Refunds" for other information.

### **COURSE LOAD**

A student must register for 12 semester hours to be considered a full-time student. The maximum course load for students across all Curriculum program areas is 21 semester hours. Approval from the Vice President of Curriculum is required to register for more than the maximum number of hours (including those being taken at other institutions) unless it is required in the typical course sequence of the major. The student's academic advisor should notify the Vice President of Curriculum of the student's desire to enroll in more than the maximum number of allowed hours.

A student may be enrolled only for those courses approved by his/her advisor. Students who are placed on academic probation may be required to register according to the probation policy as stated in this catalog, or by the college counselor.

### **SEMESTER HOURS**

The school year is typically divided into two semesters of approximately eighty school days each and a summer session. The semesters usually begin in August, January, and May. Credits earned are in semester hours, a unit of measurement for credit purposes. One semester hour represents the credit earned in a scheduled course for one hour of lecture per week or two hours of lab per week or three hours of shop per week for sixteen weeks. Students will typically need to study two clock hours in preparation for one class hour.

### **STUDENT EVALUATION**

All instructors have the responsibility for evaluating the performance of their students. During the first week of every class, students are informed in writing of the evaluation method to be used.

## GRADING SYSTEM

<u>Grade</u>	<u>Description</u>	Quality Points Per <u>Semester Hour</u> <u>Credit</u>
A	Excellent	4
B	Good	3
C	Satisfactory	2
D	Poor	1
F	Failing	0

*Instructors should provide the numerical grade ranges for the equivalent letter grade in their course syllabi.*

AC	Advanced Credit
AU*	Audit (No Credit)
CRE	Credit by Examination
**CS	Continued Study
I	Incomplete
****IE	Incomplete Emergency
NG	No Grade
***P	Pass
***R	Re-Enroll
S	Satisfactory
TC	Transfer Credit
TD	Transfer Development
TP	Tech Prep Credit
TR	Transfer Credit
U	Unsatisfactory
W	Withdrawal prior to the 75% of semester
****WE	Withdrawal Emergency prior to 75% of semester

*\*See "Admission For Class Audit" for more information.*

*\*\*Veterans and financial aid students may not re-enroll for benefits in courses in which they have received a grade of "CS".*

*\*\*\*The 'P' and 'R' grades are used in developmental courses. 'P' is used when 80% mastery of the course content has been achieved. 'R' is used when less than 80% mastery of the course content has been achieved. The student must re-enroll in that course.*

*\*\*\*\*IE and WE were created in 2020 Spring for use with Covid-19 and will no longer be used after 2023 Fall.*

## INCOMPLETE GRADE

The grade of Incomplete is given when a student does not complete the required course work, but in the opinion of the instructor, is able to fulfill the remaining requirements without additional class time. Course requirements must be completed satisfactorily within the next semester (including the summer semester) or the "I" grade automatically becomes an "F" unless officially extended for one semester by the instructor. Extending the deadline for completion for an additional semester also

requires approval from the Vice President of Curriculum. If the “I” grade becomes an “F”, the student would need to register to retake the course.

### CONTINUED STUDY GRADE

The grade of “CS” is given when the student is making satisfactory progress in a self-paced course but cannot complete course requirements by the end of the semester without additional class time. **The student must re-register and pay for the course.** (See Grading System for regulations concerning veterans and financial aid students.)

### GRADE POINT AVERAGE

Grade point average (GPA) is obtained by dividing the total number of quality points earned by the total number of hours completed. (Grade of “F” will be considered as hours completed for computing grade point average.) Example:

Course	Grade	Semester Hours Attempted	Grade Value	Quality Points
ACC-120	A	4	X 4	16
ENG-111	B	3	X 3	9
BUS-115	C	3	X 2	6
ACA-115	D	1	X 1	1
OST-131	F	2	X 0	0
TOTALS:		13		32

$$32/13 = 2.46 \text{ GPA}$$

When a student changes from one program to another, any courses taken in another program, which would directly relate or be specifically required in the new program, will be transferred into that program and will be computed in the new program grade point average.

### CLASS ATTENDANCE

Students are expected to be in class on time and attend all scheduled class meetings. A student will be withdrawn from any course where they have not attended at least 80% of scheduled class meetings.

Attendance is also important for student success in a distance education course. All online courses require completion of an activity each week of the semester. For any week a student does not complete an activity, that week will constitute as an absence. Logging in to Moodle without completing and submitting an assignment is not considered for weekly attendance. As is the case with seated classes, students taking online courses must attend at least 80% of the course. Failure to do so will result in students being withdrawn from the course.

Regardless of whether the course is being delivered in a seated format or online, instructors will provide specific course and attendance requirements in their syllabi.

Students may be granted up to two excused absences each academic year (July 1- June 30) for religious holidays that students are required by their faith to observe.

- The two excused absences may be taken at any time during the academic year either on separate days or on two consecutive days.
- The student must submit a written request to his/her instructor for the excused absences at least 10 days prior to the date the student intends to be absent for the religious observance.
- Instructors are expected to note the excused absences as appropriate in class record documents.

Students granted an excused absence shall be given the opportunity to make up any work or tests missed promptly. No more than one test per day may be given to a student who is making up a test or tests due to the excused absence(s).

### **ACADEMIC RETENTION REQUIREMENTS**

Students are expected to make satisfactory progress toward obtaining the degree, diploma or certificate he/she has designated. In order to remain in good academic standing, a student must have a minimum cumulative Grade Point Average (GPA) of 2.00.

The student will be informed that financial aid funds will be withdrawn if he/she does not meet the above academic standards by the end of the semester following original warning notification. Additional retention standards are required for students who are receiving financial aid. Please contact the Financial Aid Officer regarding these additional standards.

### **ACADEMIC WARNING, PROBATION AND SUSPENSION**

Students are placed on Academic Warning or Probation when their academic progress is unsatisfactory. A list of students placed on Academic Warning and Academic Probation will be sent to the Counselors/Liaisons.

Any student whose cumulative grade point average (GPA) falls below a 2.00 for a semester will be placed on Academic Warning for the following semester. An academic restriction Hold will be placed on the student record. The student will be notified and required to meet with a counselor.

Any student on Academic Warning whose cumulative grade point average remains below the retention requirement (2.00) will be placed on Academic Probation for the following semester. An academic restriction Hold will be placed on the student record. The student will be notified and required to meet with a counselor. A student will remain on Academic Probation until they receive at least a 2.00 GPA.

Any student who does not attain satisfactory progress after one semester of academic probation may be suspended from the program area in which he/ she is currently enrolled for a period of one semester. Such suspension may be appealed to the Associate Vice President of Student Services. After a student has been suspended from a program of study for one semester, he/she may reapply for admission to that program. His/her readmission application will be considered on an individual basis by the Associate Vice President of Student Services, the division Dean, the Advisor, and the Registrar. Additional standards of progress will apply to students receiving financial aid. These standards will be

provided to the student by the Financial Aid Office. Please see section “Satisfactory Academic Progress” for more details concerning financial aid consequences.

### **WITHDRAWAL**

Students who must withdraw from one or more classes during the semester have the responsibility of notifying each instructor. Each course instructor completes a withdrawal form for their class(es) indicating the date of notification by the student. The form will then be sent to the Student Services Office for processing. Students receiving financial aid should verify with the Financial Aid office the impact withdrawing may have on their financial aid funds. Notification of withdrawal from a course must be received within ten (10) working days of the last date of attendance or as specified by the instructor in the course syllabus.

**Students may officially withdraw through the twelfth week of the semester (or 75% of the allotted time for any shorter session).** Beyond the twelfth week (or after the 75% point), the course instructor will withdraw the student and a grade of “F” will be assigned for that course. Additionally, students may withdraw only when extenuating circumstances occur and such withdrawals must be approved by the appropriate division Dean.

Official withdrawals through scheduled withdrawal dates will result in a grade of “W” unless the student is withdrawing due to cheating (see Academic Integrity section) or other circumstances as approved by the division Dean.

Courses in which grades of “W” are received will not be counted as hours attempted and will not affect a student’s grade point average.

Associate Degree Nursing and Practical Nursing students should also refer to the section “Involuntary Withdrawal from Health Education Programs.”

### **INVOLUNTARY WITHDRAWAL FROM HEALTH EDUCATION PROGRAMS**

In the event a health education student’s behavior represents a potential hazard to patient care in the clinical area and/or the student demonstrates unsafe practice in the clinical area, the student will be withdrawn by the faculty from the course. This may occur at any time during the semester.

### **HEALTH EDUCATION DEPARTMENT – DISMISSAL POLICY**

The Health Education Department reserves the right to dismiss a student from any health education program who presents problems in physical and/or emotional health which do not respond satisfactorily to appropriate treatment and/or counseling within a reasonable period of time. (See Health under Progression/Graduation in the *JSCC Health Education Department Student Handbook*.)

The Health Education Department reserves the right to dismiss a student from any health education program who demonstrates behavior which conflicts with the safety essential to health care practice.

A student may be dismissed from the health education program for academic or disciplinary reasons with or without being placed on probation prior to the dismissal. The Health Education Department reserves the right to decide the dismissal on a case-by-case basis depending on the events

and the circumstances surrounding the reason of dismissal. The dismissal will be afforded due process. A dismissed student may follow the JSCC procedure for issuing a complaint as outlined in the *JSCC Health Education Department Student Handbook* under academic appeals.

Dismissal of a health education student may result from, but not be limited to, any of the following:

1. Breach of patient confidentiality or privacy (See clinical guidelines— general information in the *JSCC Health Education Department Student Handbook*).
2. Falsification of information in a patient's records.
3. Violation of the conduct policies as defined under the academic standards in the *JSCC General Catalog* for students (conduct, definition of disruptive conduct, drug and alcohol policy, JSCC software copyright, compliance policy, cheating policy, parking regulations, etc.).
4. Willful destruction of school or hospital property.
5. Failure to meet specified probationary requirements. (See Probation Policy in the *JSCC Health Education Department Student Handbook*)
6. Intoxication or use of illegal drugs while in the clinical area or on school property.
7. A pattern of unsafe clinical behavior (i.e., performing procedures without supervision, administering medication via the wrong route, giving medication to the wrong patient, negligence, etc.). Unsafe behavior is defined as "any deliberate or negligent act of commission or omission regardless of whether actual injury to the patient is established."
8. One incident of gross unprofessional conduct (i.e., hitting or cursing a patient, student, and/or health team member, etc.). (See clinical guidelines—professional responsibility in the *JSCC Health Education Department Student Handbook*.)
9. Any willful or intended act that endangers the health, safety, or wellbeing of another person.
10. Physical and/or emotional problems that do not respond to appropriate treatment and/or counseling within a reasonable period of time (see above statement concerning physical and/or emotional health).
11. Failure of medication calculation competency test as outlined in the course syllabus for NUR 111 and subsequent courses for ADN program and NUR 101 and subsequent courses for PN program.
12. Excessive absences from class, lab or clinical (see attendance policy in the *JSCC Health Education Department Student Handbook* and individual course syllabus.)
13. Violation of health agency policies during the clinical rotation/practicum experience in that agency. Each student will be informed of the policy regulations of the clinical agency at the beginning of the clinical rotation/practicum experience.
14. If a student is dishonest and has falsified any part(s) of his or her student records, the student may be suspended and involuntarily withdrawn from the program.
15. Failure to submit the complete admission/acceptance records by the specified date in the health education program. These records include:
  - A completed physical examination within one (1) year of program entry.
  - A current American Heart Association Basic Life Support (BLS) Provider level CPR certification
  - Current Immunization records (as recommended by the N.C. Department of Public Health) including Hepatitis B vaccines, varicella, annual influenza (flu), and annual tuberculin skin testing/screening, etc.
  - Other admission/readmission requirements as stated in the *JSCC General Catalog* and the *JSCC Health Education Department Student Handbook* for the individual health education programs (PN and ADN).

## HEALTH EDUCATION DEPARTMENT – PROBATION POLICY

Probation will be initiated when a student develops a pattern of deficient behavior in the clinical and/or laboratory simulation experiences (see individual program clinical and laboratory simulation evaluation policies and the *JSCC Health Education Department Student Handbook* under general policies).

### COURSE SUBSTITUTIONS

Below is a list of college approved course substitutions. All course substitutions require the approval of the student’s advisor, the division Dean, the Vice President of Curriculum, and the Registrar. A course substitution form is required for approval. Course substitutions should be submitted for approval prior to the census date of the semester.

<b>Required Course</b>	<b>Approved Substitution</b>
ACA 115	ACA 122*
BIO 110	BIO 111
BIO 163	BIO 168 and BIO 169 (sequence)
CIS 111	CIS 110*
ENG 110	ENG 111
MAT 110	MAT 143 or MAT 171

\*Approved substitutions for AAS only

All course substitutions for prior coursework taken require a grade of “C” or higher.

### REPETITION OF CURRICULUM COURSE WORK

No courses may be counted more than once in calculating the total number of semester hours credit toward graduation. Any required course in which an “F” is received must be repeated. A course on which the student made a passing grade may be repeated one time.

When a course has been repeated, the higher grade will be used in grade point average calculations. However, both courses and grades will remain on the transcript. In those cases where a course in which the student received a grade of “F” is not offered during the remainder of that student’s residence, an equivalent course may be substituted for purposes of meeting program requirements upon approval by student’s advisor, the division Dean, the Vice President of Curriculum, and the Registrar.

Veterans and financial aid students should be aware that they cannot receive VA benefits or financial aid again for courses which they have passed.

Students who are auditing courses may do so on a space-available basis after having paid regular tuition and fees for that course. A student may not audit the same class more than two times.

See section on Associate Degree Nursing on “Limitations” for course repetition regulations for students enrolled in that program.

Exceptions to this policy must be approved by the division Dean, the Vice President of Curriculum, and the Registrar.

## GRADE REPORTS

Grades are submitted to and posted by the Registrar's Office to student accounts the day after Grade Day. Students may access their official final grades by logging in to their Self-Service account. Errors and omissions must be reported to the Registrar's Office within two weeks after grade reports are posted.

## CURRICULUM TRANSCRIPTS

All student records are confidential and transcripts will be sent upon signed request from the student. Request an official curriculum transcript from the college's website at [www.jamessprunt.edu/transcriptrequest](http://www.jamessprunt.edu/transcriptrequest); which offers an option for mailing or sending electronically. Transcripts are \$5.00 and can be paid for and tracked with this option. Transcripts will be withheld until all student obligations to the college are completed (Business Office Hold, Financial Aid Hold, or Library Hold).

Electronic transcripts are sent every day. Paper transcripts are printed on Monday and Thursday. Paper transcripts will not be printed on the following days: New Student Orientation, Registration Day, first and last day of class, Grade Day, graduation rehearsal and graduation day.

Course work taken prior to Fall 1997 was on the quarter hour system. Beginning Summer 1997, all courses were converted to the semester hour system.

## STUDENT CLASSIFICATION

**FRESHMAN**—A student who has earned less than 32 semester hours of credit towards graduation in their major.

**SOPHOMORE**—A student who has earned 32 or more semester hours of credit towards graduation in their major.

**FULL-TIME STUDENT**—A student who is registered for 12 or more semester hours of instruction. However, if a student withdraws from one or more classes, the student load decreases according to the semester hours of the class(es).

**PART-TIME STUDENT**—A student who is taking less than a full-time course of instruction.

**SPECIAL STUDENT**—Auditing or part-time student who is not seeking a degree, diploma, or certificate from James Sprunt Community College. The student may take up to twelve semester hours (excluding math and English courses or courses with math or English prerequisites) without meeting all admission requirements.

## COURSE REQUISITES

It is the student's responsibility to comply with the catalog regulations that courses may not be taken until all requisites have been met. There are occasions in which exceptions to this regulation may be deemed desirable and necessary. However, such exceptions must have the approval of the course instructor, division Dean, Registrar, and the Vice President of Curriculum Services.

## TRANSFER CREDITS

### Transfer Of Credits To James Sprunt Community College

A transfer student is an applicant who has previously attended or enrolled in any other college, university, technical college, or post-secondary institution. If transfer credit is desired, official transcripts must be submitted for evaluation. Credits earned at a regionally accredited institution will be awarded, provided a grade of "C" or better was obtained, towards the chosen program of study and catalog year requirements.

A student who changes programs after classes have begun must request for their transcript to be reviewed for additional credits. Students who have not been enrolled for 2 consecutive semesters (not counting summer) would be placed in a new catalog year upon reapplying. A student's academic advisor can recommend substitution of courses with adequate cause. Substitution forms must be signed off on by the Advisor, division Dean, and the Vice President of Curriculum.

Most courses can be counted for credit toward graduation for an indefinite period of time. Some courses that depend heavily on technology, speed and accuracy, physical skills, and language skills will be subject to review after five years unless the student has been continuously enrolled. A list of these classes will be kept in the Registrar's office. The division Dean may request that students provide evidence of course skills before credits would be applied. This evidence could come from a proficiency test, current job duties, or some form of assessment deemed appropriate by the division Dean. See section on Graduation Requirements for more information.

Credits may be allowed for work based on the Subject Examinations of the College Level Examination Program (CLEP). Credit for USAFI and DANTES courses may be granted where appropriate to the student's curriculum and where a comparable course is offered by James Sprunt Community College. USAFI courses will be evaluated on the basis of the current catalog of the American Council on Education located at [www.acenet.edu/militaryguide](http://www.acenet.edu/militaryguide). Subject Standardized Test scores will be evaluated and credit granted where appropriate based on the recommendations of the American Council on Education. Final acceptance or rejection of any credit will be determined by James Sprunt Community College.

Placement into courses shall be determined for transfer students who are tested in the same way placement is determined for entering freshman. Therefore, students who transfer to James Sprunt Community College shall be given the College's entrance test battery unless:

1. He/she has an earned degree at the associate level or higher.
2. He/she has credit for the first English and Math courses in his/her program at James Sprunt Community College.

Students with international academic credentials should have all transcripts evaluated by an independent agency that provides such services. You may contact the Admission's Specialist in Student Services for a list of companies. Then present the official evaluated transcript for processing.

See section on *Associate Degree Nursing* for transfer requirements in that program.

## **Foreign Transcripts**

Foreign transcripts must be evaluated and translated (if applicable), by a current member of the National Association of Credential Evaluation Services ( [naces.org](http://naces.org) ) or a current member of the Association of International Credential Evaluators ( [aice-eval.org](http://aice-eval.org) ). Completed evaluations, along with copies of the original transcript(s), should be sent directly from the evaluation agency to JSCC Admissions. If the evaluation is sent directly to the student, in order for it to be considered official, it must remain in the original sealed envelope. Once opened, it is no longer considered official.

## **Transfer Credits From James Sprunt Community College**

Credits earned at James Sprunt Community College are transferable to many four-year institutions and student advisors will assist in planning. However, it is the responsibility of the student to determine what courses and credit will transfer to the receiving institution. Changes in a student's major field of study or his/her choice of a senior institution may result in transfer issues. Such changes should be made only after careful study and consultation with an advisor or counselor and the institution in which the students intends to transfer.

The acceptance of courses taken at James Sprunt Community College is determined solely by the institution to which the student transfers. The transferring student should:

1. Decide early which institution he/she wishes to attend and the intended major or program of study to pursue. Then contact that institution for recommendations concerning appropriate courses.
2. Obtain a current copy of the catalog of that institution for entrance requirements and application deadlines.
3. Confer with his/her faculty advisor and/or the Counselor's in Student Services at James Sprunt Community College about transfer plans.
4. Check a minimum of two semesters in advance of transferring to ensure that all necessary requirements are being completed.

Credit earned at James Sprunt Community College may be transferred to similar programs at other institutions in the North Carolina Community College System. The courses or programs transferable to any institution will vary. It is the responsibility of the individual seeking to transfer credits to determine exactly what will transfer. Students are advised that, although transfer credits and grades may be acceptable by James Sprunt Community College, this does not infer acceptance by other educational institutions. For additional information, contact the Registrar or the Vice President of Curriculum.

## **ARTICULATION AGREEMENTS**

### **Comprehensive Articulation Agreement (CAA)**

As a member institution of the North Carolina Community College System, James Sprunt Community College is party to the Comprehensive Articulation Agreement (CAA) between the North Carolina Community College System and the sixteen-member University of North Carolina System. The University of North Carolina System consists of the following institutions: Appalachian State University, East Carolina University, Elizabeth City State University, Fayetteville State University, North Carolina A. & T. State University, North Carolina Central University, North Carolina State University, University of

North Carolina at Asheville, University of North Carolina at Chapel Hill, University of North Carolina at Charlotte, University of North Carolina at Greensboro, University of North Carolina at Pembroke, UNC School of the Arts, University of North Carolina at Wilmington, Western Carolina University, and Winston-Salem State University.

### **Independent Comprehensive Articulation Agreement**

Additionally, many North Carolina private colleges have adopted the Independent Comprehensive Articulation Agreement. These include Barton College, Belmont Abbey College, Bennett College, Brevard College, Campbell University, Catawba College, Chowan University, Gardner-Webb University, High Point University, Johnson C. Smith University, Lees-McRae College, Lenoir-Rhyne University, Livingston College, Mars Hill University, Meredith College, Methodist University, Montreat College, North Carolina Wesleyan College, Pfeiffer University, Queens University of Charlotte, Salem College, St. Andrew's University, St. Augustine's University, Shaw University, University of Mount Olive, Warren Wilson College, William Peace University, and Wingate University.

### **Collaborative Agreement**

James Sprunt Community College also has collaborative agreements with other community colleges. The purpose of these collaborative agreements is to allow students to take general education courses in order to apply to a collaborative college for admission in certain programs.

An updated list of these agreements is kept within the Registrar's office and readily available to the Advisor's and division Deans.

### **SPARTAN ALERT SYSTEM (S.A.S)**

The Spartan Alert System (S.A.S.) is a messaging system that is used to send out messages to 1000s of people at one time as emails, text messages and/or voice messages. James Sprunt uses this system for emergency alerts, school closings, and important school information. Registered Students are automatically given an account with S.A.S. and messages are automatically sent to the user's James Sprunt email account. If a student chooses to receive messages as text or voice messages, it is necessary for the student to log into their S.A.S. account and enter the phone number directly.

To log into the alert system, go to [www.jamessprunt.edu](http://www.jamessprunt.edu) and click on the "Student Toolbox" at the top of the page. Scroll down to the Spartan Alert System and follow the instructions. Once logged into the account, the user will have access to add and remove phone numbers for texts and voice messages as well as additional email addresses. On the right side of the page, non-curriculum students can create a login and receive any public messages that are transmitted. For assistance, contact the Just Ask Tech Support team at [justasktechsupport@jamessprunt.edu](mailto:justasktechsupport@jamessprunt.edu); (910) 275-6400 or the library in the Boyette building.

### **POLICY ON CLOSURE OF THE COLLEGE DUE TO ADVERSE WEATHER AND OTHER CONDITIONS**

The following is an excerpt from the "Policy on Closure of the College Due to Extenuating Circumstances":

## **General Policy**

When inclement weather prevails (ice, snow, or natural disaster) or other hazardous conditions exist, the President or his designee will determine whether the college will be closed and/or what activities of the college will be canceled or postponed. The President's designee is the Chief of Staff. Announcements about the closing and reopening of the college, cancellations or postponements of classes and other activities, and whether college personnel and students should report to work or class will be made over radio and television stations, Spartan Alert System (SAS), and social media outlets. The Director of Marketing and Publications will make contact with the radio and television stations and update the website. The Director of Public Safety and Security will maintain the SAS. Activities of the college will proceed as scheduled unless specifically announced otherwise. The college will reschedule classes canceled because of inclement weather as necessary.

### **Curriculum Missed or Canceled Classes:**

Scheduled curriculum classes which are missed or not held for any reason, including inclement weather, will be made up by posting an alternative assignment in the learning management system (LMS). These assignments are to be documented and on file in the appropriate division Dean's office area. When the missed or canceled classes exceed five in number, then the class(es) in excess of five must be rescheduled.

### **Workforce Development and Continuing Education Missed or Canceled Classes:**

Missed or canceled classes will be rescheduled to the fullest extent possible.

### **News Media:**

Students should refer to the news media listed below for information concerning the cancellation of school:

93.7 FM/1180 AM	The Dude Radio Station, Topsail Beach
98.7 FM/1150 AM	WPTF Radio Station, Goldsboro
98.3 FM/106.3 AM	The Penguin, Carolina Beach
99.1 FM/1490 AM	WZFX Radio Station, Fayetteville (FOXY 99)
95.7 FM	WKML Radio Station, Fayetteville
96.5 FM	WFLB Radio Station, Laurinburg
94.3 FM	WAZZ-Fayetteville
91.5 FM	WUNC Chapel Hill (NC Public Radio)
100.5 FM/710 AM	Surge Radio, Wallace
107.7 FM	WUKS Radio Station, Fayetteville
107.9 FM	WNCT Radio Station, Greenville
WWAY Channel 3	Wilmington Television Station
WRAL Channel 5	Raleigh Television Station
WECT Channel 6	Wilmington Television Station
WITN Channel 7	Washington Television Station
WNCT Channel 9	Greenville Television Station
WCTI Channel 12	New Bern Television Station

Career and College Promise classes scheduled at local high schools will operate according to the inclement weather schedule of the public schools.

### **STUDENT CODE OF CONDUCT**

Students are expected to conduct themselves as responsible adults with dignity and to maintain high standards of responsible citizenship. Students, as all citizens, are subject to civil authority on campus as well as off campus.

James Sprunt Community College honors the right of academic freedom, freedom of expression, and participation in the institution's decision-making process to the fullest extent possible. However, it is clear that, in a community of learning, willful disruption of the education process, destruction of property and interference with the rights of other members of the college cannot be tolerated. Accordingly, it shall be the policy of the college to deal with such disruption, destruction, or interference promptly and effectively, but also fairly and impartially without regard to race, religion, sex, political beliefs, national origin, or handicap.

Infractions that violate the student code of conduct will be reported to the Associate Vice President of Student Services for appropriate disciplinary actions.

### **DEFINITION OF DISRUPTIVE CONDUCT**

Any student who, with the intent to obstruct or disrupt any normal operation or function of the college or any of its components, engages, or invites others to engage, in individual or collective conduct which destroys or significantly damages any college property, or which impairs or threatens impairment of the physical well-being of any member of the college community or which because of its violent, forceful, threatening or intimidating nature prevents any member of the college community from conducting his/her normal activities within the college, shall be subject to prompt and appropriate disciplinary action, which may include suspension, expulsion, or dismissal from the college.

The following, while not intended to be exclusive, illustrates the offenses encompassed therein, when done for the purpose of obstructing or disrupting any normal operation or function of the college or any of its components:

1. Occupation of any campus building or part thereof with intent to deprive others of its normal use.
2. Blocking the entrance or exit of any campus building, corridor, or room therein with intent to deprive others of lawful access to or from, or use of, said building or corridor or room.
3. Setting fire to or by any other means of destroying, tampering, or substantially damaging any campus building or property, or the property of others on school premises.
4. Any possession or display or, or attempt or threat to use, for any unlawful purpose, any weapon, dangerous instrument, explosive or inflammable material in any campus building or on any campus grounds.
5. Prevention of, or attempt to prevent by physical act, the attending, convening, continuation, or orderly conduct of any class or activity or any lawful meeting or assembly in any building.
6. Blocking normal pedestrian or vehicular traffic on or into the campus.
7. Disorderly, lewd, or indecent conduct, as well as, distributions of obscene written and electronic materials.
8. Smoking (and/or using other forms of tobacco products, including vaping)

9. Failure to comply with instructions of college officials acting in performance of their duties, including failure to provide student ID in a timely manner when requested.
10. Theft of, misuse of, or damage to college property, or theft of or damage to property of a member of the college community or at college functions.
11. Possession of or use of alcoholic beverages or being in a state of intoxication on the college campus or at a college sponsored or supervised function off-campus to include college vehicles.
12. Any act, comment or behavior which is of a sexually suggestive or harassing nature and which is sufficiently severe and pervasive from both a subjective perspective (i.e., the recipient's view) and an objective perspective (i.e., a reasonable person's view) that it unreasonably interferes with an individual's work or academic performance or creates an intimidating, hostile, or offensive environment.
13. Mental or physical abuse of any person on college premises or at college-sponsored or college-supervised event, including verbal or physical actions which threaten or endanger the health or safety of any such persons by committing severe, pervasive acts from both a subjective (i.e., a recipient's view) and an objective perspective (i.e., a reasonable person's view) and thus affects a student's ability to participate in or benefit from one of the college's programs or activities is prohibited. NOTE: A student who poses a serious risk of imminent harm (i.e., threat of a violent act against students/or staff) will be expelled immediately. Personal combat will not be tolerated.
14. Forgery, alteration, or misuse of college documents, records, or instruments of identification with intent to deceive, making a knowingly false statement, either orally or in writing to college officials.
15. Operating a motor vehicle without proper license and registration.
16. Operating a motor vehicle in an unsafe manner.
17. Inappropriate dress that is not conducive to the educational environment of the institution.

Infractions that violate this policy will be reported to the Associate Vice President of Student Services for appropriate disciplinary actions.

### **POLICY ON SEXUAL ASSAULT, DATING VIOLENCE, DOMESTIC VIOLENCE, AND STALKING**

James Sprunt Community College does not tolerate behavior that results in sexual assault, dating violence, domestic violence, or stalking. Students on our campus have the right to live free of behaviors that interfere with students attaining their educational goals. Students who report sexual assault, dating violence, domestic violence, and stalking have the right to:

- Treatment with dignity and respect, not subjected to biased attitudes or judgments
- Not having past and irrelevant conduct discussed during any resulting proceedings
- Changes in academic situations, if possible
- All support services regardless of the choice to file a school or criminal complaint
- Submission of a written account of the incident and a victim-impact statement
- Having a person of choice, including legal counsel or an advocate, present throughout the proceedings, as set forth in the student code of conduct
- Having one's identity protected, in accordance with legal requirements

Victims may request immediate transfer of classes or other steps to prevent unnecessary or unwanted contact or proximity to an alleged assailant. When possible, requests will be accommodated.

## **Rights of Accused**

Students accused of sexual assault, dating violence, domestic violence, and stalking behaviors have rights on this campus. Those include:

- The right to know the nature and source of the evidence used in the hearing process
- The right to present witnesses and material evidence relevant to the case
- The right to an advisor to aid in the preparation and presentation of the case
- Access to services from the counseling or student service offices
- Consultation with a campus official on academic support services and referrals to community resources when appropriate.

## **Disciplinary Process**

Disciplinary sanctions for violations of this protocol will be imposed in accordance with applicable James Sprunt Community College policies, including:

- No action
- Probation for one or more semesters
- Short or long-term suspension
- Expulsion from James Sprunt Community College and/or criminal prosecution simultaneously.

A hearing will be conducted by the Committee on Student Appeals. A group will be empaneled to hear cases and their decisions are final. The panel will be trained in procedures regarding listening to evidence, victim impact, and rules of procedure. James Sprunt Community College officially adopts the preponderance of the evidence standard for the disciplinary process.

## **TITLE IX POLICY**

James Sprunt Community College strives to make its campus a safe and welcoming learning environment. Pursuant to the Clery Act, the Violence Against Women Act, the Campus SaVE Act and other applicable federal and state laws and regulations, the College hereby adopts these procedures when investigating, disciplining, and educating the College community about sexual harassment and sexual-based violence.

Also, pursuant to the Civil Rights Act of 1964, the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973 and other applicable federal and state laws and regulations, the College prohibits discrimination in its services and programs based on race, religion, ethnicity, national origin, gender, gender identity, sex, age, disability, genetic information and veteran status.

The College is committed to responding promptly and effectively when it learns of any form of possible discrimination based on sex. The College responds to reports of sexual harassment including sexual violence, as part of its efforts to stop the harassment and prevent its recurrence of possible sex discrimination. An individual who has questions or concerns regarding possible discrimination based on sex should contact the Title IX Coordinator or the Deputy Title IX Coordinator. Contact information for the Title IX Coordinator and the Deputy Title IX Coordinator is located at the end of this document.

All members of the College community are expected to engage in conduct that contributes to the culture of integrity and honor upon which James Sprunt Community College is grounded. Acts of sexual

misconduct, sexual harassment, dating, violence, domestic violence, and stalking, jeopardize the health and welfare of our campus community and the larger community as a whole.

The College has established procedures for preventing and investigating allegations of sexual misconduct, sexual harassment, dating violence, domestic violence and stalking that are compliant with Title IX federal regulations.

### **Reporting**

Reports regarding an alleged violation of Title IX, including those taking place off campus, such as sexual misconduct, sexual harassment, dating violence, domestic violence, stalking; sexual misconduct incidents involving minors, guests and third party users; and any allegation of inequity in educational programs and activities should be reported to any College responsible employee and communicated to the Title IX Coordinator or Deputy Title IX Coordinator.

### **Campus Security Reporting**

James Sprunt Community College is committed to providing a safe and secure environment for all members of the College's community and visitors. The College shall comply with the Crime Awareness and Security Act of 1990, as amended by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Information on crime statistics is available on the JSCC website as reported to the U. S. Department of Education (See the Director of Public Safety for additional information on crime statistics).

### **Amnesty Clause**

The health and safety of every student at James Sprunt Community College is of utmost importance. The College recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. The College strongly encourages students to report domestic violence, dating violence, stalking, or sexual assault to College officials. The College may also offer amnesty or leniency to the alleged victim or reporting witness with respect to other violations of College policy which may be disclosed as a result of such reports, depending on the circumstances involved. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to James Sprunt Community College officials or law enforcement will not be subject to James Sprunt Community College's Code of Conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.

### **Process**

The Title IX Coordinator ensures that the report is addressed through the identified resolution procedures and policies, and that the incident is resolved in a timely, fair, and impartial manner. Reports are examined based on the policies and procedures of the College where compliance with Title IX is of the utmost importance.

## Education

Title IX of the Education Amendment of 1972 and the Campus Sexual Violence Elimination (SaVE) Act require colleges to provide sexual harassment, sexual violence and sexual discrimination prevention education for students and employees annually.

All new students and all employees shall be required to participate in specific training for prevention and awareness and that promotes awareness of discrimination, harassment, and sexual-based violence. This program will be held annually at the beginning of each fall semester.

Questions about the training and Title IX as it relates to students and employees can be answered by:

- Tonya M. Kenan, Director of Human Resources & Title IX Coordinator  
Located in the McGowan Building, Room 101B  
(910) 275-6181
- Dr. Shakeena White, Deputy Title IX Coordinator  
Associate Vice President of Student Services  
Located in the Strickland Building, Room 107  
(910) 275-6362

## DRUG AND ALCOHOL POLICY

### I. PURPOSE

James Sprunt Community College is committed to the maintenance and protection of an environment in which students and faculty members “can responsibly pursue their goals through learning, teaching, research, and discussion, free from internal or external restraints that would unreasonably restrict their academic endeavors.” Additionally, it is the obligation of all members of the college community — students, faculty, administration, and other employees — to help maintain an atmosphere where academic freedom thrives and in which the rights of each person within the college community are respected.

### II. UNLAWFUL USE

Illegal drug use poses a threat to higher education communities. Drugs endanger the health and safety of all persons within these communities and jeopardize the integrity of the pursuit of learning and teaching. Therefore, it is the policy of this college that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or alcohol, is prohibited while in the work place, on college premises or as part of any college-sponsored activities. Any employee or student violating this policy will be subject to disciplinary action up to and including termination or expulsion and referral for prosecution. The specifics of this policy are as follows:

1. James Sprunt Community College does not differentiate between drug users, drug pushers, or sellers. Any employee or student who unlawfully possesses, uses, sells, gives, or in any way transfers a controlled substance or alcohol to another person, or manufactures a controlled substance or alcohol while in the work place, on college premises, or as a part of any college-sponsored activity, will be subject to disciplinary action up to and including termination or expulsion and referral for prosecution.

2. The term “controlled substance” means any drug listed in 21 CFR Part 1308 and other federal regulations; as well as, those listed in Article V, Chapter 90 of the North Carolina General Statutes. Generally, these are drugs which have a high potential for abuse. Such drugs include, but are not limited to, Heroin, Marijuana, Cocaine, PCP, and "Crack." They also include "legal drugs" which are not prescribed by a licensed physician. Alcoholic Beverages include beer, wine, whiskey, and other beverages listed in Chapter 18B of the General Statutes of North Carolina.
3. If any employee or student is convicted of violating any criminal drug or alcoholic beverage control statute while in the college workplace, on college premises, or as a part of any college-sponsored activity, he or she will be subject to disciplinary action up to and including termination or expulsion. Specifically, any such person who is convicted of a felony or a misdemeanor which results in an active prison sentence will, if a student, be expelled, or if an employee, be terminated from employment. Other misdemeanor convictions will be evaluated on a case-by-case basis, and the penalties to be imposed may range from written warnings or mandatory counseling or rehabilitation to expulsion from enrollment or discharge from employment. Any person charged with a violation of these "Unlawful Use" policies may be suspended from enrollment or employment before initiation or completion of disciplinary proceedings if the Chief of Staff determines that the continued presence of such person within the college community would constitute a clear and immediate danger to the health or welfare of other members of the community after an appropriate predetermination inquiry.
4. Each employee is required to inform HR, and students to inform Associate Vice President of Student Services in writing, within five (5) days after he or she is convicted of violation of any federal, state, or local criminal drug or alcoholic beverage control statute where such violation occurred while in the college workplace, on college premises, or as a part of any college-sponsored activity. A conviction means a plea of or a finding of guilt (including a plea of *nolo contendere*) and the imposition of a judgment by a judge sitting with or without a jury in any federal or state court.
5. The Chief of Staff or HR must notify the U. S. governmental agency from which a grant was made within (10) days after receiving notice from the grant employee or otherwise receiving actual notice of a drug conviction. Disciplinary action against the convicted employee must be undertaken by the college within 30 days. As a condition of employment on any federal government grant, the law requires all employees to abide by this policy.
6. A description of applicable state sanctions and the health risks associated with the use of both illicit drugs and alcohol is attached and included as a part of this policy.

**Additional Policy:**

No employee, student, or guest shall knowingly use or be under the influence of any non-prescribed narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, or intoxicant of any kind on the College campus; however, the legal use of alcoholic beverages may be allowed as appropriate at selected off-campus college-sponsored activities. Faculty and staff that violate this policy should be referred to their Supervisor and/or the Chief of Staff and/or Director of Human Resources. Students should be referred to the Associate Vice President of Student Services, or designee, for disciplinary action.

## **POLICY CONCERNING WEAPONS ON CAMPUS OR OTHER EDUCATIONAL PROPERTY**

It is against college policy for any person, while on college property, to possess, or carry, with a limited exception, any gun, rifle, pistol, or other firearm; dynamite cartridge, bomb, grenade, mine, powerful explosive as defined in NC G.S.14.284.1; BB gun, stun gun, air rifle, air pistol, bowie knife, dirk, dagger, slingshot, leaded cane, switchblade knife, blackjack, metallic knuckles, razors or razor blades (except solely for personal shaving), firework, or any sharp-pointed or edged instrument except instructional supplies, unaltered nail files and clips and tools used solely for preparation of food, instruction, maintenance, or for school-sanctioned ceremonial purposes; or any other weapon of any kind.

A firearm is permissible on campus only under the following limited circumstances:

1. The firearm is a handgun; **AND**
2. The individual has a valid concealed handgun permit or exempt from the law requiring a permit; **AND**
3. The handgun remains in either: a closed compartment or container within the individual with the permit's locked vehicle; or a locked container securely affixed to the individual with the permit's locked vehicle; **AND**
4. The vehicle is only unlocked when the individual with the permit is entering or exiting the vehicle; **AND**
5. The firearm remains in the closed compartment at all times.

College property refers to any college building or vehicle; campus grounds, recreation areas, athletic fields, or other property owned, used or operated by the College Board of Trustees. Any person violating this policy shall be guilty of a felony or misdemeanor depending on the weapon involved and the enrollment status of the individual.

Infractions that violate this policy will be reported to the Chief of Staff for appropriate disciplinary actions.

## **TOBACCO AND SMOKE FREE POLICY**

James Sprunt Community College is committed to creating a clean, safe, and healthy learning and working environment; and recognizes its responsibility to promote the health, welfare and safety for students, staff and others on college property. James Sprunt Community College also recognizes that the use of tobacco in any form poses serious and long-term health risks to individuals, therefore adopts the following Tobacco Use Policy. By implementing the College Tobacco Use Policy, James Sprunt Community College is seeking to enhance the health of our students, faculty, staff, and visitors to our campus.

### **Tobacco Use and Smoking Policy**

James Sprunt Community College, in its efforts to create a healthier atmosphere for the campus community, strives to control exposure to secondhand smoke. It emphasizes prevention and education efforts that support non-use and that address the risks of tobacco use. ***To protect our students, staff, visitors and guests, James Sprunt Community College prohibits the use of tobacco products.***

1. At James Sprunt Community College, smoking and tobacco use is prohibited in the following locations:
  - A. On all parts of the campus
  - B. Inside all campus buildings (see item # 3 for definition of campus)
  - C. In all college owned or leased vehicles.
  - D. Includes all classes taught by JSCC personnel regardless of location.
2. The College is committed to prevention and education efforts that support non-use and address the risk of tobacco use. The College also offers programs and services that include practical steps to quit using tobacco products, including smoking-cessation resources.
3. Promotional advertising, sale, or free sampling of tobacco is prohibited on campus.
4. The sponsorship of any campus event by tobacco-promoting organizations is prohibited.
5. All tobacco advertising in public spaces in College locations, such as billboard and signage, is prohibited.
6. This policy applies to trustees, administrators, faculty, staff, students, contractors, vendors, clients, and visitors.
7. Tobacco advertisements are prohibited in College publications.
8. Organizers and attendees at public events using James Sprunt Community College's facilities, such as conferences, meetings, public lectures, athletic events, social and cultural events will be required to abide by the College's Smoking Policy. Organizers of such events are responsible for communicating and enforcing this policy.

### **Definition of Terms**

1. Tobacco Products: For the purposes of this policy, tobacco is defined to include any lit or unlit cigarette, pipe, cigar, cigarillo, or other smoking equipment (whether filled with tobacco or any other type of materials), smokeless tobacco (use of snuff, dip, chew, smokeless pouches, or other forms of loose leaf tobacco), and any other tobacco product in any form. This is to include "e-cigarettes" or any device designed to introduce tobacco into the body.
2. Students: Includes but is not limited to full-time day students, part-time students, commuter students, non-traditional students, and other special students.
3. Campus: Includes any and all college owned, leased, or maintained property (includes all classes taught by JSCC personnel regardless of location) including but not limited to buildings, facilities, sidewalks, roadways, parking lots, and grounds.
4. College vehicle: This includes college owned, rented, or leased vehicles.

### **Policy Implementation & Enforcement**

It is the hope of James Sprunt Community College that students, employees, and visitors will recognize the value of this policy and voluntarily comply. Implementation and enforcement of this policy are the shared responsibility of the entire college community to promote a clean, safe, healthy environment in which to work, study, and live. Enforcement will begin with Campus Security monitoring the campus for violators and notifying offenders of the tobacco policy.

Any faculty member, staff member, or student may ask individuals to comply with this policy.

Violation of any campus policy may result in discipline. Faculty and staff should be referred to their Supervisor and/or to the Chief of Staff and/or Director of Human Resources. Students should be referred to the Associate Vice President of Student Services, or designee, for disciplinary action.

## **Assistance**

To assist those who wish to quit smoking, James Sprunt Community College offers the following support:

1. The James Sprunt Community College Human Resources Department will assist in referring those who wish to quit smoking to the appropriate professional resources.
2. Faculty and staff may avail themselves of EAP resources for referrals to community smoking cessation.

## **SOFTWARE COPYRIGHT COMPLIANCE POLICY**

James Sprunt Community College is committed to adhering to the Federal Copyright Law as it applies to software used on computer hardware owned by the college.

Authorized software is defined as software that is registered, licensed and/or purchased by the college. Proof of ownership of authorized software can be established with a license agreement, paid invoice, or manual and original diskettes.

Authorized use of software is defined as use of software in accordance with the license agreement, purchase agreement or software documentations. Unauthorized use of software includes making or using software by copying, sharing, lending, giving, transferring, and/or installing software in a way not in compliance with the license or purchase agreement.

Unauthorized use of software by students, staff, or faculty of the college constitutes an infringement of this policy. Such infringements constitute grounds for disciplinary action by the college and/or legal action by software manufacturer(s) and the college, which may result in civil damages, criminal penalties, fines, and/or imprisonment.

James Sprunt Community College employees having knowledge of any misuse of software or related documentation within the college shall notify the appropriate supervisor or the President.

## **ELECTRONIC SIGNATURE POLICY**

James Sprunt Community College (JSCC) recognizes the use of an electronic signature as a valid signature subject to the conditions listed below.

An electronic signature is defined as any electronic process signifying an approval to terms, and/or ensuring the integrity of the document, presented in electronic format.

Uses of electronic signature are as follows:

- Students use electronic signatures to register, check financial aid awards, obtain unofficial transcripts, update contact information, log into campus computers, complete forms, submission of class work, tests, etc.
- Faculty and staff use electronic signatures for submitting grades, viewing personal payroll data, logging into campus computers, accessing protected data through the administrative computing system and custom web applications provided by the college, etc.

- Candidates applying for employment use electronic signatures for submitting employment applications through the on-line application system.

An electronic signature is considered valid when the following condition is met:

- The combination of a personal Username and Password
- A form is filled out and submitted through the college website or any other college media outlet maintained by James Sprunt Community College.

It is the responsibility and obligation of each individual to keep their Login ID and their password private so others cannot use their credentials.

Once logged in, the individual is responsible for any information they provide, update, or remove. JSCC or their contract vendor will take steps to ensure the passwords are protected and kept confidential. Further-more, users are responsible for logging out of all systems and exercising the necessary precautions when using publicly accessible computers.

This policy is in addition to all applicable federal and state statutes, policies, guidelines, and standards.

## ACCEPTABLE USE POLICY

### Purpose

College owned or operated computing resources are reserved for the educational, instructional, research, and administrative computing needs of the faculty, students, staff, and other individuals authorized by the College. The College's computer resources include but are not limited to all College computers and hardware, access to the Internet or access to any College intranet provided through College owned or operated computers, online and offline storage, and network and communications facilities including cloud accessible hardware or software provided by the College. Access to these computing resources is a privilege and, therefore, it is essential that all users exercise responsible, ethical, and lawful behavior when using these resources. Users are expected to read, understand, and comply with the College's Acceptable Use Policy.

The College monitors access to the computing resources and reserves the right, without prior notice to users, to access these resources and to use any and all information retrieved from the computing resources. **Users do not have an expectation of privacy regarding their use of the computing resources**, and by accessing and using the College's computing resources, users expressly consent to such monitoring, access, and use by the College. Information contained on the College's computing resources and in College accounts, including but not limited to e-mail, may be subject to inspection under the Public Records Law of the State of North Carolina.

The College does not attempt to articulate all required or unacceptable behavior by its users. Therefore, each user's judgment on appropriate conduct must be relied upon. To assist in such judgment, users will follow this policy:

## **Acceptable and Unacceptable Uses**

1. Use should be consistent with the Acceptable Use Policies (AUP) for the North Carolina Research and Education Network ([NCREN](#)), operated by MCNC and consistent with the mission of James Sprunt Community College.
2. College computing resources are to be used only for educational, research, instructional or college administrative purposes for which access is provided, and are not to be used for any unauthorized purpose, including but not limited to commercial purposes, unauthorized access to remote computers or non-College related activities.
3. An access account assigned to a user must not be used by any other individual. Users are responsible for the proper use of their accounts, including proper password protection and appropriate use of the College's computing resources. Obtaining another user's password, allowing friends, family, co-workers, or any other individual use of your or another user's account, or other unauthorized use of an access account, is a serious violation of this policy.
4. All computer software is protected by federal copyright law. In addition, most software is proprietary and protected by legal licensing agreements. Users are responsible for being aware of the licensing restrictions for any software used on the College's computing resources. Software that is not owned by the College cannot be installed on College equipment.
5. Users shall not download, reproduce and/or distribute copyrighted or licensed materials without proper authorization from the author or creator. Additionally, users shall not publish information, messages, graphics, or photographs on any web page without the express permission of the author or creator.
6. Users shall not engage in activities to damage or disrupt the hardware, software, or any communication associated with the College's computing resources, such as virus creation and propagation, wasting system resources, overloading networks with excessive data, or any attempt to circumvent data protection schemes or uncover security loopholes.
7. Users shall not access or damage any portion of the College's computing resources or other College property, such as College records, or use the College's computing resources for illegal activities.
8. Users learning of the misuse of the College's computing resources or violations of this Acceptable Use Policy should notify a College faculty member or College official immediately.

### **Enforcement:**

Anyone found to have violated this policy may be subject to disciplinary action including but not limited to suspension or revocation of computing privileges, disciplinary review, dismissal from class with a grade of "F," and/or termination. Any conduct, which violates local, state, or federal laws, will result in the immediate loss of all access to the College computing resources and will be referred to appropriate College offices and/or law enforcement authorities. James Sprunt Community College is not liable for actions of anyone connected to the Internet through the College's computing resources. All users will assume full liability (legal, financial or otherwise) for their actions.

***MODIFICATIONS:*** *JSCC reserves the right to modify this policy at any time.*

## **ACCEPTABLE USE POLICY FOR WIRELESS ACCESS**

As a condition to James Sprunt Community College (JSCC) providing you with access to the James Sprunt Wireless Service (Service), you are required to comply with the guidelines of this Acceptable

Use Policy (Policy). By accepting the Policy and using the Service, you signify your agreement to the terms, conditions, and notices of this Policy. "You" when used in this statement shall mean the users of the Access Device(s). For purposes of this Policy, any actions that JSCC may take with regard to your use of the Service may also be performed by JSCC's third party service providers.

If you violate any of the provisions of this Policy, JSCC may take action to restrict or terminate your access to the Service, including access to any Internet websites associated with the Service. JSCC reserves the right, at its discretion, to update or revise this Policy, any other policy or statement on any JSCC website, and any product offerings or programs described on any JSCC website. Please check back periodically to review any changes to this Policy.

Use of the Service for any purpose that is unlawful or in any manner which could damage, disable, overburden or impair the operation of the JSCC Network or the Service or any other party's use or enjoyment of the JSCC Network or the Service, is strictly prohibited. Specifically, you may not:

- \* Attempt to use or gain unauthorized access to data, accounts, hosts, servers, systems or networks associated with the Service or with JSCC, or to probe, scan or test the vulnerability of a system or network associated with the Service, JSCC or those of any other party.
- \* Interfere with Service to any user, host or network including, without limitation, mail-bombing, flooding, or attempting to overload the system.
- \* Use the Service to engage in activities that violate any terms or conditions of any other network access provider or Internet service provider.
- \* Forge any TCP-IP packet header or any part of the header information in an e-mail or a newsgroup posting.
- \* Falsify address information or otherwise modify e-mail headers to conceal the sender's or the recipient's identity.
- \* Additionally, you may not, by use of the Service or another service, upload, post or otherwise distribute or facilitate distribution of any content, including text, communications, software, images, sounds, data, or other information that, in JSCC's discretion:
  - \* Is unlawful, abusive, libelous, deceptive, fraudulent, and invasive of another's privacy, tortious, pornographic, or inaccurate.
  - \* Is posted in violation of a newsgroup charter.
  - \* Contains viruses, corrupted files, or any other similar software or programs that may damage the operation of another's computer.
  - \* Has a negative effect on JSCC or its networks (including, without limitation, overloading servers on the JSCC networks; causing portions of the JSCC networks to be blocked by other network providers; generating unresolved third party complaints or complaints which, in the discretion of JSCC, impose an unreasonable administrative burden on the service provider or College).
- \* Constitutes unsolicited duplicative e-mail (commercial or otherwise). This prohibition extends to the sending of unsolicited and/or mass e-mailings such as the following:
  - E-mail from any JSCC account or via another service which in any way implicates the use of this site or the Service, JSCC equipment or any JSCC e-mail address;
  - E-mail relayed from any JSCC or third party's mail servers without permission;
  - E-mail employing techniques to hide or obscure the source of the e-mail;
  - E-mail sent, or caused to be sent, to or through the JSCC Network that makes use of or contains invalid or forged headers, invalid or non-existent domain names or other means of

deceptive addressing that may be deemed to be counterfeit. A communication may be unsolicited if recipients' email addresses were not obtained through a personal or customer relationship between recipient and sender, recipients did not affirmatively consent to receive communications from sender, or recipients have opted out of receiving communications from sender when given notice of the opportunity to do so.

### **ACADEMIC INTEGRITY**

All James Sprunt Community College students are held to the same academic standards regardless of course format: online, hybrid, blended, hyflex, or traditional. A violation of academic integrity includes but is not limited to plagiarism, multiple submissions, and/or cheating.

- Plagiarism is defined as presenting someone else's work, including the work of other students, as one's own, including AI generated content (ChatGPT).
- Multiple submissions is defined as submitting assignments that were previously submitted in another course. The use of one's previous work in an assignment requires written prior approval from the current faculty member.
- Cheating is defined as obtaining information in a dishonest manner. Obtaining and using all or part of someone else's work as your own or allowing someone else to obtain and use your work are examples of cheating.

#### **Online Identity**

Any student registered in a college course will be the same student who participates in and completes all course work. Any student who allows his/her unique username and password to be used by another individual student to complete an assignment or participation in the course will be in violation.

#### **Consequences**

If a student commits any act of academic dishonesty, the instructor may assign a zero grade on the assignment or assign a grade of "F" in the course. The instructor must file an academic dishonesty incident report describing the alleged violation with the Vice President of Curriculum and provide a copy to the student.

The student may appeal the grade assigned by the instructor if (1) the student feels the penalty is unfair or (2) the student does not agree with the evidence presented by the instructor. See the Student Appeals section for more details on the academic appeals process.

Repeated offenses of academic dishonesty will result in the student being referred to the Vice President of Curriculum.

### **FREE SPEECH AND PUBLIC ASSEMBLY**

To describe the College's policy for exercising free speech on campus:

James Sprunt Community College encourages its students and the community to exercise the right to freedom of speech granted by the First Amendment to the Constitution of the United States of America. In adherence to these rights, the College protects the rights of free speech, petition, and peaceable assembly. This policy informs members of the College community and the public of the

manner in which they may engage in constitutionally protected speech and expression at James Sprunt Community College.

This policy is intended to protect one's right to freedom of speech without interfering with the primary educational purpose of the College. Interferences include any situations which may compromise the College's ability to provide a suitable environment for students, faculty, and staff to study, conduct research, and perform activities without undue interference. Any acts that are disruptive to normal operations of the College will not be tolerated. Persons engaged in disruptive activity including students, faculty, and staff may be subject to disciplinary or due criminal action. The College has adopted the following guidelines to ensure the rights of free speech while maintaining the proper educational environment.

### **Guidelines for Speech and Public Assembly**

1. Speech and public assembly are permitted on the grounds of JSCC as long as it does not disrupt College classes or other scheduled events on campus.
2. Amplification Systems: Because amplification systems pose a significant potential for disruption of College operation, public address and amplification systems may not be used. This includes, but is not limited to, megaphones and PA systems.
3. Opposing Opinions: People with opposing opinions do not have the right to disrupt an authorized public assembly.
4. A person with an opposing opinion must not substantially interfere with the speaker's ability to communicate or the audiences; ability to hear and see the speaker. Likewise, the audience must respect someone's right to disagree.
5. Picketing is not permitted inside the College buildings or where it impacts the student learning environment.
6. Symbolic Protest: During a presentation, displaying a sign, gesturing, wearing symbolic clothing, or otherwise protesting silently is permissible so long as the symbolic protest does not unduly interfere with the ability of the person or entity reserving an area for free speech/expression to express themselves and must be confined to the designated area.

### **Conduct and Manner**

Those who exercise free speech as a part of this policy must not:

1. Threaten passers-by
2. Interfere with, impede, or cause blockage of the flow of vehicular or pedestrian traffic.
3. Interfere with or disrupt any other lawful activity in the same general location at the same time.
4. Commit any act likely to create an imminent safety or health hazard.
5. Post materials on any walls, windows, doors, sidewalks, trees, light poles, etc., or any other College equipment except in areas designated by the Director of Foundation Services.
6. Use signs or placards used in connection with the activity must not contain obscene language or words that would tend to incite violence.
7. Make record by audio or visual means (photography, video recording, etc.) of any faculty, staff, or student without obtaining written permission from the person being recorded.

Public speech or activities likely to incite or produce imminent lawless action or that is, under current legal standards, either defamatory or obscene are prohibited. Violations of the James Sprunt

Community College Student Code of Conduct are prohibited. Individuals who damage or destroy College property shall be held responsible for such damage or destruction. This includes lawns, shrubs, trees, etc.

All applicable College regulations, state, and federal laws and municipal ordinances apply when engaging in activities on College property. Failure to do so may result in immediate removal from College property and other appropriate action by College officials and/or police.

### **Interference with Free Speech or Public Assembly**

Persons shall not physically interfere in the use of the sidewalk or address obscene, indecent, or threatening language to or at individuals to provoke them or lead to a breach of the peace.

Whenever free passage is obstructed by a crowd, the persons composing such crowd shall disperse when directed by College officials, security, or police. Failure to do so may result in disciplinary action and/or criminal prosecution.

## **CAMPUS SAFETY AND SECURITY**

James Sprunt Community College seeks to provide an atmosphere of openness for the encouragement of collegiate activity on campus facilities. However, this policy of promoting openness must be balanced by controls designed to promote security on campus facilities.

The President is primarily responsible for campus security and the Director of Public Safety & Security is responsible for campus safety.

Statistics on campus crime are gathered and annually published in a document entitled “Annual Security Report”. This report is posted in the McGowen Building and is available in the Office of the Director of Public Safety & Security. It can also be found on the website at [www.jamessprunt.edu](http://www.jamessprunt.edu).

### **CHILDREN ON CAMPUS**

Children are not allowed in classes, classrooms, or labs even when accompanied by a parent. Children are also not allowed in a reception area unaccompanied by a parent or left unsupervised while a parent is in class. If a child is brought to a class, the instructor has the right to ask the student to leave the class.

### **PETS ON CAMPUS**

Employees and students may not bring live animals on campus. If there should be circumstances when any live animals are to be brought to campus for any reason, advanced approval should be received from the President’s Office. In accordance with federal and state law, individuals with disabilities may be accompanied by their service animal while on campus.

### **STUDENT APPEALS**

Student appeals may be categorized as academic appeals or non-academic appeals. Academic appeals may result from any action taken by the college which affects a student’s academic standing or the student’s academic status within the academic program. Non-academic appeals result from action taken by the college involving a student for reasons of misconduct or other action not classified under academic appeals. In situations where there is a question regarding the type of appeal (academic or

non-academic) the President will render a decision as to the type of appeal based on current practices in higher education.

### **Academic Appeals**

Any student has the right of appeal on grievances resulting from any action taken by the college which affects a student's academic standing or the student's status within the academic program. The steps below enable students to exercise this right:

1. Students first share the grievance to the instructor(s) or staff member(s) involved. An attempt is made to resolve the matter at this level. This conference should take place within ten working days of the incident that generated the concern whenever possible.
2. If the complaint is not resolved, students may present the grievance to the division Dean.
3. If the complaint cannot be resolved at the department level, students may present their grievance to the Vice President of Curriculum who may involve the Academic Affairs Committee to make a final decision. The decision of the Vice President of Curriculum will be final.

A student may remain enrolled in class at the discretion of the Vice President of Curriculum, in those cases regarding academic appeals, until such time as a decision is reached concerning the disposition of the student's appeal.

A student withdrawn from the clinical portion of a health education course may not be readmitted to the clinical area during the appeals process. Should the appeal outcome favor the student, arrangements shall be made to provide the necessary clinical experience missed by the student. See Health Education Department DISMISSAL POLICY.

If a student wishes to request an appeal, he/she must do so in writing within ten school days following the notification of the action or grade. The student has ten school days between each appeal level (i.e., between division Dean and Vice President of Curriculum). In all cases, appeals beyond the departmental level must be in writing. Burden of proof shall rest with the student to refute or disprove any fact or finding.

The Vice President of Curriculum, in those cases involving academic appeals, shall have ten school days upon proper notification of appeal to make a disposition of the appeal.

If the Academic Affairs Committee is consulted, the session shall be conducted informally by the Vice President of Curriculum. Evidence may be submitted to the committee by the student and/or appropriate faculty member(s). Neither the student nor the faculty member(s) may be represented by counsel before the Academic Affairs Committee.

### **Grade Appeal**

Students have the right to appeal an assigned **final** course grade within ten (10) working days after the grades are posted on Web Advisor. Students must follow the student procedures outlined under "Student Academic Appeals".

### **Non-Academic Appeals**

Any student has the right of appeal regarding grievances resulting from any non-academic action taken by the college. The steps below enable students to exercise this right:

1. Students should provide a written appeal of the grievance or concern to the Associate Vice President of Students Services.
2. If students disagree with the decision of the Associate Vice President of Student Services, they may request a hearing before the Student Appeals Committee.
3. If students disagree with the decision of the Student Appeals Committee, a written appeal may be made to the President. The decision of the President will be final.

If a student wishes to request an appeal, he/she must do so in writing within ten school days following the notification of the perceived inappropriate action by the college and the student has ten days between each appeal level (i.e., between Associate Vice President of Student Services, Student Appeals Committee, and President). Burden of proof shall rest with the student to refute or disprove any fact or finding.

The Associate Vice President of Student Services and the President, in those cases regarding non-academic appeals, shall each have ten school days beyond proper written notification of appeals to make a disposition of the non-academic appeal.

A student who disagrees with the decision of the Associate Vice President of Student Services may request a hearing before the Student Appeals Committee. The Student Appeals Committee shall consist of (1) Committee Chair, (2) Faculty Members, (2) Staff Members, and (1) SGA President or Officer. The request must be submitted in writing to the Associate Vice President of Student Services within 10 school days after receipt of the Associate Vice President's decision. The Associate Vice President shall refer the matter to the Student Appeals Committee with the relevant facts and findings revealed by the Associate Vice President's investigation. The Student Appeals Committee has 10 school days to render its recommendation on the student's appeal.

Each student requesting an appeal of the Associate Vice President's decision shall receive basic procedural rights such as the rights to counsel, the right to present evidence, and the right to appeal the decision of the committee to the President who will review the official record of the hearing. The request must be submitted in writing to the President within 10 school days after receipt of the committee's decision. The decision by the President is final and ends the appeals process.

The Associate Vice President of Student Services reserves the right to place a hold on any suspended/expelled student's account to prevent registration.

## **TRAFFIC REGULATIONS**

Students are expected to drive carefully, courteously and abide by all North Carolina and James Sprunt Community College traffic regulations while on campus. A speed limit of *15 miles per hour* will be observed by all vehicles while on campus. Students are expected to display the JSCC parking tag at all times.

## **STUDENT ON-CAMPUS PARKING PROCEDURES**

### **Vehicle Parking Stickers**

All JSCC students (including on-campus Continuing Education students) **must** have a parking sticker on their vehicle while on JSCC campus. In order to obtain a parking sticker, students **must** go to the Student Activities office and see the SGA Advisor. The sticker must be visible, attached on the outside

of the rear glass in the bottom left corner. Failure to do so may result in a student not being allowed to park on campus grounds. If a parking sticker is lost, misplaced, or stolen, \$5.00 **must** be paid for a duplicate at the Business Office and the receipt returned to the Student Activities office.

## **GRADUATION REQUIREMENTS**

To be eligible to graduate from an Associate Degree, Diploma, or Certificate, the program must be active with Admissions. Students may view their active programs by logging into Self-Service. All requirements must be met prior to the official graduation date of James Sprunt Community College. The requirements are:

1. Required courses and electives must be completed in accordance with one of the programs listed in the catalog with a major grade point average of at least 2.0.
2. All financial obligations to the college must be met (i.e., graduation fee, library fines, Business Office holds, etc.);
3. A grade point average of 3.50 or higher must be achieved in all courses required in the student's major in order for the student to be eligible to graduate with honors.
4. At least 25% of credit hours, with a minimum of 9 credit hours, required for completion of a credential (program) must have been earned through instruction offered at James Sprunt Community College.

### **Associate Degree Nursing and Practical Nursing Graduation Requirements**

In addition to the above Institutional Graduation Requirements, Associate Degree Nursing and Practical Nursing graduates must meet the following requirements:

1. The student must have passed the required general education courses prescribed in the curriculum with an overall grade point average of "C", and the student must have passed the required nursing course prescribed in the curriculum with a minimum grade of "C" in each course.
2. The student must have a 2.0 ("C") in each college-level science and psychology course(s).
3. The student's performance of nursing care in the clinical areas must be judged as satisfactory by the nursing faculty.

### **Intent to Graduate**

Commencement exercises are held in May for the prior summer, prior fall, and current spring graduates (Example – May 2025 will include Summer 2024, Fall 2024, and Spring 2025 graduates). For students who want to attend the commencement exercises, or just receive the diploma(s), a graduation application needs to be submitted to Student Services and graduation fees paid with the Business Office. An application link will be emailed to potential graduates from the Student Services Office each semester. The link can also be found on our website under the Registrar page. At the end of the graduation application there is a link to our Graduating Student Opinion Survey. We ask that each pending graduate complete this as well so we can see where we need to make improvements.

The final deadline to complete the graduation application and pay the fees is February 15<sup>th</sup>. If a student wants to use their Financial Aid money to cover the fees, they will need to inform the Business Office within the first two weeks of the semester they will complete the program. Students who

ordered cap and gowns for the commencement exercises are notified, usually around mid-April, when they are ready for pick up.

Upon graduation, a student's Program of Study will end. Therefore, if a student plans to continue enrollment at JSCC they must contact Admissions to add a new Program of Study.

### **STUDENT RESPONSIBILITIES**

Students are responsible for the proper completion of their academic program, for familiarity with all requirements of the curriculum from which they intend to graduate, for maintaining the grade point average required and at all times knowing their academic standing, and for meeting all other degree requirements. Their advisors will counsel them, **but the final responsibility remains that of the student.**

Students are required to have knowledge of and observe all regulations pertaining to campus life and student behavior. They are responsible for maintaining communications with James Sprunt Community College by keeping on file with the Office of Admissions at all times their current address and telephone number.

James Sprunt Community College is not responsible for damage or theft of personal items or equipment brought to on or off-campus sites.

### **STUDENT RIGHTS**

Students are free to pursue their educational goals. Appropriate opportunities for learning in the classroom and on the campus shall be provided by the college. Student performance will be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

Students have the right to freedom of expression, inquiry, and assembly without restraint or censorship subject to reasonable and non-discriminatory rules and regulations regarding time, place, and manner.

Students have the right to inquire about and to propose improvement in policies, regulations and procedures affecting the welfare of students through established student government procedures, campus committees, and college officers.

The Family Educational Rights and Privacy Act of 1974 provides safeguards regarding the confidentiality of an access to student records, and this Act will be adhered to by the college. See the section on "Student Records" for further information.

No disciplinary sanctions other than temporary removal from class or an activity may be imposed upon any student without due process. Due process procedures are established to guarantee a student accused of a student code of conduct violation the right of a hearing, a presentation of charges, evidence for charges, the right to present evidence, the right to have witnesses on one's behalf and to hear witnesses on behalf of the accuser(s), the right to counsel, and the right to appeal.

## PERFORMANCE MEASURES AND STANDARDS

### Performance Measures Overview

The Performance Measures for Student Success Report is the North Carolina Community College System's major accountability document. This annual performance report is based on data compiled during the previous year and serves to inform colleges and the public on the performance of our 58 community colleges.

In 1993, the State Board of Community Colleges began monitoring performance data on specific measures to ensure public accountability for programs and services. In 1998, the General Assembly directed the State Board to review past performance measures and define standards to ensure programs and services offered by community colleges in North Carolina were of sufficient quality.

In 2010, a review process was established to ensure the measures for evaluating colleges were current and remained focused on improving student success. Every three years, a committee that is inclusive of college leaders, subject matter experts, and research and assessment professionals are appointed to review the measures and recommend deletions, revisions, and additions. Recommendations from the most recent review were approved in 2021.

The current list of measures includes:

1. **Basic Skills Student Progress:** To ensure individuals with low literacy skills are progressing academically toward credential or employment.
2. **Student Success Rate in College-Level English Courses:** To ensure students are successfully completing a credit-bearing English courses within their first three academic years.
3. **Student Success Rate in College-Level Math Courses:** To ensure students are successfully completing a credit-bearing Math courses within their first three academic years.
4. **First Year Progression:** To ensure first-year students are making progress toward credential completion.
5. **Curriculum Completion:** To ensure student completion and/or persistence toward a post-secondary credential in a timely manner.
6. **Licensure and Certification Passing Rate:** To ensure programmatic coursework prepares students to competently practice in their chosen profession.
7. **College Transfer Performance:** To ensure the academic success of community college students at a four-year college or university.

For more information, please go to the North Carolina Community College System website at: <https://www.ncccommunitycolleges.edu/analytics/state-and-federal-reports>

## STUDENT LIFE

### STUDENT SERVICES

The purpose of Student Services Division is to design and implement services and programs for students which enable them to meet their short-term and long-term educational or training goals. These services and programs include counseling, registration, admissions, testing, financial aid, tutoring, recruitment/retention, employable skills training, Federal TRIO programs, and facilitating the Student Government Association (SGA). Students who take advantage of those services and programs are better equipped to achieve stated goals.

Active participation in extracurricular activities is encouraged as it provides students with many opportunities for leadership and personal growth and enables them to become aware of their fullest potential. Students will not be excluded from membership in any organization because of race, color, religion, age, sex, disability, natural origin, political affiliation, sexual orientation, gender identity, veteran status or genetic information.

### **COUNSELING**

Counseling services provide access to the resources and supports that are critical to student success by assisting students with personal, career, and academic decisions. The following types of counseling services are offered to all prospective and current students: admissions counseling, academic and educational planning, personal counseling and referrals, and career planning. Counselor offices are in the Strickland building, Student Services suite. Students are welcome to walk-in or make appointments by contacting the counselors at (910) 275-6265 or (910) 275-6367.

### **TESTING**

The following types of testing are offered:

- Placement test (as needed)
- HISET (paper-based)
- Proctored test
- GED (computer-based)
- Career Inventories
- TEAS
- SAT

### **CAREER SERVICES**

It is the mission of Career Services to empower students to identify their unique talents and skillsets. Career Services also provides the tools for students to conduct a successful job search. Students have access to an array of comprehensive services, which includes an ongoing workshop series, individual career counseling, career assessment, the annual Job Fair, and other activities. Career workshops are offered throughout the spring and fall and are open to all students.

Students also have access to individual career counseling sessions. This is particularly helpful to students who need assistance in selecting a program of study. The Counselors meet with students to determine their interests and strengths. Career assessment is offered through both the College Foundation of NC and the NC Career Clusters Guide. Both assessment services are free of charge. For students who need personalized resume review, the Counselors assist students in the editing process.

The Counselor for Career Planning coordinates the annual Job Fair for students and the community. The purpose of the fair is to connect students with local employers. The employers who attend represent the diverse industries of Duplin County and the surrounding area. Some employers conduct on-site interviews during the fair, and attendees have the opportunity to apply on-site. The fair is open to both students and the larger community.

Furthermore, job postings are updated weekly and can be viewed on the JSCC online job board. The online job board is accessible on the Counseling & Career Services webpage. The Counselor for Career Planning also shares the openings with various departments and members of the job board listserv.

## **FACULTY ADVISOR**

Each student will be assigned an advisor in his/her primary program of study who will assist in planning a schedule to meet his/her educational needs and counsel with him/her concerning any related problems that may arise. Students are encouraged to visit their advisor throughout the semester. Full-time faculty have regular office hours each week to meet with students. The days and times are posted on office doors. Advisors may be available at other times by appointment.

## **STUDENT RECORDS**

The Family Educational Rights and Privacy Act of 1974 is a Federal law which states (a) that a written institutional policy must be established and (b) that a statement of adopted procedures covering the privacy rights of students are made available. The law provides that the college will maintain the confidentiality of student educational records. Educational information refers to any record maintained by an educational institution, including files, documents, and materials of any type which contain information directly related to students, and which allows a student to be identified.

James Sprunt Community College accords all the rights under the law to students who are declared independent. No one outside the College shall have access to nor will the college disclose any information from students' educational records without the written consent of students except to personnel within the college, to officials of other institutions in which students seek to enroll, to persons or organizations providing student financial aid, to accrediting agencies carrying out their accreditation function, to persons in compliance with a lawfully issued judicial or Ex Parte order under the USA Patriot Act, to persons in an emergency in order to protect the health or safety of students or other persons, to individuals requesting directory information so designated by the College, to a victim or to institutions of postsecondary education in connection with disciplinary proceedings, to officials as deemed necessary in connection with an audit or evaluation or certain state or federally supported education programs, to parents of an eligible student who is claimed as a dependent for income tax purposes, to the student, to the parent of a student regarding any violation governing the use or possession of alcohol or controlled substance if the student is under the age of 21, and related to sex offenders and other individuals required to register under the Violent Crime Control Act of 1994. All of these exceptions are permitted under the Act.

Within the James Sprunt Community College community, only those members, individually or collectively, acting in the student's educational interest are allowed access to student educational records. These members include a person employed by the College in an administrative, supervisory, academic or research or support staff position, including health or medical staff; a person elected to the Board of Trustees; a person employed by or under contract to the College to perform a special task, such as the attorney or auditor; a person who is employed by the College for law enforcement purposes; a student serving on an official committee, such as a disciplinary or grievance committee, or who is assisting another school official in performing his or her tasks; a contractor, consultant, volunteer, or other party to whom an agency or institution has outsourced institutional services or funding. At its discretion the college may provide Directory information in accordance with the provisions of the Act to include: Student name, address, telephone number, electronic mail address, photograph, date of birth, major field of study, dates and/or days of attendance, enrollment status,

educational agency or institution attended by the student, participation in officially recognized sports and activities, honors and awards received (includes Dean's and President's Lists), and degrees conferred. Students may release or withhold Directory information by notifying the Registrar in writing within two weeks after the first day of class for a fall term or for the first term in which the student is enrolled.

***Request for disclosure*** - To allow communication regarding your records, for designated individuals, a Student Release Authorization Form will need to be on file with Student Services. Without this form we will not be able to discuss anything other than directory information.

***Request for non-disclosure*** - To deny communication regarding directory information a Request to Withhold Directory Information form needs to be with Student Services. To reverse this a Request to Release Directory Information will need to be completed with Student Services. The college assumes that failure on the part of any student to file a request for nondisclosure indicates approval for disclosure.

The student's current record typically contains the application, transcript(s), transfer credit evaluation (if applicable), test scores, registration forms, grade reports, and may contain some financial aid information. Requests to review educational records shall be made in writing by the student to the Associate Vice President of Student Services. The law provides students with the right to inspect and review information contained in their education records, to challenge the contents of their education records, to have a hearing if the outcome of the challenge is unsatisfactory, and to submit explanatory statements for inclusion in their files if they feel the decisions of the hearing panels to be unacceptable. The Registrar at James Sprunt Community College has been designated by the College to coordinate the inspection and review procedures for student education records, which include admissions, personal, academic, and financial files, and academic, cooperative education, and placement records. Students wishing to review their education records must make written request to the Registrar listing the item or items of interest. Only records covered by the Act will be made available within forty-five days of the request. Any additional information concerning the Family Educational Rights and Privacy Act of 1974 may be obtained in the Registrar's Office.

### **RETENTION AND DISPOSITION OF RECORDS**

James Sprunt Community College's Student Services Records Retention and Imaging policy is maintained by the Registrar's Office. All records are digitized and kept for their required time periods, per this policy. Digital records are kept on campus and backed up at an off-site location.

### **HOUSING**

The college does not have dormitory facilities. Students wishing to live away from home must arrange their own accommodations.

### **STUDENT HEALTH SERVICES**

The college does not provide medical, hospital, or surgical services. Medical services are available at the emergency room in the nearby Vidant Duplin Hospital in Kenansville. Ambulance service will be available upon request. A doctor is on call 24 hours a day at the hospital.

All students are covered under a group accident policy funded by student activity fees and vending revenues. Contact the Associate Vice President of Student Services for information. All Health Education students at the college will carry individual liability insurance paid for by the individual. First aid kits are located in the Student Services Office and in the shop areas for minor treatment.

## **STUDENT ORGANIZATIONS**

The following are some of the organizations active on campus. Other student organizations may be available for membership and will be made available to students in the fall of each year.

### **Ambassador Program**

The James Sprunt Community College Ambassador Program consists of an honorary group of students who have been nominated by faculty and staff to represent the college at special events on campus and in the community. Each Ambassador must have completed a successful interview with the screening committee, be a full-time student, and be in good standing with the college. Contact the James Sprunt Community College Foundation at (910) 275-6152 or (910) 275-6135 for further information.

### **E-Sports**

E-Sports is a type of sport where gamers practice and compete against other gamers on online platforms. Members will gather to hold competitions for online computer and console games, and will be placed into teams against each other online and in person. Contact Sally Schmitt at (910) 275-6305.

### **Phi Theta Kappa**

James Sprunt Community College instituted a chapter of Phi Theta Kappa, an international honor society for two-year colleges, in 1995. In 1929, Phi Theta Kappa was designated as the official honor society of America's two-year colleges by the American Association of Community and Junior Colleges. To be eligible for this honor, a student must be enrolled in a two-year college, have completed at least twelve hours of course work towards an associate degree, have a grade point average of at least 3.50, have established a record of academic excellence, be of good moral character and possess qualities of good citizenship. Contact Anne Kennedy at (910) 275-6255, Cara Simmons at (910) 275-6313, or San Solu at (910) 275-6224 for further information.

### **Social-Behavioral Science Club**

This organization works toward the overall health of the community. Members intend to spread awareness of, show support for, and guide those who are struggling with various issues including social, environmental, mental and behavioral. The aim is to be a light in the darkness providing support to our community through service and volunteer work. Members will expand on and increase knowledge of local and global issues. Contact Cara Simmons at (910) 275-6313 or Stephanie Voris at (910) 275-6319.

### **Spartan Cosmetology Club**

This is a student-run organization that provides a platform for individuals passionate about the beauty industry to explore, learn and connect. It will enable them to foster a collaborative

environment for learning and networking among students, professionals and industry experts, and to cultivate a sense of community and camaraderie among members. Contact Andrenna Johnson at (910) 275-6298 or Arbelia Guerra Gaona at (910) 275-6257.

### **Spartan Spirit Innovation Club**

This is a student-led organization in which new ideas are developed and expressed in a creative environment to strengthen Spartan Skills and to encourage students to engage in the total college experience. Contact Colleen Kehoe-Robinson at (910) 275-6332, Krisha Parker at (910) 275-6326, Nicole Banks at (910) 275-6368, or Amanda Jasinski at (910) 275-6295.

### **Student Government Association**

The Student Government Association (SGA) provides students with practical experience in responsible democratic citizenship through participation in a program of self-government. The SGA is designed to promote the general welfare of the college in a democratic fashion and to facilitate communication between the student body, the faculty, the staff, and the administration. This organization provides a means through which students can promote interest in student activities both on and off campus. Contact Tonda Clowney, (910) 275-6361, for further information.

### **Women of Tomorrow**

This organization seeks to improve the quality of life for female students at James Sprunt Community College. By preparing students for responsible citizenship and success, we will help transform our educational environment and strengthen the academic, professional, social, and economic development in our communities. Monthly seminars are held to cover: goal setting, time management, career planning, budgeting, study skills, and mentoring. Please contact Ashley Graham at (910) 275-6317, Mary Ann Simmons at (910) 275-6320, Kelli Jacobs at (910) 275-6316 or Kris'T Sloan at (910) 275-6318 for more information.

## **BOOKSTORE**

The James Sprunt Community College bookstore is owned by the College and operated by Follett for the convenience of students, faculty, and staff. It is operated as a self-supporting department of the school. College textbooks and supplies are handled at the bookstore under the following policies and procedures:

**Sales Returns**—Sales returns will be made only under the following circumstances:

1. A defective book is sold.
2. A book is sold to the student through error by college personnel.
3. A book is returned within two weeks following registration day.

ALL RETURNED TEXTBOOKS MUST BE IN ORIGINAL CONDITION AND ACCOMPANIED BY A SALES RECEIPT.

Upon accepting a sales return, the sales personnel will ascertain whether the book was sold for cash or on a third-party account. If the book was sold on a third-party account, credit will be made to the account.

## **DRESS**

Students are expected to maintain good personal dress and hygiene that is consistent with college life and/or industry. Students are expected to conform to regulations concerning special dress, grooming, and safety devices as required by the college. A student's dress should not be distracting to the educational environment as determined by college officials.

## **STUDENT PARTICIPATION IN SCHOOL ACTIVITIES**

Students are encouraged to participate in institutionally sanctioned activities. It is recognized that the participation in extra-curricular activities is of paramount importance to the total education of the student. Nevertheless, guidelines should be established which may aid both the student and the faculty/staff in establishing the acceptable limits of participation. The following items are established as the general guidelines affecting student participation in school-sanctioned activities:

1. The student must remain in good academic standing as indicated by the current institutional catalog.
2. Students must obtain prior approval from each instructor to be excused from class. Events will be publicized in advance.
3. It is expected that activities scheduled by the college will be held during times which conflict less with scheduled classes.
4. A student may be excused for sanctioned student activities for no more than 20 percent of classes of each course in which he/she is enrolled each semester. Students are responsible for all materials and work missed.

## **STUDENT ACTIVITIES**

Each student is given the opportunity to participate in extra-curricular activities. James Sprunt Community College encourages each student to participate in the events provided for them.

## **STUDENT IDENTIFICATION POLICY**

### **Identification (ID) Cards**

ALL JSCC students must obtain a JSCC photo identification (ID) card regardless as to whether they are online students or in-person students. Students must present one form of government issued photo identification and their class schedule at the time the ID card is made. Cards for all students are issued in the Student Activities Office (Strickland Center) at registration and as needed.

JSCC ID cards must be visible at all times while on campus and under no circumstances should they be altered or lent to another person. Presentation of the ID card is required for identification or participation in various student activities or events. Persons who do not have proper identification may be asked to leave campus. Students who withdraw before the semester ends must turn their ID cards into the SGA Office.

Lost ID cards must be replaced, and a fee of \$5.00 is charged for each duplicate card. Students will need to pay the fee at the Business Office and bring the receipt to the Student Activities Office to have an ID card replaced.

"JSCC student" defined as to this policy is a student who attends James Sprunt Community College for at least five (5) consecutive days."

### **Purpose**

- a. To enhance the safety and security of all individuals on James Sprunt Community College's campuses, ALL students will be required to obtain a photo identification card regardless as to whether they are online students or in-person students.
- b. This student ID will serve as the official means of identification for James Sprunt Community College.
- c. Unless a student loses/misplaces their ID card, it will only need to be issued once.
- d. The first issued student ID is FREE. All replacements will cost \$5.00.
- e. The student ID must be visible at all times while on campus.
- f. The ID is good for two years from date of issue. If student is still taking classes after that time, the ID will be updated with a current date of issue at no cost.
- g. Individuals not wearing proper identification will be asked what business they have on campus. If the answer is satisfactory (i.e. potential applicant filing for admissions/financial aid, visitors on campus tour), that individual will be allowed to continue with his or her business and immediately leave campus upon completion of that business.

### **Scope**

- a. JSCC students will be required to obtain a student ID card before attendance verification, as faculty will not allow a student to attend class without an ID past this date.
- b. Dates and times of ID drives will correspond with this time frame and will be announced at the beginning of each term.

### **Photo ID Policy**

- a. Students will be required to present one form of government-issued photo identification before an ID card is issued.
- b. For ID pictures, James Sprunt Community College requires individuals to remove any items not worn as part of their daily appearance (i.e., prescription eyeglasses). The only exceptions are items worn for cultural or religious purposes.
- c. All bandanas, hats, sunglasses, visors, etc. are to be removed before picture is taken.

## **HONORS AND AWARDS**

### **President's List**

A student who has earned a grade point average of 4.0 (all "A"s) and has earned a minimum of 12 semester hours of credit in any one semester will qualify for the President's List. Grades of "CS" and "I" will exclude a student from this list.

### **Dean's List**

A student who has earned a grade point average of 3.50-3.99 and has earned a minimum of 12 semester hours of credit in any one semester with no grade below a "B" will qualify for the Dean's List. Grades of "CS" and "I" will exclude a student from this list.

### **Highest Honor Student—Associate Degree Programs**

This award is given to the graduating student in an associate degree program who has earned the highest grade point average in all class work required in the student's major at James Sprunt Community College.

**Highest Honor Student—Diploma Programs**

This award is given to the graduating student in a diploma program who has earned the highest grade point average in all class work required in the student's major at James Sprunt Community College.

**Faison W. McGowen Scholarship Award**

This award is given to the graduating student who, in the opinion of the James Sprunt Community College faculty, has best exemplified the characteristics of scholarship, leadership, and citizenship, and has steadfastly stood as a true example of the spirit of James Sprunt Community College.

Student Success Center  
Student Support Services  
Talent Search Project  
Upward Bound Program  
Work-Based Learning

\* Any student who does not demonstrate adequate proficiency in reading, mathematics, and English will be required to take RISE (Developmental English and math) courses.

\*\* This program is offered through a collaborative agreement with one or more colleges. Please see section on Collaborative Programs in the "Programs of Study" section in this catalog for further information.

## ASSOCIATE IN APPLIED SCIENCE DEGREE PROGRAMS

### ACCOUNTING & FINANCE

#### Associate in Applied Science Degree

#### A25800

#### CURRICULUM DESCRIPTION

The Accounting curriculum is designed to provide students with the knowledge and the skills necessary for employment and growth in the accounting profession. Using the “language of business,” accountants assemble, analyze, process and communicate essential information about financial operations.

In addition to course work in accounting principles, theories, and practice, students will study business law, finance, management, and economics. Related skills are developed through the study of communications, computer applications, financial analysis, critical thinking skills, and ethics.

Graduates should qualify for entry-level accounting positions in many types of organizations including accounting firms, small businesses, manufacturing firms, banks, hospitals, school systems, and governmental agencies. With work experience and additional education, an individual may advance in the accounting profession.

## AGRIBUSINESS TECHNOLOGY

### Associate in Applied Science Degree

#### A15100

#### CURRICULUM DESCRIPTION

These curriculum are designed to provide the entrepreneurial and technical skills necessary to manage a profitable, environmentally sound, community based small farm or agricultural business. The objective is the development of a workforce knowledgeable in sustainable agricultural practices.

Students will learn the fundamentals of agriculture, focusing on crop production and business. Emphasis is placed on entrepreneurial and field training. Students will also learn the basic principles of our economic system and government policies and programs relating to agriculture.

Graduates should qualify for a variety of jobs in agricultural businesses such as equipment, feed, and agricultural supply sales, store management, farm operations, wholesale and retail produce management, nursery operations, and environmental and agricultural education.

This program prepares individuals to manage agricultural businesses and agriculturally related operations within diversified corporations. Potential course work includes instruction in agriculture, agricultural specialization, business management, accounting, finance, marketing, planning, human resource management, and other managerial responsibilities.

## AGRICULTURE EDUCATION

### Associate in Applied Science Degree

#### A15330

#### CURRICULUM DESCRIPTION

These curriculum are designed to provide the entrepreneurial and technical skills necessary to manage a profitable, environmentally sound, community based small farm or agricultural business. The objective is the development of a workforce knowledgeable in sustainable agriculture practices.

Students will learn the fundamentals of agriculture, focusing on crop production and business. Emphasis is placed on entrepreneurial and field training. Students will also learn the basic principles of our economic system and government policies and programs relating to agriculture.

Graduates should qualify for a variety of jobs in agricultural businesses such as equipment, feed, and agricultural supply sales; store management; farm operations; wholesale and retail produce management; nursery operations; and environmental and agricultural education.

This program is designed to provide students with agriculture and education foundation courses. Course work focuses on the foundational aspects of agriculture and education theory. Students will be introduced to classroom theory and management as well as soil, plant, and animal science. This curriculum will provide students with the knowledge and skills to be eligible to become extension agents, farm management specialists, 4-H specialists, crop service representatives, agri-tourism tour guides or work in agriculture sales, or environmental community education programs. Successful completion of the program will provide students with an opportunity to articulate their coursework to university programs in Agriculture Education.

## APPLIED ANIMAL SCIENCE TECHNOLOGY

### Associate in Applied Science Degree

#### A15280

#### CURRICULUM DESCRIPTION

This curriculum is designed to prepare students for careers in the production, processing, and distribution of livestock, swine, and poultry and their products according to scientific principles essential to efficient and profitable operation.

Students should learn skills necessary for the operation of efficient and profitable livestock, swine, and poultry enterprises. Coursework includes production practices, animal health, nutrition, reproduction, and management.

Graduates are qualified for entry-level jobs as herd or flock managers, field service persons, feed salespersons, equipment salespersons, feed mill workers, buyers of poultry and livestock, owners/operators, farm managers, department supervisors, field service representatives, and waste management technicians.

This program prepares individuals to select, breed, care for, process, and market livestock and small farm animals. Potential coursework includes instruction in basic animal science, animal nutrition, and animal health as applied to various species and breeds; design and operation of housing, feeding and processing facilities; and related issues of safety, applicable regulations, logistics, and supply.

**ASSOCIATE DEGREE NURSING**  
**Associate in Applied Science Degree**  
**A45110**

**CURRICULUM DESCRIPTION**

The Associate Degree Nursing curriculum provides knowledge, skills, and strategies to integrate safety and quality into nursing care, to practice in a dynamic environment, and to meet individual needs which impact health, quality of life, and achievement of potential.

Coursework includes and builds upon the domains of healthcare, nursing practice, and the holistic individual. Content emphasizes the nurse as a member of the interdisciplinary team providing safe, individualized care while employing evidence-based practice, quality improvement, and informatics.

Graduates of this program are eligible to apply to take the National Council Licensure Examination (NCLEX-RN). Employment opportunities are vast within the global healthcare system and may include positions with acute, chronic, extended, industrial, and community healthcare facilities.

**Associate Degree Nursing Admission Procedures**

In order to be considered for admission into the Associate Degree Nursing Program, the applicant must have a current JSCC application on file, a separate nursing program application on file, and all admission criteria met by February 1st of each year for consideration for the following fall semester. Forty students are accepted into the program and ranked according to scores on selection criteria.

Applications submitted after the deadline may be considered if space is available. (Interested applicants should contact JSCC's Health Education Department or refer to our website for a current Program Application Packet.)

Students may apply for only one of the Health Education Programs (ADN or PN). New applicants:

1. Applicants to the Associate Degree Nursing Program must take the ATI-TEAS admissions test and score the current national average for reading comprehension and essential math skills. The ATI- TEAS admissions test may be taken only three times in a twelve-month period. Test dates must be a minimum of sixty days apart. Scores older than 5 years will not be accepted. Applicants should contact Student Services for testing information.
  - **Applicants may be required to take the RISE placement test. (See below.)** Call Student Services at (910) 275-6360 to register for the test (if needed). If placement tests were completed at another college, request that official scores be sent to the Admissions Office at P.O. Box 398, Kenansville, NC 28349 (placement test scores will not be sent with the official transcript unless specifically requested).
2. Applicants must have a High School Diploma or the equivalent. Applicants should submit a copy of their High School transcript and GED scores if applicable. High School seniors may apply for provisional acceptance pending completion of high school requirements and graduation. High School students should contact the Health Education Department for information.
3. Applicants must meet minimum English and math requirements through one of the following:
  - An unweighted U.S. high school GPA or Adult High School (AHS) GPA of 2.8 or greater.

- Transferable credit in English and math (you will need to submit official transcripts to student services in order to receive a transcript evaluation of your prior college coursework.)
- An associate degree or higher
- SAT or ACT scores within the last ten years that would allow for placement into ENG 111 and placement out of transition math.
- GED completion since 2014 with a minimum score of 165 on all subject tests.
- HiSET completion since 2014 with a minimum score of 15 on all subject tests and a minimum score of 4 on the essay.
- Completion of RISE, NCDAP, Accuplacer, Compass, or Asset placement test within the last ten years that would place into ENG 111 and placement out of transition math. If the placement test was taken at another college, you would need to submit an official score report to student services.
- Exemption from developmental courses or completion of developmental courses with a Passing (P) grade. These developmental courses include:
  - DRE 096-098 or
  - ENG 002 (P2) or
  - ENG 002 (P1) and ENG 011 or
  - DMA 010-050 or
  - MAT 003 (P2) or
  - MAT 003 (P1) and MAT 043 or
  - MAT 003 (P1) and MAT 052

If placement tests were completed at another college, request that official scores be sent to the Admissions Office at P.O. Box 398, Kenansville, NC 28349 (placement test scores will not be sent with the official transcript unless specifically requested). Placement test scores other than RISE and completed DRE and DMA courses are only good for ten years unless a college-level English and Math course is completed within the ten-year period. Rise placement test scores are good for ten years

4. Be in good academic standing with a minimum cumulative GPA of 2.00.
5. Satisfactory completion (with a grade of “C” or better) within ten (10) years of the program start date of high school chemistry or its equivalent is required for entry into Associate Degree Nursing. “Equivalent” means: (1) a college-level chemistry course, (2) CHM 092 at James Sprunt Community College, or (3) a comparable chemistry course at any other accredited educational institution. Satisfactory completion of chemistry is required prior to being considered for admission into the Associate Degree Nursing Program.
6. Satisfactory completion (with a grade of “C” or better) within ten (10) years of the program start date of high school biology or its equivalent is required for entry into Associate Degree Nursing. “Equivalent” means: (1) a college-level biology course, (2) BIO 090 at James Sprunt Community College, or (3) a comparable biology course at any other accredited educational institution. Satisfactory completion of biology is required prior to being considered for admission into the Associate Degree Nursing Program.
7. Applicants will be notified of their selection for provisional acceptance. The following will be required for students to complete by the specified date after being provisionally accepted:

- A. Evidence of a complete physical examination completed on the institutional form and dated within one year of acceptance. Evidence of sound physical and mental health should be validated on the form provided. Immunizations must be completed and documented as required on the medical form and based on clinical requirements for the Associate Degree Nursing Program.
- B. Completion of current American Heart Association Basic Life Support (BLS) Provider Level of CPR certification.
- C. Completion of required Criminal Background Check and Drug Screening required by Clinical Agencies. NOTE: If a clinical agency denies student placement based on a review of the results, the student will be unable to progress in the program. (Information provided upon provisional acceptance.)
- D. Show evidence of current student liability insurance required for clinical experiences. This is renewed annually during Fall Semester.

### **Transfer Students**

Students who wish to transfer from another institution to the James Sprunt Community College Associate Degree Nursing Program must:

- A. Transfer from a state-approved program.
- B. Meet all the admission criteria for generic students.
- C. Schedule a meeting with the Dean of Health Education at least 2 semesters in advance of the desired transfer date.
- D. Complete and submit Transfer Application to JSCC Nursing Program. (This will be provided at the time of the scheduled meeting with the division Dean.)
- E. Submit copies of course syllabi/outlines to the division Dean for review upon request.
- F. Have a letter of recommendation from the clinical nursing faculty who taught the student in the last nursing course.
- G. Pass a comprehensive exam from the content of the course(s) prior to the one to which the student is requesting transfer with a minimum grade of 80 and demonstrate competency of skills.

All decisions regarding the transfer will be made by the Health Education Admissions Committee after all required documents are submitted.

### **Progression Policy**

In order to progress through the Associate Degree Nursing Program, a student must meet the following criteria:

1. A minimum grade of "C" in each nursing, biology, English, computer, and psychology course is required prior to entering the next nursing course, and a grade of "C" or better is required in NUR 213 prior to graduation.
2. Students must be enrolled in BIO 168, ACA 122, PSY 150, and NUR 117 concurrently with NUR 111 unless they have completed them prior to entering NUR 111.
3. Students must be enrolled in BIO 169 and PSY 241 concurrently with NUR 112 and NUR 211 unless they have completed them prior to entering NUR 112.
4. Students must be enrolled in CIS 110 concurrently with NUR 113 unless they have completed them prior to entering NUR 113.

5. Students must be enrolled in ENG 111 concurrently with NUR 114 and NUR 212 unless they have completed them prior to entering NUR 114.
6. Students must be enrolled in ENG 112 and a humanities/fine arts elective concurrently with NUR 213 unless they have completed them prior to entering NUR 213.
7. A student may repeat a nursing course only upon approval of the Health Education Admissions Committee.
8. Any student who is interrupting his/her nursing studies is encouraged to schedule an exit interview with the Dean of Health Education to discuss readmission options. This includes voluntary and involuntary withdrawals.

### **Readmission Policy and Procedures**

A student who wishes to be considered for readmission to the Associate Degree Nursing Program must complete an Application for Readmission to the ADN program (provided upon request). This request for consideration of readmission must be received by the end of the next semester following the interruption of studies. Readmission to the nursing program will be limited to a maximum of one (1) time. The student requesting readmission must complete the following readmission requirements:

1. Meet current admission criteria.
2. Meet the requirements of the progression policy listed above.
3. Submit a letter of recommendation from a faculty member for the clinical components of the course in which the student was not successful. A letter must be requested prior to the end of the next semester following the interruption of studies.
4. Pass a comprehensive exam from the content of the course(s) prior to the one to which the student is requesting readmission with a minimum grade of 80 and demonstrate competency skills.
5. After provisional acceptance is granted, the student must complete the following before enrollment in the program:
  - a) Submit an updated physical statement showing evidence of sound physical and mental health, including any required testing and immunizations required by clinical agencies.
  - b) Submit evidence of current American Heart Association BLS Provider Level CPR certification.
  - c) Submit completion of current Criminal Background Check and Drug Screening required by clinical agencies.

Failure to complete any of these requirements will jeopardize readmission to the ADN program.

### **Advanced Placement Credit for Licensed Practical Nurses (LPNs)**

Currently, Licensed Practical Nurses (LPNs) interested in this opportunity should contact the Health Education Department for information and an application.

### **Involuntary Withdrawal from Health Education Programs**

In the event that a health education student's behavior represents a potential hazard to patient care in the clinical area and/or the student demonstrates unsafe practice in the clinical area, the student will be withdrawn by the faculty from the course. This may occur at any time during the semester. The student may be readmitted only upon the recommendation of the nursing faculty. **See sections on Academic Standards for Health Education Department Dismissal Policy and Probation Policy.**

**BUSINESS ADMINISTRATION**  
**Associate in Applied Science Degree**  
**A25120**

**CURRICULUM DESCRIPTION**

The Business Administration curriculum is designed to introduce students to the various aspects of the free enterprise system. Students will be provided with a fundamental knowledge of business functions and processes, and an understanding of business organizations in today's global economy.

Course work includes business concepts such as accounting, business law, economics, management, and marketing. Skills related to the application of these concepts are developed through the study of computer applications, communication, team building, and decision making.

Through these skills, students will have a sound business education base for lifelong learning. Graduates are prepared for employment opportunities in government agencies, financial institutions and large to small business or industry.

## COSMETOLOGY

### Associate in Applied Science Degree

**A55140**

#### **CURRICULUM DESCRIPTION**

The Cosmetology curriculum is designed to provide competency-based knowledge, scientific/artistic principles, and hands-on fundamentals associated with the cosmetology industry. The curriculum provides a simulated salon environment which enables students to develop manipulative skills.

Course work includes instruction in all phases of professional imaging, hair design, chemical processes, skin care, nail care, multi-cultural practices, business/computer principles, product knowledge and other selected topics.

Graduates should qualify to sit for the State Board of Cosmetic Arts examination. Upon successfully passing the State Board exam, graduates will be issued a license. Employment is available in beauty salons and related businesses.

## DIESEL AND HEAVY EQUIPMENT TECHNOLOGY

### Associate in Applied Science Degree

A60460

#### Curriculum Description

The Diesel and Heavy Equipment Technology curriculum prepares individuals to apply technical knowledge and skills to repair, service, and maintain diesel engines in vehicles such as Heavy Duty Trucks over one ton classification, buses, ships, railroad locomotives, and equipment; as well as stationary diesel engines in electrical generators and related equipment. The program provides an introduction to transportation industry careers and increases student awareness of the diverse technologies associated with this dynamic and challenging field.

Course work may include transportation systems theory, braking systems, climate control, design parameters, drive trains, electrical/electronic systems, engine repair, engine performance, environmental regulations, materials, product finish, safety, steering/suspension, transmission/transaxles, and sustainable transportation, depending on the program major area chosen.

Graduates of this program should be prepared to take professional licensure exams, which correspond to certain programs of study, and to enter careers as entry-level technicians in the transportation industry.

**A55220CT-Career/Terminal Track**  
**A55220NL-Transfer/Non-Licensure Track**  
**A55220TL-Transfer/Licensure Track**

**CURRICULUM DESCRIPTION**

The Early Childhood Education curriculum prepares individuals to work with children from birth through eighth grade in diverse learning environments. Students will combine learned theories with practice in actual settings with young children under the supervision of qualified teachers.

Course work includes child growth and development; physical/nutritional needs of children; care and guidance of children; and communication skills with families and children. Students will foster the cognitive/language, physical/ motor, social/emotional, and creative development of young children.

Graduates are prepared to plan and implement developmentally appropriate programs in early childhood settings. Employment opportunities include child development and child care programs, preschools, public and private schools, recreational centers, Head Start Programs, and school age programs.

Early Childhood Education is a program that prepares individuals to promote child development and learning, work with diverse families and children, observe, document and assess to support young children and families, use content knowledge to build meaningful curriculum, and use developmentally effective approaches in collaboration with other early childhood professionals. Potential course work includes instruction in all areas of child development such as emotional/social/health/physical/ language/communication, approaches to play and learning, working with diverse families, and related observations/student teaching experiences. Students will select a track that best meets their goals.

**ELECTRICAL SYSTEMS TECHNOLOGY**  
**Associate in Applied Science Degree**  
**A35130**

**CURRICULUM DESCRIPTION**

This curriculum is designed to provide training for persons interested in the installation and maintenance of electrical systems found in residential, commercial, and industrial facilities.

Coursework, most of which is hands-on, will include such topics as AC/DC theory, basic wiring practices, programmable logic controllers, industrial motor controls, applications of the National Electric Code, and other subjects as local needs require.

Graduates should qualify for a variety of jobs in the electrical field as an on-the-job trainee or apprentice assisting in the layout, installation, and maintenance of electrical systems.

**GRAPHIC DESIGN**  
**Associate in Applied Science Degree**  
**A30100**

**CURRICULUM DESCRIPTION**

The Graphic Design curriculum is designed to provide students with the knowledge and skills necessary for employment in the graphic design profession which emphasizes design, advertising, marketing, and illustration for printed and digital media.

Students will be trained in the creative process and application of design principles for advertisements, branding, corporate identity, layouts, typography, visual assets, custom graphics, self-promotional material, and preparation of files for printed and digital distribution.

Graduates should qualify for employment opportunities with design, branding, advertising agencies, signage and printing companies, organizations with in-house marketing operations, freelance work, and entrepreneurial opportunities.

## INDUSTRIAL SYSTEMS TECHNOLOGY

### Associate in Applied Science Degree

#### A50240

#### CURRICULUM DESCRIPTION

The Industrial Systems Technology curriculum is designed to prepare or upgrade individuals to safely service, maintain, repair, or install equipment. Instruction includes theory and skill training needed for inspecting, testing, troubleshooting, and diagnosing industrial systems.

Students will learn multi-craft technical skills in print reading, mechanical systems maintenance, electricity, hydraulics/pneumatics, welding, machining or fabrication, and includes various diagnostic and repair procedures. Practical application in these industrial systems will be emphasized and additional advanced course work may be offered.

Upon completion of this curriculum, graduates should be able to individually, or with a team, safely install, inspect, diagnose, repair, and maintain industrial process and support equipment. Students will also be encouraged to develop their skills as life-long learners.

**INFORMATION TECHNOLOGY**  
**Information Systems**  
**Associate in Applied Science Degree**  
**A25590IS**

**CURRICULUM DESCRIPTION**

The Information Technology (IT) curriculum prepares graduates for employment in the technology sector as designers, testers, support technicians, system administrators, developers, or programmers who use computer software and/or hardware to design, process, implement and manage information systems in specialties such as database services, security, business intelligence, healthcare informatics and others depending on the technical path selected within this curriculum.

Course work includes development of a student’s ability to create, store, communicate, exchange and use information to solve technical issues related to information support and services, interactive media, network systems, programming and software development, information security and other emerging technologies based on the selected area of study.

Graduates should qualify for employment in entry-level positions with businesses, educational systems, and governmental agencies which rely on computer systems to design and manage information. The program will incorporate the competencies of industry-recognized certification exams.

**OFFICE ADMINISTRATION**  
**Associate in Applied Science Degree**  
**A25370**

**CURRICULUM DESCRIPTION**

The Office Administration curriculum prepares individuals for positions in administrative support careers. It equips office professionals to respond to the demands of a dynamic computerized workplace.

Students will complete courses designed to develop proficiency in the use of integrated software, oral and written communication, analysis and coordination of office duties and systems, and other support topics. Emphasis is placed on non-technical as well as technical skills.

Graduates should qualify for employment in a variety of positions in business, government and industry. Job classifications range from entry-level to supervisor to middle management.

## SCHOOL AGE EDUCATION

### Associate in Applied Science Degree

**A55440**

#### **CURRICULUM DESCRIPTION**

This curriculum prepares individuals to work with children in elementary through middle grades in diverse learning environment. Students will combine learned theories with practice in actual settings with school-age children under the supervision of qualified teachers.

Course work includes child growth/development; computer technology in education; physical/nutritional needs of school-age children; care and guidance of school-age children; and communication skills with families and children. Students will foster the cognitive/language, physical/motor, social/emotional, and creative development of school-age populations.

Graduates are prepared to plan and implement developmentally appropriate programs in school-aged environments. Employment opportunities include school-age teachers in childcare programs, before/after-school programs, paraprofessional position in public/ private schools, recreational centers, and other programs that work with school-age populations.

## SWINE MANAGEMENT TECHNOLOGY

### Associate in Applied Science Degree

A15150

#### CURRICULUM DESCRIPTION

This curriculum is designed to prepare students for careers in the production, processing, and distribution of livestock, swine, and poultry and their products according to scientific principles essential to efficient and profitable operation.

Students should learn skills necessary for the operation of efficient and profitable livestock, swine, and poultry enterprises. Coursework includes production practices, animal health, nutrition, reproduction, and management.

Graduates should qualify for entry-level jobs as herd or flock managers, field service persons, feed salespersons, equipment salespersons, feed mill workers, buyers of poultry and livestock, owners/operators, farm managers, department supervisors, field service representatives, and waste management technicians.

This program focuses on the application of biological and chemical principles to the production and management of swine animals and the production and handling of meat and other products. Potential course work includes instruction in animal sciences, range science, nutrition sciences, food science and technology, biochemistry, and related aspects of human and animal health and safety.

## **COLLABORATIVE PROGRAMS**

James Sprunt Community College has instructional agreements with other North Carolina community colleges to provide students with access to additional programs. The College currently has agreements in place for the following programs:

### **PHYSICAL THERAPY ASSISTANT**

The Physical Therapy Assistant program is offered by Fayetteville Technical Community College and guarantees a certain number of slots to James Sprunt Community College students. Students can complete the general education courses here at James Sprunt Community College and can then transfer to Fayetteville Technical Community College to complete the degree program.

#### **Curriculum Description**

The Physical Therapist Assistant curriculum prepares graduates to work in direct patient care settings under the supervision of physical therapists. Assistants work to improve or restore function by alleviation or prevention of physical impairment and perform other essential activities in a physical therapy department.

Course work includes normal human anatomy and physiology, the consequences of disease or injury, and physical therapy treatment of a variety of patient conditions affecting humans throughout the life span.

Graduates may be eligible to take the licensure examination administered by the NC Board of Physical Therapy Examiners. Employment in general hospitals, rehabilitation centers, extended care facilities, specialty hospitals, home health agencies, private clinics and public school systems.

### **911 COMMUNICATION AND OPERATIONS**

The 911 Communication and Operations program is offered by Richmond Community College. Students can complete the general education courses as well as additional major hour courses at James Sprunt Community College and can then transfer to Richmond Community College to complete the degree program.

#### **Curriculum Description**

The 911 Communication and Operations curriculum is designed to provide new students, as well as current practitioners, with knowledge and skills in the areas necessary for entrance or advancement within emergency communications.

Coursework includes concepts and skills in telecommunication systems, basic software and GIS/GPS, communications, documentation, public administration, personnel management and supervision, grant writing, professional ethics, cultural awareness, mental health awareness, and adaptation to technology within emergency communication organizations.

Graduates should qualify for employment and advancement in the public safety telecommunications field with a variety of employers, including local government emergency communications centers, county sheriffs' offices, local law enforcement, fire and EMS agencies, emergency management, and related emergency dispatch operations.

## COLLEGE TRANSFER PROGRAM

### Associate in Arts Degree (A10100) Associate in Science Degree (A10400)

James Sprunt Community College offers a two-year college transfer program for students planning to pursue a four-year baccalaureate degree at a senior college or university. The program includes required freshman and sophomore level courses in English composition, humanities/fine arts, social/behavioral sciences, natural sciences/ mathematics. In addition, students may take college transfer electives selected to meet their individual needs and interests as well as the requirements of the specific major areas of study at senior institutions.

The Associate in Arts and Associate in Science degrees shall be granted for a planned program of study consisting of a minimum of 60 semester hours of credit (SHC) of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and basic computer use.

The Comprehensive Articulation Agreement (CAA) and the Independent Comprehensive Articulation Agreement (ICAA) enables North Carolina community college graduates of two-year associate in art or associate in science programs who are admitted to constituent institutions of The University of North Carolina and to Signatory Institutions of North Carolina Independent Colleges and Universities to transfer with junior status.

Community college graduates must obtain a grade of “C” or better in each course and an overall GPA of at least 2.0 on a 4.0 scale in order to transfer with a junior status. Courses may also transfer through bilateral agreements between institutions. A grade of “D” in any course will not transfer.

## ASSOCIATE IN ARTS DEGREE

### (A10100)

#### General Education—Universal General Education Transfer Component

#### English Composition- 6 semester hours credit required

	Course Title	Semester Hours Credit
ENG 111	Writing and Inquiry	3
ENG 112	Writing/Research in the Disciplines	3

#### Humanities/Fine Arts/Communications- 9 semester hours credit required. Select three courses from at least two of the following subjects: art, communications, literature, music, philosophy.

ART 111	Art Appreciation	3
ART 114	Art History Survey I	3
ART 115	Art History Survey II	3
COM 231	Public Speaking	3

**TOTAL SEMESTER HOURS CREDIT: 60**

*\*One semester hour of credit may be included in a 61 SHC associate in science program of study. The transfer of this hour is not guaranteed.*

*Students must meet the receiving university's foreign language and/or health and physical education requirements, if applicable prior to or after transfer to the senior institution.*

**Associate in Arts Degree in Teacher Preparation (A1010T)**  
**Associate in Science Degree in Teacher Preparation (A1040T)**

James Sprunt Community College offers a two-year college transfer program for students planning to pursue a four-year baccalaureate degree at a senior college or university. The program includes required freshman and sophomore level courses in English composition, humanities/fine arts, social/behavioral sciences, natural sciences/ mathematics. In addition, students may take college transfer electives selected to meet their individual needs and interests as well as the requirements of the specific major areas of study at senior institutions.

The Associate in Arts in Teacher Preparation and the Associate in Science in Teacher Preparation degree shall be granted for a planned program of study consisting of a minimum of 60 semester hours of credit (SHC) of college transfer courses. Within the degree program, the institution shall include opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and the basic computer use.

The Comprehensive Articulation Agreement (CAA) and the Independent Comprehensive Articulation Agreement (ICAA) enables North Carolina community college graduates of two-year associate in arts and associate in science programs who are admitted to constituent institutions of The University of North Carolina and to Signatory Institutions of North Carolina Independent Colleges and Universities to transfer with junior status.

Community college graduates must obtain a grade of “C” or better in each course and an overall GPA of at least 2.7 on a 4.0 scale in order to transfer with a junior status. Courses may also transfer through bilateral agreements between institutions. A grade of “D” in any course will not transfer.

High school faculty must meet transfer level qualifications as established by SACSCOC or other accrediting body.*

*\*\*One semester hour of credit may be included in a 61 SHC associate in arts program of study. The transfer of this hour is not guaranteed.*

*Students must meet the receiving university's foreign language and/or health and physical education requirements, if applicable, prior to or after transfer to the senior institution.*

## ASSOCIATE IN GENERAL EDUCATION DEGREE

(A10300)

The Associate in General Education program is designed for the academic enrichment of students who wish to broaden their education, with emphasis on personal interest, growth and development.

Coursework includes study in the areas of humanities and fine arts, social and behavioral sciences, natural sciences and mathematics, and English composition. Opportunities for the achievement of competence in reading, writing, oral communication, fundamental mathematical skills, and the basic use of computers will be provided.

Through these skills, students will have a sound base for lifelong learning. Graduates are prepared for advancements within their field of interest and become better qualified for a wide range of employment opportunities.

Successful completion of 64-65 semester hour credits leads to an Associate in General Education degree.

### General Education-15

**OTHER REQUIRED HOURS (49 semester hours)**

Other required hours include additional general education and professional courses. A maximum of 6 semester hours credit in health, and physical education.

**Academic Related**

ACA 115	Success & Study Skills OR	1
ACA 122	College Transfer Success	1

**TOTAL SEMESTER HOURS CREDIT IN PROGRAM: 64\***

*\*The General Education curriculum is designed for the student who desires a general background in the liberal arts but does not intend to transfer to a four-year institution.*

**General Option**

The General option is designed to meet the individual student's needs and provide the greatest flexibility. A student may select college-level course (including the core courses) of interest to complete the degree requirements. The student will meet with an academic advisor to plan a personally tailored program of study.

**Vocational and Technical Instructors' Option**

The Instructors' Option is designed for students who desire to teach in vocational and/or technical programs in technical colleges, community colleges, trade schools, high schools and similar institutions that do not require a four-year baccalaureate degree. An individualized program of study will be designed with an academic advisor. The program allows a student to receive credit for previous training, experience and formal study in the student's area of expertise. A maximum of thirty-two hours of credit may be granted as follows:

- I. Educational and Work Experience
  - A. Sixteen semester hours credit for full-time trade school, twelve months (1440 hours) in one special skilled area certified by diploma or letter by trade school officials. Maximum sixteen semester hours of credit.
  - B. One semester hour credit per ninety hours of full-time trade instruction for programs of less than one-year duration. Certified by diploma or letter by company school. Maximum sixteen semester hours of credit.
- II. One semester hour of credit per forty hours of special short course instruction by a company-sponsored school. Certified by diploma, certificate, or letter by company school. Maximum three semester hours of credit.
- III. Three semester hours of credit for each full year of employment (outside of James Sprunt Community College) in a situation where teaching was primary employment. Maximum three semester hours of credit.
- IV. Five semester hours of credit for each full year of employment at James Sprunt Community College with teaching the specialty courses as the primary responsibility. Maximum fifteen semester hours of credit
- V. Two semester hours of credit for each full year of employment in the specialty occupation qualified to teach. Maximum ten semester hours of credit.

Credits earned in industrial and/or vocational programs offered by regionally accredited collegiate level institutions are acceptable in meeting requirements in the area of specialization.

Beyond the core requirements in General Education, ACA 115, and credit received for previous training, experience and formal study, the student is free to select college-level courses to complete the 65 semester hours required for the degree.

## DIPLOMA AND CERTIFICATE PROGRAMS

### BASIC LAW ENFORCEMENT TRAINING

#### Certificate C55120

#### CURRICULUM DESCRIPTION

Basic Law Enforcement Training (BLET) is designed to give students essential skills required for entry-level employment as law enforcement officers with state, county, or municipal governments, or with private enterprise.

This program utilizes State commission-mandated topics and methods of instruction. General subjects include, but are not limited to, criminal, juvenile, civil, traffic, and alcohol beverage laws; investigative, patrol, custody, and court procedures; emergency responses; and ethics and community relations.

Students must successfully complete and pass all units of study mandated by the North Carolina Criminal Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission to receive a certificate.

#### TYPICAL COURSE SEQUENCE COURSE AND HOUR REQUIREMENTS

FIRST SEMESTER	Course Title	Semester		
		Hours per Week		Hours

CJC 110	Basic Law Enforcement (BLET)	10	30	20

**TOTAL SEMESTER HOURS CREDIT: 20**

## COSMETOLOGY INSTRUCTOR

### Certificate C55160

#### CURRICULUM DESCRIPTION

The Cosmetology Instructor curriculum provides a course of study for learning the skills needed to teach the theory and practice of cosmetology as required by the North Carolina Board of Cosmetic Arts.

Course work includes requirements for becoming an instructor, introduction to teaching theory, methods and aids, practice teaching, and development of evaluation instruments.

Graduates of the program may be employed as cosmetology instructors in public or private education and business.

Students must have met JSCC admission requirements and hold a **current** North Carolina State Board of Cosmetic Art Examiners Cosmetologist License.

## ELEMENTARY EDUCATION RESIDENCY LICENSURE

### Certificate C55490

The Elementary Education Residency Certificate curriculum provides a course of study leading to the development of the general pedagogical competencies needed to become certified to teach by the North Carolina Department of Public Instruction.

Course work includes learning theory, instructional/educational technology, diverse learners, school policies and procedures, expectations and responsibilities of educators, teaching strategies/methods for specific content/specialty areas, formative/summative assessment, data informed practice, and classroom organization/management to enhance learning.

Graduates should meet general pedagogical competencies and demonstrate effective teaching practices. Additional requirements, such as pre-service training, passing the state required assessments, and the criteria included in the North Carolina Teacher Evaluation System, are required for licensure.

The Residency Licensure program is designed for college graduates who hold a bachelor's degree in a non-education field and desire to become an elementary education (K-6) teacher.

*For admission into the program, the candidate must:*

- Complete an electronic application through the College Foundation of North Carolina (CFNC) for James Sprunt Community College admittance.
- Be a U.S. citizen, or eligible for employment.
- Have completed a bachelor's degree with a 2.7 GPA or higher.
- Have completed 24 hours of coursework in the requested licensure area or passed the North Carolina State Board of Education (NCSBE) required content area examination(s) for the requested licensure area.
- Submit transcripts.
- Be employed by a local LEA.
- Have completed professional development training required by the LEA.

A grade of "C" or higher in all courses is required to complete the certificate.

## GENERAL OCCUPATIONAL TECHNOLOGY

### Diploma D55280

The General Occupational Technology curriculum provides individuals with an opportunity to upgrade their skills and to earn an associate degree, diploma and/or certificate by taking courses suited for individual occupational interests and/or needs.

The curriculum content will be customized for students according to occupational interests and needs. A program of study for each student will be selected from any non-developmental level courses (100-189 or 200-289) offered by the college.

Graduates will become more effective workers, better qualified for advancements within their field of employment, and become qualified for a wide range of entry-level employment opportunities.

To be eligible for the Diploma, students must complete the following:

#### TYPICAL COURSE SEQUENCE COURSE AND HOUR REQUIREMENTS

		Semester Hours
ENG 111	Writing Inquiry	3
General Education	(Humanities/Fine Arts or Behavioral/Social Sciences)	3
Electives*		30

#### TOTAL SEMESTER HOURS CREDIT: 36-38

*\* Students must see their advisor to have their Individual Educational Plan approved prior to registration.*

## INFANT/TODDLER CARE

### Certificate

### C55290

#### CURRICULUM DESCRIPTION

The curriculum prepares individuals to work with children from infancy to three years of age in diverse learning environments. Students will combine learned theories, competency-based knowledge, and practice in actual settings with infants and toddlers.

Course work includes infant/toddler growth and development: physical/ nutritional needs of infants and toddlers; safety issues in the care of infants and toddlers; care and guidance; communication skills with families and children; design and implementation of appropriate curriculum; and other related topics.

Graduates should be prepared to plan and implement developmentally appropriate infant/toddler programs in early childhood settings. Employment opportunities include child development and childcare programs, preschools, public and private schools, recreational centers, Early Head Start Programs, and other infant/toddler programs.

## **PRACTICAL NURSING**

### **Diploma D45660**

#### **CURRICULUM DESCRIPTION**

The Practical Nursing curriculum provides knowledge and skills to integrate safety and quality into nursing care to meet the needs of the holistic individual, which impact health, quality of life, and achievement of potential.

Coursework includes and builds upon the domains of healthcare, nursing practice, and the holistic individual. Content emphasizes safe, individualized nursing care and participation in the interdisciplinary team while employing evidence-based practice, quality improvement, and informatics.

Graduates are eligible to apply to take the National Council Licensure Examination (NCLEX-PN), which is required for practice as a Licensed Practical Nurse. Employment opportunities include hospitals, rehabilitation/long-term care/home health facilities, clinics, and physician's offices.

#### **PRACTICAL NURSING ADMISSION REQUIREMENTS**

In order to be considered for admission into the Practical Nursing Program, the applicant must have a current JSCC application on file, a separate nursing program application on file, and all admission criteria met by February 1<sup>st</sup> of each year for consideration for admission into the following fall semester. Thirty students are accepted into the program and ranked according to scores on selection criteria. Applications submitted after the deadline may be considered if space is available. (Interested applicants should contact JSCC's Health Education Department or refer to our website for a current Program Application Packet.)

Applicants may apply for only one of the Health Education Programs (ADN or PN). The academic admission requirements for the Practical Nursing Program will be as follows:

1. Applicants to the Practical Nursing Program must take the ATI-TEAS admissions test and score the current national average for reading comprehension and essential math skills. The TEAS test may be taken only three times in a twelve-month period. Test dates must be a minimum of 60 days apart. Scores older than 5 years will not be accepted. (Contact Student Services for testing information.)
2. High school graduate or equivalent. Submit a copy of your high school transcript and/or HSE scores and college transcripts if applicable. High School seniors may apply for provisional acceptance pending completion of high school requirements and graduation. High School students should contact the Health Education Department for information.
3. Meet the pre-admission procedures and general admission requirements of the college.
4. Be in good academic standing with a minimum cumulative GPA of 2.00.
5. Completion of high school biology within ten (10) years of the program start date with a grade of "C" or better or its equivalent. Equivalent means: (1) a college-level biology course; (2) BIO 090 at James Sprunt Community College; or (3) a comparable biology course at any other accredited educational institution.
6. Applicants must meet the minimum English and math requirements through one of the following:
  - An unweighted U.S. high school GPA or Adult High School (AHS) GPA of 2.8 or greater

- Transferable credit in English and math (you will need to submit official transcripts to student services in order to receive a transcript evaluation of your prior college coursework.)
- An associate's degree or higher
- SAT or ACT scores within the last ten years that would allow for placement into ENG 111 and placement out of transition math.
- GED completion since 2014 with a minimum score of 165 on all subject tests and a minimum score of 4 on the essay.
- Completion of RISE, NCDAP, Accuplacer, Compass, or Asset placement test within the last ten years that would allow placement into ENG 111 and placement out of transition math. If placement test was taken at another college, you will need to submit an official score report to student services.
- Exemption from developmental courses or completion of developmental courses with a Passing (P) grade. These developmental courses include:
  - DRE 096-098 or
  - ENG 002 (P2) or
  - ENG 002 (P1) and ENG 011 or
  - DMA 010-050 or
  - MAT 003 (P2) or
  - MAT 003 (P1) and MAT 043 or
  - MAT 003 (P1) and MAT 052

If placement tests were completed at another college, request that official scores be sent to the Admissions Office at P.O. Box 398, Kenansville NC 28349 (placement test scores will not be sent with the official transcript unless specifically requested).

Placement test scores other than RISE and completed DRE and DMA courses are only good for ten years unless a college level English and Math course is completed within the ten year period. Rise placement test scores are good for ten years.

7. Applicants will be notified of their selection and given provisional acceptance. The following will be required for students to complete by specified date after being provisionally accepted:
  - A. Evidence of a physical examination completed on the institution form and dated within one year of acceptance. Evidence of sound physical and mental health must be validated on the form provided. Immunizations must be completed and documented as required on the medical form and based on the clinical agency requirements for the PN program.
  - B. Completion of current American Heart Association Basic Life Support (BLS) Provider level of CPR certification.
  - C. Completion of required criminal background check and drug screening required for clinical agencies. NOTE: If a clinical agency denies student placement based on review on results, the student would be unable to progress in the program. (Information provided upon provisional acceptance.)
  - D. Show evidence of current student liability insurance for clinical experience.

### **TRANSFER STUDENTS**

Students who wish to transfer from another institution to James Sprunt Community College Practical Nursing Education program must:

1. Transfer from a state approved program;
2. Meet all the admission criteria as generic students;
3. Schedule a meeting with the Dean of Health Education at least two semesters in advance of desired transfer date;
4. Complete and submit Transfer Application to JSCC Nursing Program (this will be provided at scheduled meeting with division Dean);
5. Submit copies of course syllabi/outlines to Dean of Health Education for review, upon request;
6. Have letter of recommendation from clinical nursing faculty who taught student in last nursing course;
7. Pass a comprehensive exam from the content of the course(s) prior to the one to which the student is requesting transfer with a minimum grade of 80 and demonstrate competency of skills.

All decisions regarding transfer will be made by the Health Education Admissions Committee after all required documents are submitted.

### **PROGRESSION POLICY**

1. Students must be enrolled in BIO 163 and ACA 115 concurrently with NUR 101 unless they have completed these courses previously.
2. Students must be enrolled in ENG 111 and PSY 150 concurrently with NUR 102 unless they have completed these courses previously.
3. A student must maintain a 2.0 ("C") average or better in the general education courses in order to progress and graduate in the Practical Nursing Program. A grade of "C" or better must be obtained in BIO 163 in order for the student to progress to NUR 102.
4. A grade of "C" or better is required in each nursing course in order for the student to progress and graduate from the Practical Nursing Program. A grade of "C" or better is required in NUR 101, NUR 102, and NUR 103.
5. All nursing courses must be taken in the sequence as outlined in the Practical Nursing curriculum.
6. A student may repeat a nursing course only once and only upon the approval of the Health Education Admissions Committee.
7. Any student who is interrupting his/her nursing courses is encouraged to schedule an exit interview with the Dean of the Health Education Department.

### **GRADING**

A minimum grade of "C" in each nursing course is required prior to entering the next nursing course, and a grade of "C" is required in NUR 103 prior to graduation.

### **READMISSION POLICY**

A student who wishes to be considered for readmission to the Practical Nursing Program must complete the application for readmission to the PN program (provided upon request). This request for consideration of readmission must be received by the end of the next semester following the interruption of studies. Readmission to the nursing program will be limited to a maximum of one (1) time.

The student requesting readmission must complete the following readmission requirements:

1. Meet current admission criteria.

2. Meet all requirements of the Progression Policy listed above.
3. Submit a letter of recommendation from a faculty member for the clinical components of the course in which the student was not successful. Letter must be requested prior to the end of the next semester following the interruption of studies.
4. Pass a comprehensive exam from the content of the course(s) prior to the one to which the student is requesting readmission with a minimum grade of 80 and demonstrate competency of skills.
5. After provisional acceptance is granted, the student must complete the following before enrollment in the program:
  - Submit updated physical statement showing evidence of sound physical and mental health, including any required testing and immunizations required by clinical agencies.
  - Submit evidence of current American Heart Association BLS Provider Level of CPR certification.
  - Submit completion of current Criminal Background Check and Drug Screening required by clinical agencies.

Failure to complete any of these requirements will jeopardize re-admission to the PN program.

### **INVOLUNTARY WITHDRAWAL FROM HEALTH EDUCATION PROGRAMS**

In the event that a health education student's behavior represents a potential hazard to patient care in the clinical area and/or the student demonstrates unsafe practice in the clinical area, the student will be withdrawn by the faculty from the course. This may occur at any time during the semester. The student may be readmitted only on the recommendation of the faculty. **See section on Academic Standards for Health Education Department DISMISSAL POLICY and PROBATION POLICY.**

### **LPN TO ADN TRANSITION PROGRAM**

The Licensed Practical Nursing (LPN) to Associate Degree Nursing (ADN) Transition curriculum is a four-semester program tailored for LPNs seeking to elevate their knowledge, skills, and qualifications. Students entering the LPN to ADN Transition program have successfully passed the National Council Licensure Examination (NCLEX-PN) and will receive credit for NUR 111 and NUR 117.

Through classroom instruction and clinical experience, the student will build upon existing knowledge and develop the expertise to thrive as a Registered Nurse (RN). The coursework includes and builds upon the domains of healthcare, nursing practice, and the holistic individual. It emphasizes the nurse as a member of the interdisciplinary team providing safe, individualized care while employing evidence-based practice, quality improvement, and informatics.

Graduates of this program are eligible to apply to take the National Council Licensure Examination (NCLEX-RN). Employment opportunities are vast within the global healthcare system and may include positions within acute, chronic, extended industrial, and community healthcare facilities.

For more information about this opportunity, please contact Phadra Murray ([pmurray@jamesprunt.edu](mailto:pmurray@jamesprunt.edu) or 910.275.6272), Dean of Health Education.

## WELDING TECHNOLOGY

### Diploma

### D50420

#### CURRICULUM DESCRIPTION

The Welding Technology curriculum provides students with a sound understanding of the science, technology, and application essential for successful employment in the welding and metal working industry.

Instruction includes consumable and non-consumable electrode welding and cutting processes. Courses may include math, print reading, metallurgy, welding inspection, and destructive and non-destructive testing providing the student with industry-standard skills developed through classroom training and practical application.

Graduates of the Welding Technology curriculum may be employed as entry level technicians in welding and metalworking industries. Career opportunities also exist in construction, manufacturing, fabrication, sales, quality control, supervision, and welding-related self-employment.

## **WORKFORCE DEVELOPMENT/ CONTINUING EDUCATION**

### **GENERAL INFORMATION**

Subscribing to the philosophy of “life-long learning”, the Continuing Education Division offers a wide range of courses and programs for adults of all ages and interests. Courses are offered in several broad program areas: Occupational Extension, Self-Supporting, Human Resources Development (HRD), Adult Basic Education (ABE), High School Equivalency (HSE) preparation, Adult High School Diploma Program (AHSDP), English as a Second Language (ESL), cultural and civic activities, as well as workshops and seminars provided through the Small Business Center. Customized Training for area industry is also available.

Adult Education classes are offered both on and off campus, and during both day and evening. Classes may be offered in other locations where suitable facilities are made available, to include workplace sites.

James Sprunt Community College will establish appropriate classes where needs arise in cooperation with local officials at any suitable location in Duplin County.

When a class is established, the most qualified teachers available will be employed by the college to teach the class. The instructor will also be a liaison between the students, the appropriate division Dean, and the Associate Vice President of Continuing Education in the operation and upgrading of the class offerings.

Announcements concerning dates and times of classes will be made as classes are established. Announcements are usually made through the local newspapers, the James Sprunt Community College Website, social media, as well as through the James Sprunt Community College Newsletter published each semester. James Sprunt Community College reserves the right to limit class enrollment and, when necessary, to cancel any class due to insufficient enrollment. Preregistration is required for all Occupational Extension and HRD classes.

At least (6) persons must enroll to begin a class. If the average attendance of the class falls below six (6) at any time, the Associate Vice President of Continuing Education shall have the option of discontinuing the class. If a need arises for a class in your area, call Continuing Education, James Sprunt Community College, telephone (910) 275-6160.

### **Eligibility**

To enroll in courses offered in Continuing Education, a person must be at least eighteen (18) years of age. Persons between the ages of 16 and 18 and still attending high school (including home schooling), may enroll.

## **Academic Credit**

Classes/courses offered through Workforce Development and Continuing Education are non-credit. Continuing Education Units (CEU's) may be awarded to students who successfully complete certain occupational extension programs. One CEU is equivalent to ten (10) clock hours of instruction.

## **When Courses Will Begin**

An approved course may be started at any time. The time and dates of registration for courses generally will be announced separately in the semester schedules, advertised in local newspapers, on the JSCC website and other public and social media.

## **Registration**

Students must register and pay all associated fees prior to the class start date. Registration forms can be found on the JSCC website or by visiting the Continuing Education office. For additional information, call (910) 275-6160.

## **Attendance**

Students are encouraged to attend all classes. In order for a student to be eligible for a Certificate of Completion/Achievement, he/she must attend at least 80 percent of the classes as well as successfully complete the prescribed course work. Some specialty classes may have more strict attendance requirements. This applies to those classes that have clinical hours included in the total hours of the class.

## **Fees**

A registration fee is charged for all Occupational Extension classes and is payable prior to the class start date. Registration fees are set by the North Carolina legislature and based on the duration (total hours) of the class. Where machines such as computers, sewing machines, etc., are used, a small usage fee may be charged. Certain courses may require payment for medical or liability insurance. For Law Enforcement In-Service training, Fire Service, and Volunteer Life-Saving Personnel provided the student is referred by the employing agency for such training, the registration fee may be waived. All other fees associated with the class must be paid. Exemption from registration fees does not apply to self-supporting classes.

Tuition and fees for HRD classes may be waived if you meet at least one of the following criteria: 1) unemployed; 2) have received notification of a pending layoff; 3) are working and eligible for the Federal Earned Income Tax Credit (FEIT); or 4) working and earning wages at or below two hundred percent (200%) of the federal poverty guidelines.

## **REFUND POLICY**

### **Occupational Extension**

A student who officially withdraws from an occupational extension class prior to the first class meeting shall be eligible for a 100% refund. Also, a student is eligible for a 100% refund if the class fails to meet the minimum student enrollment and the class is canceled. After the class begins, a student

may be eligible for a refund of 75% by completing a refund request form and submitting the form to the instructor or Continuing Education department prior to or on the 10% date of the class based on the scheduled hours of the class. A 75% refund consists of tuition/registration only. All fees, including parking, insurance, student activity fees, etc., are non-refundable after the start of a course.

### **Human Resource Development**

A student who does not qualify for a tuition fee waiver, submits a tuition payment, and officially withdraws from a human resource development training course prior to the first class meeting, shall be eligible for a 100% refund. Also, a student is eligible for a 100% refund if the class fails to meet with minimum student enrollment and the class is canceled. After the class begins, a student may be eligible for a refund of 75% by completing the refund request form and submitting the form to the instructor or Continuing Education Department prior to or on the 10% date of the class based on the scheduled hours of the class. A 75% refund consists of tuition/registration only. All fees, including parking, insurance, student activity fees, etc., are non-refundable after the start of a course.

### **Self-Supporting**

A student who officially withdraws from a self-supporting class prior to the first class meeting shall be eligible for a 100% refund. Also, a student is eligible for a 100% refund if the class fails to meet with minimum student enrollment and the class is canceled. After the class begins, no student enrolled in a self-supporting class is eligible to receive a refund.

### **Transcripts**

A transcript containing all Continuing Education classes attended through James Sprunt Community College will be provided upon completion of a transcript request form. The transcript request form can be found on the JSCC website or by visiting the Continuing Education office in McGowen and are processed on Thursdays; please allow 3-5 days for processing. **There is a \$5.00 charge for each official transcript.**

## **COUNSELING**

Adults who desire counseling regarding their education or career plans should contact the Career Planning Counselor in Student Services.

## **COLLEGE AND CAREER READINESS**

The Pre-College/Basic Skills Program is designed to assist individuals improve their reading, writing, math, and technological skills so that they can successfully obtain their adult high school (AHS) diploma, their high school equivalency (HSE) credential, obtain employment, or improve their English language skills.

The program is based upon the philosophy that every individual, regardless of his/her status or his/her functional level should have the opportunity to participate in continuing educational activities. The philosophy further incorporates the belief that every individual is teachable, trainable, and capable of realizing self-improvement.

All classes are free\* and are located on the JSCC campus as well as other sites throughout Duplin County.

To enroll you must:

1. Attend an orientation
2. Meet with your advisor and register for classes
3. Attend classes

If you are enrolling in Adult High School, please bring your transcripts. If you are under 18 years old, you must complete our Basic Skills Underage Form and bring it with you to orientation.

### **ADULT BASIC EDUCATION**

The purpose of the ABE program is to provide the fundamental academic skills needed to function in today's technological society. While focusing on accelerated reading and math skills, the ABE program explores ways to enhance your job performance, parenting skills, household management, civic participation, self-esteem, thinking skills, and other life skills. ABE provides critical review courses in preparation for AHS or HSE.

### **ADULT HIGH SCHOOL DIPLOMA PROGRAM**

The Adult High School (AHS) Diploma Program is designed for students who desire to complete their high school education. The AHS program is for the person who has completed a minimum of the eighth grade, or its equivalent, who is a high school dropout, or who has left school without earning a high school diploma. A currently enrolled high school student is not eligible to take AHS courses.

James Sprunt Community College has adopted the following minimum requirements for issuance of a high school diploma in cooperation with the Duplin County Board of Education:

- 4 English units
- 4 Mathematics units (including Algebra I and Geometry)
- 4 Social Studies units (Government/Economics, US Studies I & II, & World Studies)
- 3 Science units (Earth Science, Physical Science, & Biology)
- 1 Health/PE unit
- 6 Elective units or 12 units if a student is a minor

Students must have 22 units of credit to successfully complete the AHS program.

### **HIGH SCHOOL EQUIVALENCY**

The High School Equivalency (HSE) test is given by James Sprunt Community College by appointment only on scheduled testing days. Upon successful completion, a person is issued a High School Equivalency Diploma by the State Board of Community Colleges.

Students can prepare for the HSE by attending orientation and enrolling in classes. The HSE test includes the areas of Language Arts-Writing, Language Arts-Reading, Science, Social Studies, and Mathematics.

## **HSE Testing**

The State of North Carolina has approved three different high school equivalency assessments: GED®, HiSET™, and TASC™. All three tests lead to the same North Carolina State Board of Community Colleges High School Equivalency Diploma. JSCC offers two of the assessments: GED®, HiSET™. Our HSE preparation classes are designed to prepare the student for any of these tests.

GED® Testing Service is a computer-based test. There are four parts to the test: Language Arts (Reading and Writing are combined), Science, Social Studies, and Mathematics. The cost for the test is \$80 (\$20 per test), and students can retake each section twice for free. For more information go to [www.ged.com](http://www.ged.com).

HiSET™ is a computer or paper-based test. There are five parts to the test: Reading, Writing, Science, Social Studies, and Mathematics. The price for each subtest is \$10.75. Students can retake each section twice for free if they purchased the complete battery. For more information, go to [www.hiset.ets.org](http://www.hiset.ets.org).

## **ENGLISH LANGUAGE ACQUISITION**

The English Language Acquisition (ELA) program, formerly known as ESL, provides classes to accommodate the enormously varied immigrant population of Duplin County. Attention is given to both the cultural and linguistic needs of the program's students as instructors focus on the formation of accurate and appropriate communication skills and upon the student's ability to function in the American adult community.

Students are placed in classes after appropriate assessment. Classes are for all levels of English language learners. The curriculum focuses on developing the basic language skills of reading, writing, speaking, and listening. Classes integrate English language instruction with topics that prepare students for everyday life, employment, and citizenship. Instructors use an array of instructional materials and strategies to meet individual learning styles and to foster interest in learning.

## **WORKPLACE PROGRAMS**

James Sprunt Community College fosters partnership arrangements with business and industry for the delivery of entry level skill services to adults in the workplace. Programs offered by Continuing Education are designed to improve the productivity of the workforce through improvements in employee skills by:

1. Providing instruction at the work site for those employees who need to improve their skills;
2. Providing instruction at the work site for those employees who wish to earn a HSE high school equivalency certificate;
3. Meeting the skill needs of employees with limited English proficiency;
4. Upgrading or updating skills of adult workers in accordance with change in workplace requirements, technology, products, or processes;
5. Improving the competency of adult workers in speaking, listening, reasoning, and problem solving;  
and

6. Providing educational counseling and support services to employees while they are enrolled in a workplace skills program.

### **HUMAN RESOURCES DEVELOPMENT (HRD)**

The mission of the Human Resources Development (HRD) program is to educate and train individuals for success in the workplace. Human Resources Development is a self-sufficient program designed to provide the instruction and counseling an individual needs to succeed in today's competitive job market. HRD is designed to help unemployed and underemployed adults successfully obtain and maintain employment. HRD's primary objective is teaching individuals to assess their assets and limitations, develop a positive self-image, improve academic skills, and understand the dynamics of interpersonal relationships. HRD offers a variety of classes that give the students an avenue to explore employment opportunities or skills training that can be studied even further by enrolling at James Sprunt Community College. The staff will provide job counseling to students and will assist students in updating their resumes and in obtaining job referrals and letters or recommendation. HRD is the ideal place for professionally minded people who are interested in finding their place in the world of work. All HRD courses are offered at no charge to individuals who are unemployed or received notice of a layoff or pending layoff. HRD courses are also fee-waived for those who may be "underemployed" as determined by the state and federal guidelines. See Fees section in the Continuing Education section of the catalog.

### **OCCUPATIONAL EXTENSION**

Occupational extension courses are specifically designed to provide training that leads to employment upgrades the skills of persons presently employed or retrains individuals for new employment in different occupational fields. These courses may be offered exclusively by the college or in cooperation with business and industry. Occupational extension courses cover a range of topics to include fire service training, emergency medical services, law enforcement training and variety of technical as well as administrative topics. Training to meet state certification or recertification requirements may be provided as occupational extension courses.

### **SELF-SUPPORTING PROGRAMS**

The College offers a limited number of courses on a self-supporting basis. These classes may be recreational or occupational in areas of public interest. Examples include such classes as belly dancing, cake decorating, and photography. Defensive Driving is also offered as a self-supporting class. For more information on self-supporting class offerings, call (910) 296-2080.

### **SMALL BUSINESS CENTER (SBC)**

Started in 1984 when the North Carolina State Legislature funded thirteen Small Business Centers (SBCs), the system has grown and by 1995 the SBCN had at least one SBC at each of the 58 Community Colleges within North Carolina. The system has now expanded to over 60 sites throughout the state and is known as the most expansive state funded technical assistance program in the United States, having locations within a 30 minute drive of virtually every North Carolinian. The objective of the SBC at James Sprunt Community College is to increase the success rate and the number of viable small

businesses in Duplin County and the surrounding areas by providing high quality, readily accessible assistance to prospective and existing small business owners, which will lead to job creation and retention. Our SBC is a community-based provider of education and training, counseling, referral and information.

The Small Business Center at JSCC has positioned itself to focus on entrepreneurship and economic development in Duplin County, with an emphasis on assisting startups, early stage and troubled businesses. Our unique structure allows ease of access and unparalleled knowledge of and linkages to local communities. Understanding that knowledge is power, the SBC at JSCC provides over 25 free seminars and workshops each year in a wide range of topics of interest to current and prospective business owners.

### **Services**

1. **Seminars** in the areas of starting a small business, writing business plans, financial and cash flow management, using QuickBooks to manage your business, critical metrics for any small business, why some businesses are successful, marketing and advertising for small business, creating a web page for small business, using multimedia in a small business, improving your credit score and loan availability, the art of negotiating, and many others.
2. **Confidential One-on-One Counseling** for the prospective or current business owner. These sessions typically identify the goals of the business owner and then help them develop a plan to succeed. If needed, referrals are made to other resources as appropriate.
3. **Networking of Linkages** including the State Department of Commerce, Small Business Administration, State Business Licensing Information Office, Duplin County Economic Development Commission, local Chambers of Commerce, Small Business Center Network, Small Business and Technology Centers, SCORE and many other public and private sources of assistance.

### **Eligibility Requirements**

Assistance is available to anyone currently operating a business or planning a business start-up. There is no charge for SBC at JSCC services, but appointments for counseling sessions and advance registration for seminars are strongly suggested.

### **CUSTOMIZED TRAINING PROGRAM**

The NCWorks Customized Training Program (CTP) is to provide customized training assistance in support of full-time production and direct customer service positions created in Duplin County, thereby enhancing the growth potential of companies located in the county while simultaneously preparing Duplin County's workforce with the skills essential to successful employment in emerging industries. The training is tailored to meet the specific needs of new, expanding and existing business and industry in support of job growth, productivity enhancement and technology investment.

## **SPECIAL PROGRAMS**

### **CAREER AND COUNSELING SERVICES**

Career and Counseling Services are available Monday through Thursday 8:00 a.m. until 5:00 p.m., and Friday 8:00 a.m. until 12:00 p.m. in the Student Service suite of the Strickland Building.

Comprehensive, free services to all students and alumni. Services include academic counseling and advising, personal counseling, learning styles inventories, various assessments, career and major exploration, resume building and job search materials.

### **DUPLIN COUNTY CENTER FOR LEADERSHIP DEVELOPMENT**

The Duplin County Center for Leadership Development provides leadership development programs. Designed to accommodate the needs of citizens and business and industry in Duplin County, this leadership program is designed for community and business leaders alike. The programs, which usually last ten to twelve weeks, include individual and team skills improvement; understanding individual values, self-esteem and leadership styles; communication and diversity management skills; conflict resolution and problem solving; and development action plans to improve individual, work, and community problems. Shorter programs may be customized for specific organizational leadership needs.

The programs are open to all individuals 18 years of age and older. A fee may be charged for attendance. Anyone interested in improving their leadership skills, better learning how to lead and making a difference in your community, should enroll in the next class. Applications are accepted anytime throughout the year.

### **PARTNERSHIP TEACH**

The East Carolina University College of Education has established consortium partnerships with community colleges and public schools within the university's service region. Partnership Teach is making it possible for students throughout eastern North Carolina to obtain a four-year degree from East Carolina University in elementary education, middle grades education, or special education without traveling to the main campus.

Students graduate with a four-year degree from ECU by completing the first two years of the program at any one of the partnering community colleges, followed by taking ECU courses online. For more information, please contact Lynn Mooring, Coordinator, ECU Partnership Teach at (919) 739-7012, or by email at [mooringl16@ecu.edu](mailto:mooringl16@ecu.edu).

### **PARTNERSHIP WITH NORTH CAROLINA WESLEYAN COLLEGE**

The partnership between North Carolina Wesleyan and James Sprunt Community College will enhance educational opportunities and facilitate a seamless transfer of graduates from James Sprunt Community College associate degree programs to North Carolina Wesleyan College bachelor's degree programs.

NC Wesleyan will grant 64 semester hours of transfer credit from AA/AS graduates in compliance with the Independent Comprehensive Articulation Agreement (ICAA). These credit hours are guaranteed to satisfy all NC Wesleyan College lower division general education requirements. This applies to ASPIRE (Adult Student Programs: Innovative, Respected, & Engaging) and traditional students. NC Wesleyan will grant 64 semester hours of transfer credit from some AAS graduates based on the following list of degrees:

- Accounting
- Advertising & Graphic Design
- Business Administration
- Computer Information Technology
- Criminal Justice
- Early Childhood Education
- General Education
- Information Systems

NC Wesleyan will automatically accept James Sprunt Community College graduates who are at least 22 years of age with a GPA of 2.0. Only courses with a grade of C or higher will be transferred. If graduates are under 22 years of age, acceptance to NCWC ASPIRE can be granted by the VP of Academic Affairs. Age stipulation does not apply to students attending the traditional day program at the Rocky Mount campus. Final enrollment requires a criminal background check with results deemed acceptable to the college.

2+ Wesleyan Agreement: For James Sprunt traditional graduates who want to transfer to NC Wesleyan College's traditional program in Rocky Mount. NC Wesleyan will provide these students with a financial aid package that will level their direct cost of attendance to be equivalent to the direct cost of attendance at a state supported institution benchmarked against NC State and ECU.

### **TALENT SEARCH PROJECT**

The James Sprunt Community College Educational Talent Search Project is designed to serve the North Carolina County of Duplin. The project focuses its services on eight county schools, which include three high schools: Wallace Rose Hill, James Kenan, and East Duplin. Also included are five feeder schools: Kenansville Elementary, Rose Hill-Magnolia Elementary, Wallace Elementary, Warsaw Elementary, and Beulaville Elementary.

In 1965, Talent Search was created under Title IV as part of the Higher Education Act. It is one of eight Federal TRIO Programs. The project defends the ideal of equal educational opportunity. All qualified participants in grades six through twelve will be served regardless of gender, race, color, creed, national origin or disability.

The Talent Search program identifies and assists individuals who have the potential to succeed in higher education. The program provides academic, career, and financial counseling to its participants and encourages them to graduate from high school and continue on to and complete their postsecondary education. The program publicizes the availability of financial aid and college admissions assistance. Talent Search also encourages persons who have not completed education programs at the secondary or postsecondary level to enter or reenter and complete postsecondary education. The goal of Talent Search is to increase the number of youth who complete high school and enroll in and complete their postsecondary education. For additional information, contact the Talent Search office at (910) 275-6385.

## **TRIO STUDENT SUPPORT SERVICES**

The James Sprunt Community College TRIO Student Support Services Program (SSSP) is a federally funded program that serves 210 JSCC students. Eligible participants receive academic advising, tutorial assistance, financial literacy, career preparation, financial aid assistance, personal support, and assistance in transferring to a four year college.

The TRIO SSSP seeks to support students who have the potential to complete a college degree. The focus is to ensure that students have a realistic chance to persist in college, and within three years, graduate with an associate degree and transfer to a four-year institution to pursue a bachelor's degree.

The goal of the TRIO SSSP is to increase college retention and graduation rates of student participants from James Sprunt Community College, and to help graduates transfer to a four-year institution. Staff members strive to make sure that as many obstacles as possible are removed from the path of students as they pursue their academic endeavors.

TRIO Student Support Services will also help students develop individual academic plans to specify educational goals and identify the specific academic and support services they need. TRIO SSSP helps students become aware of their learning strengths and weaknesses. Project staff will assess the student's files regarding the curriculum requirements for the program in which he/she is enrolled. Grant aid may also be provided to TRIO SSSP participants in their first two years of college who are receiving Federal Pell Grants.

TRIO Student Support Services is located in the Strickland Building. For additional information, contact the SSSP office at (910) 275-6382.

## **UPWARD BOUND PROGRAM**

The James Sprunt Community College Upward Bound Program is a federally funded TRiO program. The goal of the Upward Bound Program is to provide eligible high school students with academic support services and activities that will enhance their academic skills, thereby ensuring that students will graduate high school and subsequently graduate from a program of post-secondary study.

The Upward Bound Program serves a select number of eligible participants in grades 9<sup>th</sup>-12<sup>th</sup> from East Duplin, James Kenan, and Wallace Rose-Hill High Schools. The participants receive intensive academic instruction through our afterschool tutoring sessions and Saturday academic sessions throughout the school year. They also participate in a six-week academic program during the summer. They receive academic instruction in core subject areas, seminars, SAT/ACT preparation and visit college campuses. Recent high school graduates get to take two college transfer courses during the summer through the Upward Bound Summer Bridge Program.

The Upward Bound Program promotes a positive atmosphere and attitude towards learning. For additional information contact the Upward Bound office at (910) 275-6386.

## **WORK-BASED LEARNING PROGRAM**

Work-Based Learning integrates classroom studies with practical experience in business, industry, public and community agency work situations. The work experience constitutes a regular and essential

element in the educational process by allowing students to apply their studies in real work environment. The Work-Based Learning experience is concurrent studies, may be paid or unpaid, and awards students' academic credit. For many James Sprunt Community College students, work-based learning may provide an extra means of financial support.

**Eligibility:** Work-Based Learning must be part of the student's program of study in order for the student to be eligible. Other criteria include:

1. Possess the skills to be a credible employee.
2. Be a minimum of 17 years of age.
3. Be enrolled in an appropriate program and be in good academic standing.
4. Maintain GPA of 2.0 or better in program courses.

**NOTE:** Enrollment in the Work-Based Learning program does not guarantee placement for every student. Final selection is the responsibility of the employer. Students may qualify to receive academic credit if they are already employed and meet the following criteria:

1. Students must be acquiring significant new skills or knowledge related to their academic field of study, and/or
2. Students must be developing recently learned skills or applying recently learned knowledge related to their academic fields of study, and/or
3. Students must be receiving increased levels of responsibility related to their academic field of study, and/or
4. Employers must agree to assist with evaluations of their individual student's progress.

## COURSE DESCRIPTIONS

### NOTE 1:

All numbers to the right of the course titles in the Course Description section refer to contact hours and total semester credit hours for classes in the following order:

		Course Title	Hours per Week		Semester
			Class	Lab	Hours Credit
ACA	115	Success & Study Skills	0	2	1
ACC	120	Prin. of Financial Accounting	3	2	4
BUS	110	Introduction to Business	3	0	3

Health Education courses are listing in the following order:

		Course Title	Hours Per Week			Semester
			Class	Lab	Clinical	Hours Credit
NUR	111	Intro to Health Concepts	4	6	6	8

### NOTE 2:

UGETC - Indicates a Universal General Education Transfer Component Course

#### **ACA – ACADEMIC RELATED**

**ACA 115 Success & Study Skills 0 2 1**

Prerequisites: None

Corequisites: None

This course provides an orientation to the campus resources and academic skills necessary to achieve educational objectives. Emphasis is placed on an exploration of facilities and services, study skills, library skills, self-assessment, wellness, goal-setting, and critical thinking. Upon completion, students should be able to manage their learning experiences to successfully meet educational goals.

**ACA 122 College Transfer Success 0 2 1**  
**(College Transfer--AA/AS Required Course)**

Prerequisites: None

Corequisites: None

This course provides information and strategies necessary to develop clear academic and professional goals beyond the community college experience. Topics include the CAA, college policies and culture, career exploration, gathering information on senior institutions, strategic planning, critical thinking, and communications skills for a successful academic transition. Upon completion, students should be able to develop an academic plan to transition successfully to senior institutions. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

## **ACC – Accounting**

**ACC 115 College Accounting 3 2 4**

Prerequisites: None

Corequisites: None

This course introduces basic accounting principles for a business. Topics include the complete accounting cycle with end-of-period statements, bank reconciliation, payrolls, and petty cash. Upon completion, students should be able to demonstrate an understanding of accounting principles and apply those skills to a business organization.

**ACC 120 Principles of Accounting 3 2 4  
(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course introduces business decision-making using accounting information systems. Emphasis is placed on analyzing, summarizing, reporting, and interpreting financial information. Upon completion, students should be able to prepare financial statements, understand the role of financial information in decision-making and address ethical considerations. *This course has been approved for transfer under the Comprehensive Articulation Agreement and ICAA as a premajor and/or elective course requirement.*

**ACC 121 Principles of Managerial Accounting 3 2 4  
(College Transfer--Pre-Major/Elective)**

Prerequisites: ACC 120

Corequisites: None

This course includes a greater emphasis on managerial and cost accounting skills. Emphasis is placed on managerial accounting concepts for external and internal analysis, reporting and decision-making. Upon completion, students should be able to analyze and interpret transactions relating to managerial concepts including product-costing systems. *This course has been approved for transfer under the Comprehensive Articulation Agreement and ICAA as a premajor and/or elective course requirement.*

**ACC 122 Prin of Financial Acct II 3 0 3**

Prerequisites: ACC 120

Corequisites: None

This course provides additional instruction in the financial accounting concepts and procedures introduced in ACC 120. Emphasis is placed on the analysis of specific balance sheet accounts, with in-depth instruction of the accounting principles applied to these accounts. Upon completion, students should be able to analyze data, prepare journal entries, and prepare reports in compliance with generally accepted accounting principles.

**ACC 129 Individual Income Taxes 2 2 3**

Prerequisites: None

Corequisites: None

This course introduces the relevant laws governing individual income taxation. Topics include tax law, electronic research and methodologies, and the use of technology for preparation of individual income

tax returns. Upon completion, students should be able to analyze basic tax scenarios, research applicable tax law, and complete various individual tax forms.

**ACC 140 Payroll Accounting 1 3 2**

Prerequisites: ACC 115 or ACC 120

Corequisites: None

This course covers federal and state laws pertaining to wages, payroll taxes, payroll tax forms, and journal and general ledger transactions. Emphasis is placed on computing wages; calculating social security, income, and unemployment taxes; preparing appropriate payroll tax forms; and journalizing/posting transactions. Upon completion, students should be able to analyze data, make appropriate computations, complete forms, and prepare accounting entries using appropriate technology.

**ACC 149 Intro to ACC Spreadsheets 1 3 2**

Prerequisites: ACC 115 or ACC 120

Corequisites: None

This course provides a working knowledge of computer spreadsheets and their use in accounting. Topics include pre-programmed problems, model-building problems, beginning-level macros, graphics, and what-if analysis enhancements of template problems. Upon completion, students should be able to use a computer spreadsheet to complete many of the tasks required in accounting.

**ACC 150 Acct Software Appl 1 3 2**

Prerequisites: ACC 115 or ACC 120

Corequisites: None

This course introduces microcomputer applications related to accounting systems. Topics include general ledger, accounts receivable, accounts payable, inventory, payroll, and correcting, adjusting, and closing entries. Upon completion, students should be able to use a computer accounting package to accurately solve accounting problems.

**ACC 180 Practices in Bookkeeping 3 0 3**

Prerequisites: ACC 120

Corequisites: None

This course provides advanced instruction in bookkeeping and record-keeping functions. Emphasis is placed on mastering adjusting entries, correction of errors, depreciation, payroll, and inventory. Upon completion, students should be able to conduct all key bookkeeping functions for small businesses.

**ACC 220 Intermediate Accounting I 3 2 4**

Prerequisites: ACC 120

Corequisites: None

This course is a continuation of the study of accounting principles with in-depth coverage of theoretical concepts and financial statements. Topics include generally accepted accounting principles and extensive analysis of balance sheet components. Upon completion, students should be able to demonstrate competence in the conceptual framework underlying financial accounting, including the application of financial standards.

**ACC 225 Cost Accounting** 3 0 3

Prerequisites: ACC 121

Corequisites: None

This course introduces the nature and purposes of cost accounting as an information system for planning and control. Topics include direct materials, direct labor, factory overhead, process, job order, and standard cost systems. Upon completion, students should be able to demonstrate an understanding of the principles involved and display an analytical problem-solving ability for the topics covered.

**AGR – Agriculture**

**AGR 110 Agricultural Economics** 3 0 3

Prerequisites: None

Corequisites: None

This course provides an introduction to basic economic principles in agriculture. Topics include supply and demand, the role of agriculture in the economy, economic systems, and micro- and macroeconomics. Upon completion, students should be able to explain economic systems, interpret supply and demand curves, and complete cost and revenue production schedules.

**AGR 111 Basic Farm Maintenance** 1 3 2

Prerequisites: None

Corequisites: None

This course covers fundamentals of maintenance and repair of farm facilities and equipment. Topics include safe use of hand tools and farm machinery, carpentry, concrete, painting, wiring, welding, plumbing, and calculating costs and materials needed. Upon completion, students should be able to answer theoretical questions on topics covered and assist with maintenance and repair of farm facilities and equipment.

**AGR 139 Intro to Sustainable Ag** 3 0 3

Prerequisites: None

Corequisites: None

This course will provide students with a clear perspective on the principles, history and practices of sustainable agriculture in our local and global communities. Students will be introduced to the economic, environmental and social impacts of agriculture. Upon completion, students will be able to identify the principles of sustainable agriculture as they relate to basic production practices.

**AGR 140 Agricultural Chemicals** 2 2 3

Prerequisites: None

Corequisites: None

This course covers all aspects of agricultural chemicals. Topics include safety, environmental effects, federal and state laws, pesticide classification, sprayer calibration, and licensing. Upon completion, students should be able to calibrate a sprayer, give proper pesticide recommendations (using integrated pest management), and demonstrate safe handling of pesticides.

**AGR 160 Plant Science** 2 2 3

Prerequisites: None

Corequisites: None

This course introduces the basic principles of botany that pertain to agricultural production. Emphasis is placed on the anatomy and physiology of flowering plants. Upon completion, students should be able to identify and explain plant systems.

**AGR 170 Soil Science** 2 2 3

Prerequisites: None

Corequisites: None

This course covers the basic principles of soil management and fertilization. Topics include liming, fertilization, soil management, biological properties of soil (including beneficial microorganisms), sustainable land care practices and the impact on soils, and plant nutrients. Upon completion, students should be able to analyze, evaluate, and properly amend soils/media according to sustainable practices.

**AGR 212 Farm Business Management** 3 0 3

Prerequisites: None

Corequisites: None

This course introduces budgeting, farm analysis, production costs, business organizations, and general management principles. Topics include enterprise budgets, partial budgets, whole farm budgets, income analysis, and business organizations. Upon completion, student should be able to prepare and analyze a farm budget.

**AGR 213 Ag Law & Finance** 3 0 3

Prerequisites: None

Corequisites: None

This course covers the basic laws and financial aspects affecting agriculture. Topics include environmental laws, labor laws, contractual business operations, assets, liabilities, net worth, and funding sources. Upon completion, students should be able to complete loan application procedures and explain basic laws affecting the agricultural industry.

**AGR 214 Agricultural Marketing** 3 0 3

Prerequisites: None

Corequisites: None

This course covers basic marketing principles for agricultural products. Topics include buying, selling, processing, standardizing, grading, storing, and marketing of agricultural commodities. Upon completion, students should be able to construct a marketing plan for an agricultural product.

**AGR 261 Agronomy** 2 2 3

Prerequisites: None

Corequisites: None

This course provides a basic introduction to field and forage crops. Topics include forage crops, field crops, seed selection, fertility management, field preparation, harvesting, and storage. Upon

completion, students should be able to demonstrate a knowledge of forage and field crop production practices.

**AHR – Air Cond, Heating and Refrig**

**AHR 120 HVACR Maintenance 1 3 2**

Prerequisites: None

Corequisites: None

This course introduces the basic principles of industrial air conditioning and heating systems. Emphasis is placed on preventive maintenance procedures for heating and cooling equipment and related components. Upon completion, students should be able to perform routine preventive maintenance tasks, maintain records, and assist in routine equipment repairs.

**ANS – Animal Science**

**ANS 110 Animal Science 3 0 3**

Prerequisites: None

Corequisites: None

This course introduces the livestock industry. Topics include nutrition, reproduction, production practices, diseases, meat processing, sustainable livestock production, and marketing. Upon completion, students should be able to demonstrate a basic understanding of livestock production practices and the economic impact of livestock locally, regionally, state-wide, and internationally.

**ANS 115 Animal Feeds & Nutrition 2 2 3**

Prerequisites: None

Corequisites: None

This course covers the fundamentals of animal feeding and nutrition. Topics include nutrient requirements, digestion, feed formulation, and classification. Upon completion, students should be able to demonstrate knowledge of nutritional requirements and feeding practices of farm animals.

**ANS 116 Intro to the Equine Industry 3 0 3**

Prerequisites: None

Corequisites: None

This course provides an introduction to the equine industry. Topics include history, breeds, disciplines, economic impact, and career opportunities within the industry. Upon completion, students should be able to demonstrate a basic understanding of the equine industry and as it relates to animal science, production, and management.

**ANS 120 Beef Production 2 2 3**

Prerequisites: None

Corequisites: None

This course provides an introduction to the beef cattle industry. Topics include reproduction, cattle management, marketing, anatomy and physiology, and pasture management (including sustainable practices). Upon completion, students should be able to demonstrate a basic understanding of beef cattle production practices and the economic and environmental impact of the beef cattle industry locally, regionally, state-wide, and internationally.

**ANS 130 Poultry Production****2 2 3**

Prerequisites: None

Corequisites: None

This course provides an introduction to the poultry industry. Topics include anatomy and physiology, reproduction, incubation, environmental issues, and husbandry. Upon completion, students should be able to demonstrate a basic understanding of poultry production and the economic and environmental impact of the poultry industry locally, regionally, state-wide, and internationally.

**ANS 140 Swine Production****2 2 3**

Prerequisites: None

Corequisites: None

This course provides an introduction to the swine industry. Topics include basic skills for breeding, farrowing, nursery, environmental issues, and grower/finisher. Upon completion, students should be able to demonstrate a basic understanding of swine production practices and the economic and environmental impact of the swine industry locally, regionally, state-wide, and internationally.

**ANS 142 Swine Records & Analysis****2 2 3**

Prerequisites: ANS 140

Corequisites: None

This course introduces production records utilized by the swine industry. Topics include types of records needed, establishing production goals, calculating production efficiencies, understanding computer applications in record keeping, and interpreting production data. Upon completion, students should be able to establish production goals, calculate production efficiencies, complete a production summary, and interpret data from computer printouts.

**ANS 143 Swine Health Management****2 2 3**

Prerequisites: None

Corequisites: None

This course covers all aspects of swine disease and health management. Emphasis is placed on disease identification and treatment, biosecurity and herd health plans, routine swine health practices, and laws and regulations applying to swine. Upon completion, students should be able to identify and recommend treatment for major diseases, develop a herd health plan, and describe the appropriate uses for medications.

**ANS 144 Swine Housing & Waste Mgt****4 0 4**

Prerequisites: ANS 140

Corequisites: None

This course includes the areas of swine waste management and confinement facilities for swine. Emphasis is placed on types of waste management systems, types of building systems used, and managing the internal environment in confinement buildings. Upon completion, students should be able to identify types of waste systems used, determine waste application rates, and identify types of housing and ventilation systems.

**ANS 150 Animal Health Management 3 0 3**

Prerequisites: None

Corequisites: None

This course introduces animal diseases and health management. Topics include identification, prevention, management (including integrated pest management), and treatment of diseases. Upon completion, students should be able to recognize disease symptoms, recommend treatments, identify preventive steps, and develop biosecurity procedures.

**ANS 180 Equine Production 3 2 4**

Prerequisites: None

Corequisites: None

This course provides an introduction to the production of horses. Topics include anatomy and physiology, reproduction, genetics, selection, and basic management practices. Upon completion, students should be able to demonstrate a basic understanding of the production and management of horses.

**ANS 240 Swine Prod Issues 2 0 2**

Prerequisites: None

Corequisites: None

This course explores areas associated with the swine industry. Emphasis is placed on oral presentations, work schedules, resumes, letters of application, recruiting and motivating employees, interviewing, public relations, and in-service activities. Upon completion, student should be able to prepare a resume, complete a job application and interview, prepare work schedules, and make oral presentations.

#### **ART – Art**

**ART 111 Art Appreciation 3 0 3**

**(College Transfer--UGETC: Humanities/Fine Arts – AA/AS)**

Prerequisites: None

Corequisites: None

This course introduces the origins and historical development of art. Emphasis is placed on the relationship of design principles to various art forms including but not limited to sculpture, painting, and architecture. Upon completion, students should be able to identify and analyze a variety of artistic styles, periods, and media. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**ART 114 Art History Survey I 3 0 3**

**(College Transfer--UGETC: Humanities/Fine Arts – AA/AS)**

Prerequisites: None

Corequisites: None

This course covers the development of art forms from ancient times to the Renaissance. Emphasis is placed on content, terminology, design, and style. Upon completion, student should be able to demonstrate an historical understanding of art as a product reflective on human social development.

*This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**ART 115 Art History Survey II 3 0 3**  
**(College Transfer--UGETC: Humanities/Fine Arts – AA/AS)**

Prerequisites: None

Corequisites: None

This course covers the development of art forms from the Renaissance to the present. Emphasis is placed on content, terminology, design, and style. Upon completion, students should be able to demonstrate an historical understanding of art as a product reflective of human social development.

*This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**ART 116 Survey of American Art 3 0 3**  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: None

Corequisites: None

This course covers the development of American art forms from colonial times to the present. Emphasis is placed on architecture, painting, sculpture, graphics, and the decorative arts. Upon completion, students should be able to demonstrate understanding of the history of the American creative experience. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

#### **ATR – Automation & Robotics**

**ATR 280 Robotic Fundamentals 3 2 4**

Prerequisites: None

Corequisites: None

This course covers application, programming, and maintenance fundamentals for robotic devices. Emphasis is placed on terminology, problem solving, robotic systems controls, and hands-on projects. Upon completion, students should be able to apply basic concepts in application, programming, and robotic control systems.

#### **BIO – Biology**

**BIO 110 Principles of Biology 3 3 4**  
**(College Transfer--UGETC: Natural Sciences – AA/AS)**

Prerequisites: None

Corequisites: None

This course provides a survey of fundamental biological principles for non-science majors. Emphasis is placed on basic chemistry, cell biology, metabolism, genetics, evolution, ecology, diversity, and other related topics. Upon completion, students should be able to demonstrate increased knowledge and better understanding of biology as it applies to everyday life. *This course has been approved for transfer under the CAA and ICAA as a general education course in Natural Science.*

**BIO 111 General Biology I** 3 3 4  
**(College Transfer--UGETC: Natural Sciences – AA/AS)**

Prerequisites: None

Corequisites: None

This course introduces the principles and concepts of biology. Emphasis is placed on basic biological chemistry, molecular and cellular biology, metabolism and energy transformation, genetics, evolution, and other related topics. Upon completion, students should be able to demonstrate understanding of life at the molecular and cellular levels. *This course has been approved for transfer under the CAA and ICAA as a general education course in Natural Science.*

**BIO 112 General Biology II** 3 3 4  
**(College Transfer--UGETC: Natural Sciences – AS)**

Prerequisites: BIO 111

Corequisites: None

This course is a continuation of BIO 111. Emphasis is placed on organisms, evolution, biodiversity, plant and animal systems, ecology, and other related topics. Upon completion, students should be able to demonstrate comprehension of life at the organismal and ecological levels. *This course has been approved for transfer under the CAA and ICAA as a general education course in Natural Science.*

**BIO 163 Basic Anat & Physiology** 4 2 5  
**(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course provides a basic study of the structure and function of the human body. Topics include a basic study of the body systems as well as an introduction to homeostasis, cells, tissues, nutrition, acid-base balance, and electrolytes. Upon completion, students should be able to demonstrate a basic understanding of the fundamental principles of anatomy and physiology and their interrelationships. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**BIO 168 168 Anatomy & Physiology I** 3 3 4  
**(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course provides a comprehensive study of the anatomy and physiology of the human body. Topics include body organization, homeostasis, cytology, histology, and the integumentary, skeletal, muscular, and nervous systems and special senses. Upon completion, students should be able to demonstrate an in-depth understanding of principles of anatomy and physiology and their interrelationships. *This course has been approved to satisfy the CAA and ICAA premajor and/or elective course requirement.*

**BIO 169 Anatomy & Physiology II** 3 3 4  
**(College Transfer--Pre-Major/Elective)**

Prerequisites: BIO 168

Corequisites: None

This course provides a continuation of the comprehensive study of the anatomy and physiology of the human body. Topics include the endocrine, cardiovascular, lymphatic, respiratory, digestive, urinary, and reproductive systems as well as metabolism, nutrition, acid-base balance, and fluid and electrolyte balance. Upon completion, students should be able to demonstrate an in-depth understanding of principles of anatomy and physiology and their interrelationships. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**BIO 275 Microbiology** 3 3 4  
**(College Transfer--Pre-Major/Elective)**

Prerequisites: Take one: BIO 111, BIO 163, BIO 165 or BIO 168

Corequisites: None

This course covers principles of microbiology and the impact these organisms have on man and the environment. Topics include the various groups of microorganisms, their structure, physiology, genetics, microbial pathogenicity, infectious diseases, immunology, and selected practical applications. Upon completion, students should be able to demonstrate knowledge and skills including microscopy, aseptic technique, staining, culture methods, and identification of microorganisms. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

#### **BUS – Business**

**BUS 110 Introduction to Business** 3 0 3  
**(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course provides a survey of the business world. Topics include the basic principles and practices of contemporary business. Upon completion, students should be able to demonstrate an understanding of business concepts as a foundation for studying other business subjects. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**BUS 115 Business Law I** 3 0 3  
**(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course introduces the student to the legal and ethical framework of business. Contracts, negotiable instruments, the law of sales, torts, crimes, constitutional law, the Uniform Commercial Code, and the court systems are examined. Upon completion, the student should be able to identify legal and ethical issues that arise in business decisions and the laws that apply to them. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**BUS 121 Business Math** 2 2 3

Prerequisites: None

Corequisites: None

This course covers fundamental mathematical operations and their application to business problems. Topics include payroll, pricing, interest and discount, commission, taxes, and other pertinent uses of mathematics in the field of business. Upon completion, students should be able to apply mathematical concepts to business.

**BUS 125 Personal Finance** 3 0 3

Prerequisites: None

Corequisites: None

This course provides a study of individual and family financial decisions. Emphasis is placed on building useful skills in buying, managing finances, increasing resources, and coping with current economic conditions. Upon completion, students should be able to develop a personal financial plan.

**BUS 135 Principles of Supervision** 3 0 3

Prerequisites: None

Corequisites: None

This course introduces the basic responsibilities and duties of the supervisor and his/her relationship to higher-level supervisors, subordinates, and associates. Emphasis is placed on effective utilization of the work force and understanding the role of the supervisor. Upon completion, students should be able to apply supervisory principles in the workplace.

**BUS 137 Principles of Management  
(College Transfer--Pre-Major/Elective)** 3 0 3

Prerequisites: None

Corequisites: None

This course is designed to be an overview of the major functions of management. Emphasis is placed on planning, organizing, controlling, directing and communicating. Upon completion, students should be able to work as contributing members of a team utilizing these functions of management. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**BUS 139 Entrepreneurship I** 3 0 3

Prerequisites: None

Corequisites: None

This course provides an introduction to the principles of entrepreneurship. Topics include self-analysis of entrepreneurship readiness, the role of entrepreneur in economic development, legal problems, organizational structure, sources of financing, budgeting, and cash flow. Upon completion, students should have an understanding of the entrepreneurial process and issues faced by entrepreneurs.

**BUS 151 People Skills** 3 0 3

Prerequisites: None

Corequisites: None

This course introduces the basic concepts of identity and communication in the business setting. Topics include self-concept, values, communication styles, feelings and emotions, roles versus relationships, and basic assertiveness, listening, and conflict resolution. Upon completion, students should be able to distinguish between unhealthy, self-destructive, communication patterns and healthy, non-destructive, positive communication patterns.

**BUS 153 Human Resource Management** 3 0 3

Prerequisites: None

Corequisites: None

This course introduces the functions of personnel/ human resource management within an organization. Topics include equal opportunity and the legal environment, recruitment and selection, performance appraisal, employee development, compensation planning, and employee relations. Upon completion, students should be able to anticipate and resolve human resource concerns.

**BUS 225 Business Finance** 2 2 3

Prerequisites: ACC 120

Corequisites: None

This course provides an overview of business financial management. Emphasis is placed on financial statement analysis, time value of money, management of cash flow, risk and return, and sources of financing. Upon completion, students should be able to interpret and apply the principles of financial management.

**BUS 260 Business Communication** 3 0 3

Prerequisites: ENG 110 or ENG 111

Corequisites: None

This course is designed to develop skills in writing business communications. Emphasis is placed on business reports, correspondence, and professional presentations. Upon completion, students should be able to communicate effectively in the work place.

**BUS 270 Professional Development** 3 0 3

Prerequisites: None

Corequisites: None

This course provides basic knowledge of self-improvement techniques as related to success in the professional world. Topics include positive human relations, job-seeking skills, and projecting positive self-image. Upon completion, students should be able to demonstrate competent personal and professional skills necessary to get and keep a job.

**CIS 111 Basic PC Literacy** 1 2 2

Prerequisites: None

Corequisites: None

This course provides an overview of computer concepts. Emphasis is placed on the use of personal computers and software applications for personal and fundamental workplace use. Upon completion, students should be able to demonstrate basic personal computer skills.

**CIS 115 Intro to Prog & Logic** 2 3 3  
**(College Transfer—GEN ED: Mathematics-Quantitative)**

Prerequisites: Take One Set:

Set 1: DMA 010, DMA 020, DMA 030 and DMA 040

Set 2: DMA 025 and DMA 040

Set 3: MAT 121

Set 4: MAT 171

Set 5: MAT 003

Set 6: BSP 4003

Corequisites: None

This course introduces computer programming and problem solving in a structured program logic environment. Topics include language syntax, data types, program organization, problem solving methods, algorithm design, and logic control structures. Upon completion, students should be able to use top-down algorithm design and implement algorithmic solutions in a programming language. *This course has been approved for transfer under the CAA and ICAA as a general education course in Mathematics (Quantitative).*

### **CJC – Criminal Justice**

**CJC 110 Basic Law Enforcement BLET** 10 30 20

Prerequisites: None

Corequisites: None

This course covers the basic skills and knowledge needed for entry-level employment as a law enforcement officer in North Carolina. Topics include those mandated by North Carolina Administration Code as essential for functioning in law enforcement. Upon successful completion, the student will be able to demonstrate competence in the topics required for the state comprehensive certification examination.

**CJC 111 Intro to Criminal Justice** 3 0 3  
**(College Transfer-Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course introduces the components and processes of the criminal justice system. Topics include history, structure, functions, and philosophy of the criminal justice system and their relationship to life in our society. Upon completion, students should be able to define and describe the major system components and their interrelationships and evaluate career options. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**CJC 112 Criminology** 3 0 3

Prerequisites: None

Corequisites: None

This course introduces deviant behavior as it relates to criminal activity. Topics include theories of crime causation; statistical analysis of criminal behavior; past, present, and future social control initiative; and other related topics. Upon completion, students should be able to explain and discuss various theories of crime causation and societal response.

**CJC 113 Juvenile Justice** 3 0 3  
**(College Transfer-Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course covers the juvenile justice system and related juvenile issues. Topics include an overview of the juvenile justice system, treatment and prevention programs, special areas and law unique to juveniles, and other related topics. Upon completion, students should be able to identify/discuss juvenile court structure/procedures, function and jurisdiction of juvenile agencies, processing/detention of juveniles, and case disposition. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**CJC 120 Interviews/Interrogations** 1 2 2

Prerequisites: None

Corequisites: None

This course covers basic and special techniques employed in criminal justice interviews and interrogations. Emphasis is placed on the interview/interrogation process, including interpretation of verbal and physical behavior and legal perspectives. Upon completion, students should be able to conduct interviews/interrogations in a legal, efficient, and professional manner and obtain the truth from suspects, witnesses, and victims.

**CJC 121 Law Enforcement Operations** 3 0 3  
**College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course introduces fundamental law enforcement operations. Topics include the contemporary evolution of law enforcement operations and related issues. Upon completion, students should be able to explain theories, practices, and issues related to law enforcement operations. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**CJC 131 Criminal Law** 3 0 3

Prerequisites: None

Corequisites: None

This course covers the history/evolution/ principles and contemporary applications of criminal law. Topics include sources of substantive law, classification of crimes, parties to crime, elements of crimes, matters of criminal responsibility, and other related topics. Upon completion, students should be able to discuss the sources of law and identify, interpret, and apply the appropriate statutes/elements.

**CJC 132 Court Procedure & Evidence 3 0 3**

Prerequisites: None

Corequisites: None

This course covers judicial structure/process/procedure from incident to disposition, kinds and degrees of evidence, and the rules governing admissibility of evidence in court. Topics include consideration of state and federal courts, arrest, search and seizure laws, exclusionary and statutory rules of evidence, and other related issues. Upon completion, students should be able to identify and discuss procedure necessary to establish a lawful arrest/search, proper judicial procedures, and the admissibility of evidence.

**CJC 141 Corrections 3 0 3  
(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course covers the history, major philosophies, components, and current practices and problems of the field of corrections. Topics include historical evolution, functions of the various components, alternatives to incarceration, treatment programs, inmate control and other related topics. Upon completion, students should be able to explain the various components, processes, and functions of the correctional system. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**CJC 212 Ethics & Comm Relations 3 0 3  
(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course covers ethical considerations and accepted standards applicable to criminal justice organizations and professionals. Topics include ethical systems; social change, values, and norms; cultural diversity; citizen involvement in criminal justice issues; and other related topics. Upon completion, students should be able to apply ethical considerations to the decision-making process in identifiable criminal justice situations. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**CJC 221 Investigative Principles 3 2 4**

Prerequisites: None

Corequisites: None

This course introduces the theories and fundamentals of the investigative process. Topics include crime scene/incident processing, information gathering techniques, collection/preservation of evidence, preparation of appropriate reports, court presentations, and other related topics. Upon completion, students should be able to identify, explain, and demonstrate the techniques of the investigative process, report preparation, and courtroom presentation.

**CJC 225 Crisis Intervention** 3 0 3

Prerequisites: None

Corequisites: None

This course introduces critical incident intervention and management techniques as they apply to operational criminal justice practitioners. Emphasis is placed on the victim/offender situation as well as job-related high stress, dangerous, or problem-solving citizen contacts. Upon completion, students should be able to provide insightful analysis of emotional, violent, drug-induced, and other critical and/or stressful incidents that require field analysis and/or resolution.

**CJC 231 Constitutional Law** 3 0 3

Prerequisites: None

Corequisites: None

The course covers the impact of the Constitution of the United States and its amendments on the criminal justice system. Topics include the structure of the Constitution and its amendments, court decisions pertinent to contemporary criminal justice issues, and other related topics. Upon completion, students should be able to identify/discuss the basic structure of the United States Constitution and the rights/procedures as interpreted by the courts.

#### **COM – Communication/Speech**

**COM 231 Public Speaking** 3 0 3

**(College Transfer--UGETC: Communications--AA/AS)**

Prerequisites: None

Corequisites: None

This course provides instruction and experience in preparation and delivery of speeches within a public setting and group discussion. Emphasis is placed on research, preparation, delivery, and evaluation of informative, persuasive, and special occasion public speaking. Upon completion, students should be able to prepare and deliver well-organized speeches and participate in group discussion with appropriate audiovisual support. *This course has been approved for transfer under the CAA and ICAA a general education course in English Composition.*

#### **COS – Cosmetology**

**COS 111 Cosmetology Concepts I** 4 0 4

Prerequisites: None

Corequisites: COS 112

This course introduces basic cosmetology concepts. Topics include safety, first aid, sanitation, bacteriology, anatomy, diseases and disorders, hygiene, product knowledge, chemistry, ethics, manicures, and other related topics. Upon completion, students should be able to safely and competently apply cosmetology concepts in the salon setting.

**COS 112 Salon I** 0 24 8

Prerequisites: None

Corequisites: COS 111

This course introduces basic salon services. Topics include scalp treatments, shampooing, rinsing, hair color, design, haircutting, permanent waving, pressing, relaxing, wigs, and other related topics. Upon completion, students should be able to safely and competently demonstrate salon services.

**COS 113 Cosmetology Concepts II** 4 0 4

Prerequisites: Take All: COS-111 and COS-112

Corequisites: None

This course covers more comprehensive cosmetology concepts. Topics include safety, product knowledge, chemistry, manicuring, chemical restructuring, and hair coloring. Upon completion, student should be able to safely and competently apply these cosmetology concepts in the salon setting.

**COS 114 Salon II** 0 24 8

Prerequisites: Take All: COS-111 and COS-112

Corequisites: None

This course provides experience in a simulated salon setting. Topics include basic skin care, manicuring, nail application, scalp treatments, shampooing, rinsing, hair color, design, haircutting, chemical restructuring, pressing, wigs, and other related topics. Upon completion, students should be able to safely and competently demonstrate these salon services.

**COS 115 Cosmetology Concepts III** 4 0 4

Prerequisites: Take All: COS-111 and COS-112

Corequisites: None

This course covers more comprehensive cosmetology concepts. Topics include safety, product knowledge, salon management, salesmanship, skin care, electricity/light therapy, wigs, thermal hair styling, lash and brow tinting, superfluous hair removal, and other related topics. Upon completion, students should be able to safely and competently apply these cosmetology concepts in the salon setting.

**COS 116 Salon III** 0 12 4

Prerequisites: Take All: COS-111 and COS-112

Corequisites: None

This course provides comprehensive experience in a simulated salon setting. Emphasis is placed on intermediate-level of skin care, manicuring, scalp treatments, shampooing, hair color, design, haircutting, chemical restructuring, pressing, and other related topics. Upon completion, students should be able to safely and competently demonstrate these salon services.

**COS 117 Cosmetology Concepts IV 2 0 2**

Prerequisites: Take All: COS-111 and COS-112

Corequisites: None

This course covers advanced cosmetology concepts. Topics include chemistry and hair structure, advanced cutting and design, and an overview of all cosmetology concepts in preparation for the licensing examination. Upon completion, students should be able to demonstrate an understanding of these cosmetology concepts and meet program completion requirements.

**COS 118 Salon IV 0 21 7**

Prerequisites: Take All: COS-111 and COS-112

Corequisites: None

This course provides advanced experience in a simulated salon setting. Emphasis is placed on efficient and competent delivery of all salon services in preparation for the licensing examination and employment. Upon completion, students should be able to demonstrate competence in program requirements and the areas covered on the Cosmetology Licensing Examination and meet entry-level employment requirements.

**COS 119 Esthetics Concepts I 2 0 2**

Prerequisites: None

Corequisites: None

This course covers the concepts of esthetics. Topics include orientation, anatomy, physiology, hygiene, sterilization, first aid, chemistry, basic dermatology, and professional ethics. Upon completion, students should be able to demonstrate an understanding of the concepts of esthetics and meet course requirements.

**COS 121 Manicure/ Nail Technology I 4 6 6**

Prerequisites: None

Corequisites: None

This course covers techniques of nail technology, hand and arm surface manipulation, and recognition of nail diseases and disorders. Topics include OSHA/safety, sanitation, bacteriology, product knowledge, salesmanship, manicures, artificial application, pedicures, surface manipulation, and other related topics. Upon completion, students should be able to safely and competently perform nail care, including manicures, pedicures, surface manipulation, decorating, and artificial applications in a salon setting.

**COS 223 Contemp Hair Coloring 1 3 2**

Prerequisites: Take All: COS 111, COS 112

Corequisites: None

This course covers basic color concepts, hair coloring problems, and application techniques. Topics include color theory, terminology, contemporary techniques, product knowledge, and other related topics. Upon completion, students should be able to identify a client's color needs and safely and competently perform color applications and correct problems.

**COS 224 Trichology and Chemistry 1 3 2**

Prerequisites: None

Corequisites: None

This course is a study of hair and the interaction of applied chemicals. Emphasis is placed on pH actions and the reactions and effects of chemical ingredients. Upon completion, students should be able to demonstrate an understanding of chemical terminology, pH testing, and chemical reactions on hair.

**COS 240 Contemporary Design 1 3 2**

Prerequisites: Take All: COS 111, COS 112

Corequisites: None

This course covers methods and techniques for contemporary designs. Emphasis is placed on contemporary designs and other related topics. Upon completion, students should be able to demonstrate and apply techniques associated with contemporary design.

**COS 260 Design Applications 1 3 2**

Prerequisites: None

Corequisites: None

This course provides an overview of the design concepts used in cosmetology. Topics include the application of art principles and elements to artistically design hair, nails, and make-up and other related topics. Upon completion, students should be able to demonstrate knowledge and techniques associated with design concepts.

**COS 271 Instructor Concepts I 5 0 5**

Prerequisites: None

Corequisites: COS 272

This course introduces the basic cosmetology instructional concepts. Topics include orientation, theories of education, unit planning, daily lesson planning, laboratory management, student assessment, record keeping, and other related topics. Upon completion, students should be able to identify theories of education, develop lesson plans, demonstrate supervisory techniques, and assess student performance in a classroom setting.

**COS 272 Instructor Practicum I 0 21 7**

Prerequisites: None

Corequisites: COS 271

This course covers supervisory and instructional skills for teaching entry-level cosmetology students in a laboratory setting. Topics include demonstrations of services, supervision, and entry-level student assessment. Upon completion, students should be able to demonstrate salon services and instruct and objectively assess the entry-level student.

**COS 273 Instructor Concepts II 5 0 5**

Prerequisites: Take All: COS 271, COS 272

Corequisites: COS 274

This course covers advanced cosmetology instructional concepts. Topics include practical demonstrations, lesson planning, lecture techniques, development and administration of assessment

tools, record keeping, and other related topics. Upon completion, students should be able to develop lesson plans, demonstrate supervision techniques, assess student performance in a classroom setting, and keep accurate records.

**COS 274 Instructor Practicum II 0 21 7**

Prerequisites: Take All: COS 271, COS 272

Corequisites: COS 273

This course is designed to develop supervisory and instructional skills for teaching advanced cosmetology students in a laboratory setting. Topics include practical demonstrations, supervision, and advanced student assessment. Upon completion, students should be able to demonstrate competence in the areas covered by the Instructor Licensing Examination and meet program completion requirements.

**CSC – Computer Science**

**CSC 151 JAVA Programming (College Transfer—Pre-major/Elective) 2 3 3**

Prerequisites: None

Corequisites: None

This course introduces computer programming using the JAVA programming language with object-oriented programming principles. Emphasis is placed on event-driven programming methods, including creating and manipulating objects, classes, and using object-oriented tools such as the class debugger. Upon completion students should be able to design, code, test, debug JAVA language programs. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**CTI – Computer Tech Integration**

**CTI 110 Web, Pgm & DB Foundation 2 2 3**

Prerequisites: None

Corequisites: None

This course covers the introduction of the tools and resources available to students in programming, mark-up language and services on the Internet. Topics include standard mark-up language Internet services, creating web pages, using search engines, file transfer programs; and database design and creation with DBMS products. Upon completion students should be able to demonstrate knowledge of programming tools, deploy a web-site with mark-up tools, and create a simple database table.

**CTI 120 Network & Sec Foundation 2 2 3**

Prerequisites: None

Corequisites: None

This course introduces students to the Network concepts, including networking terminology and protocols, local and wide area networks, and network standards. Emphasis is placed on securing information systems and the various implementation policies. Upon completion, students should be able to perform basic tasks related to networking mathematics, terminology, media and protocols.

**CTI 141 Cloud & Storage Concepts 1 4 3**

Prerequisites: None

Corequisites: None

This course introduces cloud computing and storage concepts. Emphasis is placed on cloud terminology, virtualization, storage networking and access control. Upon completion, students should be able to perform tasks related to installation, configuration and management of cloud storage systems.

**CTS – Computer Information Technology**

**CTS 115 Info Sys Business Concepts 3 0 3**  
**(College Transfer—Pre-major/Elective)**

Prerequisites: None

Corequisites: None

The course introduces the role of IT in managing business processes and the need for business process and IT alignment. Emphasis is placed on industry need for understanding business challenges and developing/managing information systems to contribute to the decision-making process based on these challenges. Upon completion, students should be able to demonstrate knowledge of the 'hybrid business manager' and the potential offered by new technology and systems. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**CTS 120 Hardware/Software Support 2 3 3**

Prerequisites: None

Corequisites: None

This course covers the basic hardware of a personal computer, including installation, operations and interactions with software. Topics include component identification, memory-system, peripheral installation and configuration, preventive maintenance, hardware diagnostics/repair, installation and optimization of system software, commercial programs, system configuration, and device-drivers. Upon completion, students should be able to select appropriate computer equipment and software, upgrade/maintain existing equipment and software, and troubleshoot/repair non-functioning personal computers.

**CTS 130 Spreadsheet 2 2 3**

Prerequisites: None

Corequisites: None

This course introduces basic spreadsheet design and development. Topics include writing formulas, using functions, enhancing spreadsheets, creating charts, and printing. Upon completion, students should be able to design and print basic spreadsheets and charts.

**CTS 230 Advanced Spreadsheet 2 2 3**

Prerequisites: CTS 130

Corequisites: None

This course covers advanced spreadsheet design and development. Topics include advanced functions and statistics, charting, macros, databases, and linking. Upon completion, students should be able to demonstrate competence in designing complex spreadsheets.

**CTS 289 System Support Project 1 4 3**

Prerequisites: Take All: CTI 110, CTI 120, and CTS 115

Corequisites: None

This course provides an opportunity to complete a significant support project with minimal instructor assistance. Emphasis is placed on written and oral communication skills, project definition, documentation, installation, testing, presentation, and user training. Upon completion, students should be able to complete a project from the definition phase through implementation.

#### **DBA – Database Management Technology**

**DBA 110 Database Concepts 2 3 3**

Prerequisites: None

Corequisites: None

This course introduces database design and creation using a DBMS product. Emphasis is placed on data dictionaries, normalization, data integrity, data modeling, and creation of simple tables, queries, reports, and forms. Upon completion, students should be able to design and implement normalized database structures by creating simple database tables, queries, reports, and forms.

#### **DFT – Drafting**

**DFT 151 CAD I 2 3 3**

Prerequisites: None

Corequisites: None

This course introduces CAD software as a drawing tool. Topics include drawing, editing, file management, and plotting. Upon completion, students should be able to produce and plot a CAD drawing.

#### **ECO – Economics**

**ECO 151 Survey of Economics 3 0 3**

**(College Transfer—GEN ED: Social/Behavioral Science)**

Prerequisites: None

Corequisites: None

This course, for those who have not received credit for ECO 251 or 252, introduces basic concepts of micro- and macroeconomics. Topics include supply and demand, optimizing economic behavior, prices and wages, money, interest rates, banking system, unemployment, inflation, taxes, government spending, and international trade. Upon completion, students should be able to explain alternative solutions for economic problems faced by private and government sectors. *This course has been approved for transfer under the CAA and ICAA a general education course in Social/Behavioral Sciences.*

**ECO 251 Prin of Microeconomics 3 0 3**

**(College Transfer--UGETC: Social/Behavioral Sci – AA/AS)**

Prerequisites: None

Corequisites: None

This course introduces economic analysis of individual, business, and industry in the market economy. Topics include the price mechanism, supply and demand, optimizing economic behavior, costs and

revenue, market structures, factor markets, income distribution, market failure, and government intervention. Upon completion, students should be able to identify and evaluate consumer and business alternatives in order to efficiently achieve economic objectives. *This course has been approved for transfer under the CAA and ICAA a general education course in Social/Behavioral Sciences.*

**ECO 252 Prin of Macroeconomics 3 0 3**

**(College Transfer--UGETC: Social/Behavioral Sci – AA/AS)**

Prerequisites: None

Corequisites: None

This course introduces economic analysis of aggregate employment, income, and prices. Topics include major schools of economic thought; aggregate supply and demand; economic measures, fluctuations, and growth; money and banking; stabilization techniques; and international trade. Upon completion, students should be able to evaluate national economic components, conditions, and alternatives for achieving socioeconomic goals. *This course has been approved for transfer under the CAA and ICAA a general education course in Social/Behavioral Sciences.*

### **EDU – Education**

**EDU 119 Intro to Early Child Education 4 0 4**

Prerequisites: None

Corequisites: None

This course introduces the foundations of culturally responsive, equitable and inclusive early childhood education, planning intentional developmentally appropriate experiences, young children, guidance techniques, and professionalism. Topics include theoretical foundations, national early learning standards, NC Foundations for Early Learning and Development, state regulations, program types, career options, professionalism, ethical conduct, quality inclusive environments, guidance techniques, and curriculum responsive to the needs of each child/family. Upon completion, students should be able to implement developmentally appropriate environments, guidance techniques, schedules, and teaching strategies across developmental domains to support culturally, linguistically, and ability diverse children and their families in inclusive settings, and design a personal career/professional development plan.

**EDU 131 Child, Family, & Community 3 0 3**

Prerequisites: None

Corequisites: None

This course covers the development of partnerships among culturally, linguistically and ability diverse families, children, schools and communities through the use of evidence-based strategies. Emphasis is placed on developing skills and identifying benefits for establishing and supporting respectful relationships between diverse families, programs/schools, and community agencies/resources reflective of the NAEYC Code of Ethical Conduct and Code of Ethics for North Carolina Educators. Upon completion, students should be able to explain identify appropriate relationship building strategies between diverse families, children birth through adolescence, schools, and communities and demonstrate a variety of communication skills including appropriate use of technology to support every child.

**EDU 144 Child Development I** 3 0 3

Prerequisites: None

Corequisites: None

This course includes the theories of child development, observation and assessment, milestones, and factors that influence development, from conception through approximately 36 months. Emphasis is placed on knowledge, observation and assessment of developmental sequences in approaches to play/learning, emotional/social, health/physical, language/communication and cognitive domains. Upon completion, students should be able to compare/contrast typical/atypical developmental characteristics, explain biological and environmental factors that impact development, and identify evidence-based strategies for enhancing development for children that are culturally, linguistically, and ability diverse.

**EDU 145 Child Development II** 3 0 3

Prerequisites: None

Corequisites: None

This course includes the theories of child development, observation and assessment, milestones, and factors that influence development, from preschool through middle childhood. Emphasis is placed on knowledge, observation and assessment of developmental sequences in approaches to play/learning, emotional/social, health/physical, language/communication and cognitive domains. Upon completion, students should be able to compare/contrast typical/atypical developmental characteristics, explain biological and environmental factors that impact development, and identify evidence-based strategies for enhancing development for children that are culturally, linguistically, and ability diverse.

**EDU 146 Child Guidance** 3 0 3

Prerequisites: None

Corequisites: None

This course introduces evidence-based strategies to build nurturing relationships with each child by applying principals and practical techniques to facilitate developmentally appropriate guidance. Topics include designing responsive/supportive learning environments, cultural, linguistic and socio-economic influences on behavior, appropriate expectations, the importance of communication with children/families including using technology and the use of formative assessments in establishing intentional strategies for children with unique needs. Upon completion, students should be able to demonstrate direct/indirect strategies to encourage social skills, self-regulation, emotional expression and positive behaviors while recognizing the relationship between children's social, emotional and cognitive development.

**EDU 151 Creative Activities** 3 0 3

Prerequisites: None

Corequisites: None

This course introduces developmentally supportive, diverse, equitable, and inclusive creative learning environments with attention to divergent thinking, creative problem-solving, evidence-based teaching practices, and open-ended learning materials and activities that align with the NC Foundations for Early Learning and Development. Emphasis is placed on best practices providing process-driven culturally diverse, learning experiences in art, music, creative movement, dance, and dramatic play integrated

across all domains and academic content in indoor/outdoor environments for every young child age birth through age eight. Upon completion, students should be able to observe, examine, create, adapt, and advocate for developmentally appropriate creative learning materials, experiences, and environments for children that are culturally, linguistically, and ability diverse.

**EDU 151A Creative Activities Lab 0 2 1**

Prerequisites: None

Corequisites: EDU 151 and DRE 097

This course provides a laboratory component to complement EDU 151. Emphasis is placed on practical experiences that enhance concepts introduced in the classroom. Upon completion, students should be able to demonstrate a practical understanding of the development and implementation of appropriate creative activities.

**EDU 153 Health Safety & Nutrition 3 0 3**

Prerequisites: None

Corequisites: None

This course covers promoting and maintaining the health and well-being of every child. Topics include health and nutritional guidelines, common childhood illnesses, maintaining safe and healthy learning environments, health benefits of active play, recognition and reporting of abuse/neglect, and state regulations. Upon completion, students should be able to apply knowledge of NC Foundations for Early Learning and Development for health, safety, and nutritional needs and safe learning environments.

**EDU 153A Health, Safety, & Nutrition Lab 0 2 1**

Prerequisites: None

Corequisites: EDU 153

This course provides a laboratory component to complement EDU 153. Emphasis is placed on practical experiences that enhance concepts introduced in the classroom. Upon completion, students should be able to demonstrate a practical understanding of the development and implementation of safe indoor/outdoor environments and programs that promote healthy lifestyles.

**EDU 163 Classroom Mgmt & Instruction 3 0 3**

Prerequisites: None

Corequisites: None

This course examines classroom management and evidence-based instructional strategies that create supportive learning environments to provide culturally, linguistically and developmentally appropriate guidance for school-age populations. Topics include classroom management and organization, teaching strategies, individual student differences and learning styles, ongoing systematic observation, and developmentally appropriate classroom guidance techniques. Upon completion, student should be able to utilize developmentally appropriate behavior management, utilize high-quality instructional strategies that enhance the teaching/learning process and promote students' academic success.

**EDU 187 Teaching and Learning for All 3 3 4**

Prerequisites: None

Corequisites: None

This course introduces students to knowledge, concepts, and best practices needed to provide developmentally appropriate, effective, inclusive, and culturally responsive educational experiences in the classroom. Topics include growth and development, learning theory, student motivation, teaching diverse learners, classroom management, inclusive environments, student-centered practices, instructional strategies, teaching methodologies, observation/assessment techniques, educational planning, reflective practice, collaboration, cultural competence, ethics, professionalism, and leadership. Upon completion, students should be able to identify the knowledge, skills, roles, and responsibilities of an effective educator as defined by state and national professional teaching standards.

**EDU 216 Foundations of Education 3 0 3  
(College Transfer – Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course introduces the examination of the American educational system and the teaching profession. Topics include historical and philosophical influences on education, various perspectives on educational issues and experiences in birth through grade 12 classrooms. Upon completion, students should be able to reflect on classroom observations, analyze the different educational approaches including classical/traditional and progressive, and have knowledge of the various roles of educational systems at the federal, state and local level. This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.

**EDU 221 Children with Exceptionalities 3 0 3  
(College Transfer – Pre-Major/Elective)**

Prerequisites: Take one set

Set 1: EDU 144 and EDU 145

Set 2: PSY 244 and PSY 245

This course covers atypical patterns of child development, inclusive/diverse settings, evidenced-based educational/family plans, differentiated instruction, adaptive materials, and assistive technology. Emphasis is placed on the characteristics of exceptionalities and delays, early intervention/special education, transitions, observation, developmental screening, formative assessment of children, and collaborating with families and community partners. Upon completion, students should be able to recognize diverse abilities, describe the referral process, identify community resources, explain the importance of collaboration with families/professionals, and develop appropriate strategies/adaptation to support children in all environments with best practices as defined by laws, policies and the NC Foundations for Early Learning and Development. This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.

**EDU 234 Infants, Toddlers, and Twos 3 0 3**

Prerequisites: EDU 119

Corequisites: None

This course covers the development of high-quality, individualized, responsive/engaging relationships and experiences for infants, toddlers, and twos. Emphasis is placed on typical and atypical child development, working with diverse families to provide positive, supportive, and engaging early learning activities and interactions through field experiences and the application of the NC Foundations for Early Learning and Development. Upon completion, students should be able to demonstrate responsive curriculum planning, respectful relationships and exposure to a variety of developmentally appropriate experiences/materials that support a foundation for healthy development and growth of culturally, linguistically and ability diverse children birth to 36 months.

**EDU 235 School-Age Develop & Program 3 0 3**

Prerequisites: None

Corequisites: None

This course includes developmentally appropriate practices in group settings for school-age children. Emphasis is placed on principles of development, environmental planning, and positive guidance techniques and program development. Upon completion, students should be able to discuss developmental principles for culturally, linguistically, and ability diverse children ages five to twelve and plan and implement developmentally appropriate programs and activities.

**EDU 250 Teacher Licensure Preparation 3 0 3**

Prerequisites: Take one set:

Set 1: ENG-111 and MAT-143

Set 2: ENG-111 and MAT-152

Set 3: ENG-111 and MAT-171

Corequisites: None

This course provides information and strategies necessary for transfer to a teacher licensure program at a senior institution. Topics include entry level teacher licensure exam preparation, performance based assessment systems, requirements for entry into teacher education programs, the process to become a licensed teacher in North Carolina, and professionalism including expectations within the field of education. Upon completion, students should be able to utilize educational terminology and demonstrate knowledge of teacher licensure processes including exam preparation, technology based portfolio assessment, and secondary admissions processes to the school of education at a senior institution.

**EDU 261 Early Childhood Admin I 3 0 3**

Prerequisites: None

Corequisites: EDU 119

This course introduces principles and practices essential to preparing and supporting childcare administrators. Topics include program philosophy, policies and procedures, NC Child Care Law and Rules, business planning, personnel and fiscal management, and NAEYC Code of Ethical Conduct Supplement for Early Childhood Program Administration. Upon completion, students should be able to

articulate a developmentally appropriate program philosophy, locate current state licensing regulations, analyze a business plan and examine comprehensive program policies and procedures.

**EDU 262 Early Childhood Admin II 3 0 3**

Prerequisites: EDU 119 and EDU 261

Corequisites: None

This course focuses on advocacy/leadership, public relations/community outreach and program quality/evaluation for diverse early childhood programs. Topics include program evaluation/accreditation, involvement in early childhood professional organization, leadership/mentoring, family, volunteer and community involvement and early childhood advocacy. Upon completion, students should be able to define and evaluate all components of early childhood programs, develop strategies for advocacy and integrate community into programs.

**EDU 263 School-Age Program Admin 2 0 2**

Prerequisites: None

Corequisites: None

This course introduces the methods and procedures for development and administration of school-age programs in the public or proprietary setting. Emphasis is placed on the construction and organization of the physical environment. Upon completion, students should be able to plan, develop and administer a quality school-age program.

**EDU 270 Effective Instructional Enviro 2 0 2**

Prerequisites: None

Corequisites: None

This course is designed to provide learners with the knowledge and skills to create, manage, and assess effective instructional environments, learning attitudes, and behaviors for today's diverse learning population. Topics include organizing the learning environment, fostering positive learning attitudes, supporting healthy stakeholder partnerships, engaging students using effective differentiated instruction, guiding, and managing student behaviors, and assessing student progress. Upon completion of this course, learners will demonstrate effective dispositions of the professional educator that include managing schedules, spaces, and resources, promoting supportive learning mindsets, engaging students with diverse instructional strategies, guiding student behaviors to maximize both the instructional and social climate, and analyzing and effectively responding to student progress.

**EDU 271 Educational Technology 2 2 3**

Prerequisites: None

Corequisites: None

This course introduces the appropriate and ethical use of technology that is inclusive of digital and analog materials/tools to enhance teaching and learning in all educational settings. Emphasis is placed on the developmentally appropriate use of technology with children, ethical issues, digital citizenship, instructional strategies, assistive technology, and the use of technology for professional development and communication with families. Upon completion, student should be able to demonstrate professional and ethical implementation of various modes of technology in culturally responsive and equitable ways to support diverse children, families and communities.

**EDU 272 Technology, Data, & Assess 2 3 3**

Prerequisites: None

Corequisites: None

This course is designed to provide students with the knowledge and skills to utilize digital instructional technologies and technology-based assessments to plan and implement appropriate educational experiences and interventions in the classroom. Topics include educational technology to enhance instruction, instructional technologies for teaching, technology-based assessment, formative and summative assessments, data to inform practice, and ethical practices for technology and assessment. Upon completion, students will be able to demonstrate effective integration of educational technology into classroom practice, appropriate use of technology-based assessments, and practical application of data to inform educational planning and interventions.

**EDU 275 Effective Teacher Training 2 0 2**

Prerequisites: None

Corequisites: None

This course provides specialized training using an experienced-based approach to learning. Topics include instructional preparation and presentation, student interaction, time management, learning expectations, evaluation, and curriculum principles and planning. Upon completion, students should be able to prepare and present a six-step lesson plan and demonstrate ways to improve students' time-on-task.

**EDU 277 Integr CU Inst: Math/Science 2 3 3**

Prerequisites: None

Corequisites: None

This course is designed to provide learners with the content knowledge, instructional methods/materials, and assessment techniques needed to provide research-based math and science K - 12 instruction. Topics include essential math and science concepts and skills, developmentally appropriate pedagogy, culturally responsive instruction, standards-based outcomes, technology enhanced lesson planning, formative/summative assessments, research-based interventions, authentic learning experiences, and reflective practice. Upon completion, learners will be able to plan, implement, assess, and reflect on developmentally appropriate math and science instruction aligned to the NC Standard Course of Study, other professional and national standards.

**EDU 278 Integr CU Inst: Soc Stu/ELA 2 3 3**

Prerequisites: None

Corequisites: None

This course is designed to provide learners with the content knowledge, instructional methods/materials, and assessment techniques needed to provide research-based social studies and ELA K -12 instruction. Topics include essential social studies and ELA concepts and skills, developmentally appropriate pedagogy, culturally responsive instruction, standards-based outcomes, technology enhanced lesson planning, formative/summative assessments, research-based interventions, authentic learning experiences, and reflective practice. Upon completion, learners will be able to plan, implement, assess, and reflect on developmentally appropriate social studies and ELA instruction aligned to the NC Standard Course of Study, other professional and national standards.

**EDU 279 Literacy Develop and Instruct 3 3 4**

Prerequisites: None

Corequisites: None

This course is designed to provide students with concepts and skills of literacy development, instructional methods/materials and assessment techniques needed to provide scientifically-based, systematic reading and writing instruction into educational practice. Topics include literacy concepts, reading and writing development, developmentally appropriate pedagogy, culturally-responsive instruction, standards-based outcomes, lesson planning, formative/summative assessment, recognizing reading difficulties, research-based interventions, authentic learning experiences, classroom implementation, and reflective practice. Upon completion, students should be able to plan, implement, assess, evaluate, and demonstrate developmentally appropriate literacy instruction aligned to the NC Standard Course of study and other state and national standards. *This course has been approved for transfer under the Universal Ed. Agreement.*

**EDU 280 Language/Literacy Experiences 3 0 3**

Prerequisites: None

Corequisites: None

This course provides evidence-based strategies for enhancing language and literacy experiences that align with NC Foundations for Early Learning and Development. Topics include developmental sequences for children's emergent receptive and expressive language, print concepts, appropriate observations/assessments, literacy enriched environments, quality selection of diverse literature, interactive media, and inclusive practices. Upon completion, students should be able to select, plan, implement, and evaluate developmentally appropriate language and literacy experiences for children who are culturally, linguistically and ability diverse.

**EDU 281 Instruct Strat/Read & Writ 2 2 3**

Prerequisites: None

Corequisites: None

This course covers concepts, resources, and methods for teaching reading and writing to elementary through middle-grade children. Topics include the importance of literacy, learning styles, skills assessment, various reading and writing approaches and instructional strategies. Upon completion, students should be able to assess, plan, implement and evaluate school-age literacy experiences as related to the North Carolina Standard Course of Study.

**EDU 283 Educator Preparation Practicum 2 3 3**

Prerequisites: None

Corequisites: None

This course is designed to allow learners to demonstrate acquired skills and competencies in a developmentally appropriate learning environment. Topics include dispositions of effective teachers, portfolio assessment development, reflective practice, teaching methods, assessment strategies, and professional practices based on state and national Teaching Standards. Upon completion, learners should be able to provide a portfolio assessment with evidence of ethical/professional standards, respect for a diverse population in learning environments, content knowledge, appropriate guidance

intervention, and grade-level technology enhanced lesson planning/assessments through practices in the classroom environment.

**EDU 284 Early Child Capstone Prac 1 9 4**

Prerequisites: Take one set

Set 1: EDU-119, EDU-144, EDU-145, EDU-146, and EDU-151

Set 2: EDU-119, PSY-244, PSY-245, EDU-146, and EDU-151

Set 3: EDU-119, PSY-245, EDU-144, EDU-146, and EDU-151

Set 4: EDU-119, PSY-244, EDU-145, EDU-146, and EDU-151

Corequisites: None

This course is designed to allow student to demonstrate acquired skills in a three star (minimum) or NAEYC accredited or equivalent, quality early childhood environment. Emphasis is placed on designing, implementing, and evaluating developmentally appropriate activities and environments for all children; supporting/engaging families; and modeling reflective and professional practices based on national and state guidelines. Upon completion, students should be able to apply NC Foundations for Early Learning and Development to demonstrate developmentally appropriate plans/assessments, appropriate guidance techniques and ethical/professional behaviors, including the use of appropriate technology, as indicated by assignments and onsite faculty assessments.

**EDU 285 Internship Exp-School Age 1 9 4**

Prerequisites: Take one set

Set 1: EDU 144, EDU 145, EDU 118, EDU 163

Set 2: PSY 244, PSY 245, EDU 118, EDU 163

Set 3: PSY 244, EDU 145, EDU 118, EDU 163

Set 4: EDU 144, PSY 245, EDU 118, EDU 163

Set 5: PSY 244, PSY 245, EDU 216, EDU 163

Set 6: EDU 144, EDU 145, EDU 216, EDU 163

Set 7: EDU 144, PSY 245, EDU 216, EDU 163

Set 8: PSY 244, EDU 216, EDU 163, EDU 145

Corequisites: None

This course is designed to allow students to demonstrate acquired skills in a quality public or private school environment. Emphasis is placed on designing, implementing and evaluating developmentally appropriate activities and environments for all children; supporting/engaging families; and modeling reflective and professional practices based on national and state guidelines. Upon completion, students should be able to demonstrate developmentally appropriate lesson plans/assessments, appropriate guidance techniques, ethical/professional behaviors including the use of appropriate technology, as indicated by assignments and onsite faculty visits.

**EDU 289 Adv Issues/School Age 2 0 2**

Prerequisites: None

Corequisites: None

This course covers advanced topics and issues that relate to school-age programs. Emphasis is placed on current advocacy issues, emerging technology, professional growth, ethics, and organizations for

providers/ teachers working with school-age populations. Upon completion, students should be able to list, discuss, and explain advanced current topics and issues surrounding school-aged populations.

### **ELC – Electricity**

**ELC 111 Intro to Electricity** 2 2 3

Prerequisites: None

Corequisites: None

This course introduces the fundamental concepts of electricity and test equipment to non-electrical/electronics majors. Topics include basic DC and AC principles (voltage, resistance, current, impedance); components (resistors, inductors, and capacitors); power; and operation of test equipment. Upon completion, students should be able to construct and analyze simple DC and AC circuits using electrical test equipment.

**ELC 113 Residential Wiring** 2 6 4

Prerequisites: None

Corequisites: None

This course introduces the care/usage of tools and materials used in residential electrical installations and the requirements of the National Electrical Code. Topics include NEC, electrical safety, and electrical print reading; planning, layout; and installation of electrical distribution equipment; lighting; overcurrent protection; conductors; branch circuits; and conduits. Upon completion, students should be able to properly install conduits, wiring, and electrical distribution equipment associated with residential electrical installations.

**ELC 114 Commercial Wiring** 2 6 4

Prerequisites: ELC 113

Corequisites: None

This course provides instruction in the application of electrical tools, materials, and test equipment associated with commercial electrical installations. Topics include the NEC; safety; electrical blueprints; planning, layout, and installation of equipment and conduits; and wiring devices such as panels and overcurrent devices. Upon completion, students should be able to properly install equipment and conduit associated with commercial electrical installations.

**ELC 115 Commercial Wiring** 2 6 4

Prerequisites: None

Corequisites: None

This course covers layout, planning, and installation of wiring systems in industrial facilities. Emphasis is placed on industrial wiring methods and materials. Upon completion, students should be able to install industrial systems and equipment.

**ELC 117 Motors and Controls** 2 6 4

Prerequisites: None

Corequisites: None

This course introduces the fundamental concepts of motors and motor controls. Topics include ladder diagrams, pilot devices, contactors, motor starters, motors and other control devices. Upon

completion, students should be able to properly select, connect, and troubleshoot motors and control circuits.

**ELC 118 National Electrical Code 1 2 2**

Prerequisites: None

Corequisites: None

This course covers the use of the current National Electrical Code. Topics include the NEC history, wiring methods, overcurrent protection, materials, and other related topics. Upon completion, students should be able to effectively use the NEC.

**ELC 119 NEC Calculations 1 2 2**

Prerequisites: None

Corequisites: None

This course covers branch circuit, feeder, and service calculations. Emphasis is placed on sections of the National Electrical Code related to calculations. Upon completion, students should be able to use appropriate code sections to size wire, conduit, and overcurrent devices for branch circuits, feeders, and service.

**ELC 120 Intro to Wiring 2 2 3**

Prerequisites: None

Corequisites: None

This course is an introduction to wiring concepts for non-electricians. Topics include safety, tools, materials, techniques and terminology associated with electrical wiring. Upon completion, students should be able to use and/or identify wiring tools, materials and procedures at an introductory level.

**ELC 121 Electrical Estimating 1 2 2**

Prerequisites: None

Corequisites: None

This course covers the principles involved in estimating electrical projects. Topics include take-offs of materials and equipment, labor, overhead, and profit. Upon completion, students should be able to estimate simple electrical projects.

**ELC 125 Diagrams and Schematics 1 2 2**

Prerequisites: None

Corequisites: None

This course covers the interpretation of electrical diagrams, schematics, and drawings common to electrical applications. Emphasis is placed on reading and interpreting electrical diagrams and schematics. Upon completion, students should be able to read and interpret electrical diagrams and schematics.

**ELC 127 Software for Technicians 1 3 2**

Prerequisites: None

Corequisites: None

This course introduces computer software which can be used to solve electrical/electronics problems. Topics include electrical/electronics calculations and applications. Upon completion, students should be able to utilize a personal computer for electrical/electronics- related applications.

**ELC 128 Introduction to PLC 2 3 3**

Prerequisites: None

Corequisites: None

This course introduces the programmable logic controller (PLC) and its associated applications. Topics include ladder logic diagrams, input/output modules, power supplies, surge protection, selection/installation of controllers, and interfacing of controllers with equipment. Upon completion, students should be able to understand basic PLC systems and create simple programs.

**ELC 130 Advanced Motors/Controls 2 2 3**

Prerequisites: Take One: ELC 111, ELC 112, ELC 131 or ELC 138.

Corequisites: None

This course covers motors concepts, construction and characteristics and provides a foundation in motor controls. Topics include motor control ladder logic, starters, timers, overload protection, braking, reduced voltage starting, SCR control, AC/DC drives, system and component level troubleshooting. Upon completion, students should be able to specify, connect, control, troubleshoot, and maintain motors and motor control systems.

**ELC 132 Electrical Drawings 1 3 2**

Prerequisites: None

Corequisites: None

This course introduces the technical documentation that is typically found or used in the industrial environment. Topics include interpretation of service manuals, freehand sketching, orthographic views and dimensions, and print reading. Upon completion, students should be able to interpret technical documents and prints and use basic drafting skills to prepare usable field drawings.

**ELC 138 DC Circuit Analysis 3 3 4**

Prerequisites: None

Corequisites: None

This course introduces DC electricity with an emphasis on circuit analysis, measurements, and operation of test equipment. Topics include DC principles, circuit analysis and theorems, components, test equipment operation, circuit simulation, and other related topics. Upon completion, students should be able to interpret circuit schematics; design, construct, and analyze DC circuits; and properly test equipment.

**ELC 139 AC Circuit Analysis** 3 3 4

Prerequisites: None

Corequisites: None

This course introduces AC electricity with an emphasis on circuit systems, measurements, and operation test equipment. Topics include AC voltages, circuit analysis laws and theorems, reactive components and circuits, transformers, test equipment operation, circuit simulation, and other related topics. Upon completion, students should be able to interpret AC circuit schematics; analyze and troubleshoot AC circuits; and properly use test equipment.

**ELC 215 Electrical Maintenance** 2 3 3

Prerequisites: None

Corequisites: None

This course introduces the theory of maintenance and the skills necessary to maintain electrical equipment found in industrial and commercial facilities. Topics include maintenance theory, predictive and preventive maintenance, electrical equipment operation and maintenance, and maintenance documentation. Upon completion, students should be able to perform maintenance on electrical equipment in industrial and commercial facilities.

**ELC 234 Electrical System Design** 2 3 3

Prerequisites: None

Corequisites: None

This course introduces the principles of electrical design for commercial and industrial facilities. Topics include services, high and low power distribution, switchboards, panelboards, motor control centers, switchgear, overcurrent protection, and grounding. Upon completion, students should be able to design services, feeders, and branch circuits for typical commercial/industrial applications in accordance with the National Electrical Code

#### **ELN – Electronics**

**ELN 229 Industrial Electronics** 3 3 4

Prerequisites: None

Corequisites: None

This course covers semiconductor devices used in industrial applications. Topics include the basic theory, application, and operating characteristics of semiconductor devices. Upon completion, student should be able to construct and/or troubleshoot these devices for proper operation in an industrial electronic circuit.

**ELN 260 Prog Logic Controllers** 3 3 4

Prerequisites: None

Corequisites: None

This course provides a detailed study of PLC applications, with a focus on design of industrial controls using the PLC. Topics include PLC components, memory organization, math instructions, documentation, input/output devices, and applying PLCs in industrial control systems. Upon completion, students should be able to select and program a PLC system to perform a wide variety of industrial control functions.

## ENG – English

**ENG 002 Transition English** 0 6 3

Prerequisites: None

Corequisites: None

This course provides an opportunity to customize foundational English content in specific areas and will include developing a growth mindset. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in college-level English. Upon completion, students should be able to build a stronger foundation for success in their gateway level English course by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge.

**ENG 011 Writing and Inquiry Support** 1 2 2

Prerequisites: None

Corequisites: None

This course is designed to support students in the development of skills necessary for success in ENG 111 by complementing, supporting, and reinforcing ENG 111 Student Learning Outcomes. Emphasis is placed on developing a growth mindset, expanding skills for use in active reading and writing processes, recognizing organizational relationships within texts for a variety of genres and formats, and employing appropriate technology with reading and composing texts. Upon completion, students should be able to apply active reading strategies to college-level test and produce unified, well-developed writing using standard written English.

**ENG 110 Freshman Composition** 3 0 3

Prerequisites: Take one set

Set 1: DRE 097

Set 2: ENG 002

Set 3: BSP 4002

Corequisites: None

This course is designed to develop informative and business writing skills. Emphasis is placed on logical organization of writing, including effective introductions and conclusions, precise use of grammar, and appropriate selection and use of sources. Upon completion, students should be able to produce clear, concise, well-organized short papers.

**ENG 111 Writing and Inquiry** 3 0 3  
**(College Transfer--UGETC: English Comp – AA & AS)**

Prerequisites: Take one set

Set 1: DRE 097

Set 2: ENG 002

Set 3: BSP 4002

Corequisites: ENG 011

This course is designed to develop the ability to produce clear writing in a variety of genres and formats using a recursive process. Emphasis includes inquiry, analysis, effective use of rhetorical strategies, thesis development, audience awareness, and revision. Upon completion, students should be able to produce unified, coherent, well-developed essays using standard written English. *This*

*course has been approved for transfer under the CAA and ICAA as a general education course in English Composition.*

**ENG 112 Writing/Research in the Disc 3 0 3**  
**(College Transfer--UGETC: English Comp – AA & AS)**

Prerequisites: ENG 111

Corequisites: None

This course, the second in a series of two, introduces research techniques, documentation styles, and writing strategies. Emphasis is placed on analyzing information and ideas and incorporating research findings into documented writing and research projects. Upon completion, students should be able to evaluate and synthesize information from primary and secondary sources using documentation appropriate to various disciplines. *This course has been approved for transfer under the CAA and ICAA as a general education course in English Composition.*

**ENG 114 Prof Research & Reporting 3 0 3**  
**(College Transfer—GEN ED: Communications)**

Prerequisites: ENG 111

Corequisites: None

This course, the second in a series of two, is designed to teach professional communication skills. Emphasis is placed on research, listening, critical reading and thinking, analysis, interpretation, and design used in oral and written presentations. Upon completion, students should be able to work individually and collaboratively to produce well-designed business and professional written and oral presentations. *This course has been approved for transfer under the CAA and ICAA as a general education course in English Composition.*

**ENG 115 Oral Communication 3 0 3**

Prerequisites: None

Corequisites: None

This course introduces the basic principles of oral communication in both small group and public settings. Emphasis is placed on the components of the communication process, group decision-making, and public address. Upon completion, students should be able to demonstrate the principles of effective oral communication in small group and public settings.

**ENG 231 American Literature I 3 0 3**  
**(College Transfer--UGETC: Humanities/Fine Arts – AA/AS)**

Prerequisites: Take one: ENG 112, ENG 113, or ENG 114

Corequisites: None

This course covers selected works in American literature from its beginnings to 1865. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to analyze and interpret literary works in their historical and cultural contexts. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**ENG 232 American Literature II 3 0 3**  
**(College Transfer--UGETC: Humanities/Fine Arts – AA/AS)**

Prerequisites: Take one: ENG 112, ENG 113, or ENG 114

Corequisites: None

This course covers selected works in American literature from 1865 to the present. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to analyze and interpret literary works in their historical and cultural contexts. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**ENG 241 British Literature I 3 0 3**  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: Take one: ENG 112, ENG 113, or ENG 114

Corequisites: None

This course covers selected works in British literature from its beginnings to the Romantic Period. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to interpret, analyze, and respond to literary works in their historical and cultural contexts. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**ENG 242 British Literature II 3 0 3**  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: Take one: ENG 112, ENG 113, or ENG 114

Corequisites: None

This course covers selected works in British literature from the Romantic Period to the present. Emphasis is placed on historical background, cultural context, and literary analysis of selected prose, poetry, and drama. Upon completion, students should be able to interpret, analyze, and respond to literary works in their historical and cultural contexts. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**FRE – French**

**FRE 111 Elementary French I 3 0 3**

Prerequisites: None

Corequisites: None

This course introduces the fundamental elements of the French language within a cultural context. Emphasis is placed on the development of basic listening, speaking, reading, and writing skills. Upon completion, students should be able to comprehend and respond with grammatical accuracy to spoken and written French and demonstrate cultural awareness. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/ Fine Arts.*

**FRE 112 Elementary French II** 3 0 3

Prerequisites: FRE 111

Corequisites: None

This course is a continuation of FRE 111 focusing on the fundamental elements of the French language within a cultural context. Emphasis is placed on the progressive development of listening, speaking, reading, and writing skills. Upon completion, students should be able to comprehend and respond with increasing proficiency to spoken and written French and demonstrate further cultural awareness. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/ Fine Arts.*

### **GRA – Graphic Arts**

**GRA 255 Image Manipulation I** 1 3 2

Prerequisites: GRA 151 or GRD 151

Corequisites: None

This course covers applications associated with electronic image manipulation, including color correction, color separation, special effects, and image conversion. Topics include image-capturing hardware, image-processing software, and output options. Upon completion, students should be able to utilize hardware and software to acquire, manipulate, and output images to satisfy design and production.

### **GRD – Graphic Design**

**GRD 110 Typography I** 2 3 3

Prerequisites: None

Corequisites: None

This course introduces the history and mechanics of type and its application to layout and design. Topics include topographic fundamentals, anatomy, measurements, composition, identification, and terminology. Upon completion, students should be able to demonstrate proficiency in design application, analysis, specification, and creation of typographic elements.

**GRD 121 Drawing Fundamentals I** 1 3 2

Prerequisites: None

Corequisites: None

This course introduces skills using basic drawing techniques and media in graphic design. Emphasis is placed on using design principles, media applications, spatial considerations, and drawing styles. Upon completion, students should be able to use drawing for conceptualization, visual communication, and graphic simplification.

**GRD 141 Graphic Design I** 2 4 4

Prerequisites: None

Corequisites: None

This course introduces the conceptualization process used in visual problem solving. Emphasis is placed on learning the principles of design and on the manipulation and organization of elements. Upon completion, students should be able to apply design principles to projects.

**GRD 142 Graphic Design II** 2 4 4

Prerequisites: Take one: ART 121 or GRD 141

Corequisites: None

This course covers the application of graphic design principles. Topics include creation of various designs, such as branding, advertisements and publication design. Upon completion, students should be able to apply design principles and develop design solutions.

**GRD 151 Computer Design Basics** 1 4 3

Prerequisites: None

Corequisites: None

This course introduces software applications for graphic design. Emphasis is placed on utilizing digital tools to generate design solutions. Upon completion, students should be able to use industry-standard software as a creative tool.

**GRD 152 Computer Design Tech I** 1 4 3

Prerequisites: None

Corequisites: None

This course covers complex design problems utilizing various design and drawing software applications. Topics include the use of typography, image, and organization to communicate a message. Upon completion, students should be able to use appropriate industry-standard software.

**GRD 153 Computer Design Solutions** 1 4 3

Prerequisites: None

Corequisites: None

This course covers theories and practices in the field of computer design. Emphasis is placed on use of typography, color palettes, and layers. Upon completion, students should be able to creatively produce designs and use appropriate industry-standard software.

**GRD 188 Graphic Design for Web 1** 2 3 3

Prerequisites: None

Corequisites: None

This course introduces the application of graphic design principles to web sites and graphics for web/mobile device delivery. Emphasis is placed on visual communication and presentation principles applied to web sites, including page layout, typography, color theory, navigation, responsive design, and image optimization. Upon completion, students should be able to apply the principles of design in the creation of full and mobile websites.

**GRD 240 User Interface/User Experience** 2 3 3

Prerequisites: None

Corequisites: None

This course introduces a design-centric approach to user interface and user experience design, and offers practical, skill-based instruction centered around a visual communications perspective. Emphasis is placed on demonstrating the stages of the UI/UX development process, including user research and analysis, choosing methodologies, defining a project's strategy, scope, and information architecture,

developing sitemaps and wireframes, performing user testing, and producing prototypes. Upon completion, students should be able to demonstrate current best practices and conventions in UX design and apply them to create effective and compelling digital screen-based experiences.

**GRD 241 Graphic Design III** 2 4 4

Prerequisites: Take: GRD 142

Corequisites: None

This course is an advanced exploration of various techniques and media for graphic design. Emphasis is placed on advanced concepts and solutions to complex and challenging graphic design problems. Upon completion, students should be able to demonstrate competence and professionalism in visual problem solving.

**GRD 280 Portfolio Design** 2 4 4

Prerequisites: Take: GRD 142

Corequisites: None

This course covers the organization and presentation of a design portfolio and appropriate related materials. Emphasis is placed on development and evaluation of the portfolio, resume and self-promotional materials, and interview techniques. Upon completion, students should be able to prepare and professionally present a portfolio and related self-promotional materials.

**GRD 288 Graphic Design for Web II** 2 3 3

Prerequisites: Take GRD 188

Corequisites: None

This course covers the advanced use of graphic design principles in front-end design for multi-page websites. Emphasis is placed on online branding, responsive design, project management, UI/UX, web design using current web standards, and designing for content management systems. Upon completion, students should be able to employ the principles of design in the creation of websites across multiple platforms and devices.

#### **HEA – Health**

**HEA 110 Personal Health/Wellness** 3 0 3  
**(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course provides an introduction to basic personal health and wellness. Emphasis is placed on current health issues such as nutrition, mental health, and fitness. Upon completion, students should be able to demonstrate an understanding of the factors necessary to the maintenance of health and wellness. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

## **HET – Heavy Equipment Maintenance**

**HET 110 Diesel Engines** 3 9 6

Prerequisites: None

Corequisites: None

This course introduces theory, design, terminology, and operating adjustments for diesel engines. Emphasis is placed on safety, theory of operation, inspection, measuring, and rebuilding diesel engines according to factory specifications. Upon completion, students should be able to measure, diagnose problems, and repair diesel engines.

**HET 114 Power Trains** 3 6 5

Prerequisites: None

Corequisites: None

This course introduces power transmission devices. Topics include function and operation of gears, chains, clutches, planetary gears, drive lines, differentials, and transmissions. Upon completion, students should be able to identify, research specifications, repair, and adjust power train components.

**HET 115 Electronic Engines** 2 3 3

Prerequisites: None

Corequisites: None

This course introduces the principles of electronically controlled diesel engines. Emphasis is placed on testing and adjusting diesel engines in accordance with manufacturers' specifications. Upon completion, students should be able to diagnose, test, and calibrate electronically controlled diesel engines.

**HET 119 Mechanical Transmissions** 2 2 3

Prerequisites: None

Corequisites: None

This course introduces the operating principles of mechanical medium and heavy duty truck transmissions. Topics include multiple counter shafts, power take-offs, sliding idler clutches, and friction clutches. Upon completion, students should be able to diagnose, inspect, and repair mechanical transmissions.

**HET 125 Preventive Maintenance** 1 3 2

Prerequisites: None

Corequisites: None

This course introduces preventive maintenance practices used on medium and heavy duty vehicles and rolling assemblies. Topics include preventive maintenance schedules, services, DOT rules and regulations, and road ability. Upon completion, students should be able to set up and follow a preventive maintenance schedule as directed by manufacturers.

**HET 128 Medium/Heavy Duty Tune Up 1 2 2**

Prerequisites: None

Corequisites: None

This course introduces tune-up and troubleshooting according to manufacturers' specifications. Topics include troubleshooting engine systems, tune-up procedures, and use and care of special test tools and equipment. Upon completion, students should be able to troubleshoot, diagnose, and repair engines and components using appropriate diagnostic equipment.

**HET 230 Air Brakes 1 2 2**

Prerequisites: None

Corequisites: None

This course introduces the operation and design of air braking systems used on trucks. Topics include safety, governors, compressors, and supporting systems. Upon completion, students should be able to diagnose, disassemble, inspect, repair, and reassemble air brake systems.

**HET 233 Suspension and Steering 2 4 4**

Prerequisites: None

Corequisites: None

This course introduces the theory and principles of medium and heavy duty steering and suspension systems. Topics include wheel and tire problems, frame members, fifth wheel, bearings, and coupling systems. Upon completion, students should be able to troubleshoot, adjust, and repair suspension and steering components on medium and heavy duty vehicles.

#### **HIS – History**

**HIS 111 World Civilization I 3 0 3**

**(College Transfer--UGETC: Social/Behavioral Sci.– AA/AS)**

Prerequisites: None

Corequisites: None

This course introduces world history from the dawn of civilization to the early modern era. Topics include Eurasian, African, American, and Greco-Roman civilizations and Christian, Islamic and Byzantine cultures. Upon completion, students should be able to analyze significant political, socioeconomic, and cultural developments in pre-modern world civilizations. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**HIS 112 World Civilization II 3 0 3**

**(College Transfer--UGETC: Social/Behavioral Sci.– AA/AS)**

Prerequisites: None

Corequisites: None

This course introduces world history from the early modern era to the present. Topics include the cultures of Africa, Europe, India, China, Japan, and the Americas. Upon completion, students should be able to analyze significant political, socioeconomic, and cultural developments in modern world civilizations. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**HIS 121 Western Civilization I 3 0 3**  
**(College Transfer—GEN ED: Social/Behavioral Science)**

Prerequisites: None

Corequisites: None

This course introduces western civilization from pre-history to the early modern era. Topics include ancient Greece, Rome, and Christian institutions of the Middle Ages and the emergence of national monarchies in western Europe. Upon completion, students should be able to analyze significant political, socioeconomic, and cultural developments in early western civilization. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**HIS 122 Western Civilization II 3 0 3**  
**(College Transfer—GEN ED: Social/Behavioral Science)**

Prerequisites: None

Corequisites: None

This course introduces western civilization from the early modern era to the present. Topics include the religious wars, the Industrial Revolution, World Wars I and II, and the Cold War. Upon completion, students should be able to analyze significant political, socioeconomic, and cultural developments in modern western civilization. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**HIS 131 American History I 3 0 3**  
**(College Transfer--UGETC: Social/Behavioral Sci.– AA/AS)**

Prerequisites: None

Corequisites: None

This course is a survey of American history from pre-history through the Civil War era. Topics include the migrations to the Americas, the colonial and revolutionary periods, the development of the Republic, and the Civil War. Upon completion, students should be able to analyze significant political, socioeconomic, and cultural developments in early American history. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**HIS 132 American History II 3 0 3**  
**(College Transfer--UGETC: Social/Behavioral Sci.– AA/AS)**

Prerequisites: None

Corequisites: None

This course is a survey of American history from the Civil War era to the present. Topics include industrialization, immigration, the Great Depression, the major American wars, the Cold War, and social conflict. Upon completion, students should be able to analyze significant political, socioeconomic, and cultural developments in American history since the Civil War. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

## **HUM – Humanities**

**HUM 110 Technology and Society** 3 0 3  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: None

Corequisites: None

This course considers technological change from historical, artistic, and philosophical perspectives and its effect on human needs and concerns. Emphasis is placed on the causes and consequences of technological change. Upon completion, students should be able to critically evaluate the implications of technology. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**HUM 115 Critical Thinking** 3 0 3  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: Take one set

Set 1: DRE 098

Set 2: ENG 002

Set 3: BSP 4002

Set 4: ENG 111

Corequisites: None

This course introduces the use of critical thinking skills in the context of human conflict. Emphasis is placed on evaluating information, problem solving, approaching cross-cultural perspectives, and resolving controversies and dilemmas. Upon completion, students should be able to demonstrate orally and in writing the use of critical thinking skills in the analysis of appropriate texts. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**HUM 121 The Nature of America** 3 0 3  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: None

Corequisites: None

This course provides an interdisciplinary survey of the American cultural, social, and political experience. Emphasis is placed on the multicultural character of American society, distinctive qualities of various regions, and the American political system. Upon completion, students should be able to analyze significant cultural, social, and political aspects of American life. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**HUM 122 Southern Culture** 3 0 3  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: None

Corequisites: None

This course explores the major qualities that make the South a distinct region. Topics include music, politics, literature, art, religion, race relations, and the role of social class in historical and contemporary contexts. Upon completion, students should be able to identify the characteristics that

distinguish Southern culture. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

### **HYD – Hydraulics**

**HYD 110 Hydraulics/Pneumatics I** 2 3 3

Prerequisites: None

Corequisites: None

This course introduces the basic components and functions of hydraulic and pneumatic systems. Topics include standard symbols, pumps, control valves, control assemblies, actuators, FRL, maintenance procedures, and switching and control devices. Upon completion, students should be able to understand the operation of a fluid power system, including design, application, and troubleshooting.

**HYD 112 Hydraulics-Med/Heavy Duty** 1 2 2

Prerequisites: None

Corequisites: None

This course introduces hydraulic theory and applications as applied to mobile equipment. Topics include component studies such as pumps, motors, valves, cylinders, filters, reservoirs, lines, and fittings. Upon completion, students should be able to identify, diagnose, test, and repair hydraulic systems using schematics and technical manuals.

### **ISC – Industrial Science**

**ISC 121 Envir Health & Safety** 3 0 3

Prerequisites: None

Corequisites: None

This course covers workplace environmental, health, and safety concepts. Emphasis is placed on managing the implementation and enforcement of environmental health and safety regulations and on preventing accidents, injuries, and illnesses. Upon completion, students should be able to demonstrate an understanding of basic concepts of environmental health and safety.

### **MAT – Mathematics**

**MAT 003 Transition Math** 0 6 3

Prerequisites: None

Corequisites: None

This course provides an opportunity to customize foundational math content in specific math areas and will include developing a growth mindset. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics. Upon completion, students should be able to build a stronger foundation for success in their gateway level math courses by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge.

**MAT 010 Math Measurement & Literacy Sup. 0 2 1**

Prerequisites: None

Corequisites: None

This course provides an opportunity to customize foundational math content specific to Math Measurement & Literacy. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics. Upon completion, students should be able to build a stronger foundation for success in Math Measurement & Literacy by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge.

**MAT 043 Quantitative Literacy Support 1 2 2**

Prerequisites: None

Corequisites: None

This course provides an opportunity to customize foundational math content specific to Quantitative Literacy. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics. Upon completion, students should be able to build a stronger foundation for success in Quantitative Literacy by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge.

**MAT 052 Statistical Methods I Support 1 2 2**

Prerequisites: None

Corequisites: None

This course provides an opportunity to customize foundational math content specific to Statistical Methods I. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics. Upon completion, students should be able to build a stronger foundation for success in Statistical Methods I by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge.

**MAT 071 Precalculus Algebra Support 0 4 2**

Prerequisites: None

Corequisites: None

This course provides an opportunity to customize foundational math content specific to Precalculus Algebra. Topics include developing the academic habits, learning strategies, social skills, and growth mindset necessary to be successful in mathematics. Upon completion, students should be able to build a stronger foundation for success in Precalculus Algebra by obtaining skills through a variety of instructional strategies with emphasis placed on the most essential prerequisite knowledge.

**MAT 110 Math Measurement & Literacy 2 2 3**

Prerequisites: Take One Set:

Set 1: DMA-010, DMA-020, and DMA-030

Set 2: DMA 025

Set 3: MAT 003

Set 4: BSP 4003

Corequisites: MAT 010

This course provides an activity-based approach that develops measurement skills and mathematical literacy using technology to solve problems for nonmath intensive programs. Topics include unit conversions and estimation within a variety of measurement systems; ratio and proportion; basic geometric concepts; financial literacy; and statistics including measures of central tendency, dispersion, and charting of data. Upon completion, students should be able to demonstrate the use of mathematics and technology to solve practical problems, and to analyze and communicate results.

**MAT 143 Quantitative Literacy** 2 2 3  
**(College Transfer--UGETC: Math – AA)**

Prerequisites: Take One Set:

- Set 1: DMA-010, DMA-020, DMA-030, and DRE-098
- Set 2: DMA 010, DMA 020, DMA 030, and ENG 002
- Set 3: DMA 010, DMA 020, DMA 030, and BSP 4002
- Set 4: DMA 025 and DRE 098
- Set 5: DMA 025 and ENG 002
- Set 6: DMA 025 and BSP 4002
- Set 7: MAT 003 and DRE 098
- Set 8: MAT 003 and ENG 002
- Set 9: MAT 003 and BSP 4002
- Set 10: BSP 4003 and DRE 098
- Set 11: BSP 4003 and ENG 002
- Set 12: BSP 4003 and BSP 4002

Corequisites: MAT 043

This course is designed to engage students in complex and realistic situations involving the mathematical phenomena of quantity, change and relationship, and uncertainty through project- and activity-based assessment. Emphasis is placed on authentic contexts which will introduce the concepts of numeracy, proportional reasoning, dimensional analysis, rates of growth, personal finance, consumer statistics, practical probabilities, and mathematics for citizenship. Upon completion, students should be able to utilize quantitative information as consumers and to make personal, professional, and civic decisions by decoding, interpreting, using, and communicating quantitative information found in modern media and encountered in everyday life. *Under the CAA and ICAA, this course has been approved for transfer as a general education course in Mathematics (Quantitative).*

**MAT 152 Statistical Methods I** 3 2 4  
**(College Transfer--UGETC: Math – AA)**

Prerequisites: Take One Set:

- Set 1: DMA-010, DMA-020, DMA-030, and DRE-098
- Set 2: DMA 010, DMA 020, DMA 030, and ENG 002
- Set 3: DMA 010, DMA 020, DMA 030, and BSP 4002
- Set 4: DMA 025 and DRE 098
- Set 5: DMA 025 and ENG 002
- Set 6: DMA 025 and BSP 4002
- Set 7: MAT 003 and DRE 098
- Set 8: MAT 003 and ENG 002

- Set 9: MAT 003 and BSP 4002
- Set 10: BSP 4003 and DRE 098
- Set 11: BSP 4003 and ENG 002
- Set 12: BSP 4003 and BSP 4002

Corequisites: MAT 052

This course provides a project-based approach to introductory statistics with an emphasis on using real-world data and statistical literacy. Topics include descriptive statistics, correlation and regression, basic probability, discrete and continuous probability distributions, confidence intervals and hypothesis testing. Upon completion, students should be able to use appropriate technology to describe important characteristics of a data set, draw inferences about a population from sample data, and interpret and communicate results. *This course has been approved for transfer under the CAA and ICAA as a general education course in Mathematics (Quantitative).*

**MAT 171 Precalculus Algebra** **3 2 4**  
**(College Transfer--UGETC: Math – AA/AS)**

Prerequisites: Take One Set:

- Set 1: DMA-010, DMA-020, DMA-030, DMA 040, DMA 050
- Set 2: DMA 010, DMA 020, DMA 030, DMA 045
- Set 3: DMA 025, DMA 045
- Set 4: DMA 025, DMA 040, DMA 050
- Set 5: MAT 121
- Set 6: MAT 003
- Set 7: BSP 4003

Corequisites: MAT 071

This course is designed to develop topics which are fundamental to the study of Calculus. Emphasis is placed on solving equations and inequalities, solving systems of equations and inequalities, and analysis of functions (absolute value, radical, polynomial, rational, exponential, and logarithmic) in multiple representations. Upon completion, students should be able to select and use appropriate models and techniques for finding solutions to algebra-related problems with and without technology. *This course has been approved for transfer under the CAA and ICAA as a general education course in Mathematics.*

**MAT 172 Precalculus Trigonometry** **3 2 4**  
**(College Transfer--UGETC: Math – AS)**

Prerequisites: MAT 171

Corequisites: None

This course is designed to develop an understanding of topics which are fundamental to the study of Calculus. Emphasis is placed on the analysis of trigonometric functions in multiple representations, right and oblique triangles, vectors, polar coordinates, conic sections, and parametric equations. Upon completion, students should be able to select and use appropriate models and techniques for finding solutions to trigonometry-related problems with and without technology. *This course has been approved for transfer under the CAA and ICAA as a general education course in Mathematics.*

**MAT 263 Brief Calculus** 3 2 4  
**(College Transfer--UGETC: Math – AS)**

Prerequisites: MAT 171 or MAT 175

Corequisites: None

This course is designed to introduce concepts of differentiation and integration and their applications to solving problems. Topics include graphing, differentiation, and integration with emphasis on applications drawn from business, economics, and biological and behavioral sciences. Upon completion, students should be able to demonstrate an understanding of the use of basic calculus and technology to solve problems and to analyze and communicate results. *This course has been approved for transfer under the CAA and ICAA as a general education course in Mathematics.*

**MAT 271 Calculus I** 3 2 4  
**(College Transfer--UGETC: Math – AS)**

Prerequisites: MAT 172

Corequisites: None

This course is designed to develop the topics of differential and integral calculus. Emphasis is placed on limits, continuity, derivatives and integrals of algebraic and transcendental functions of one variable. Upon completion, students should be able to select and use appropriate models and techniques for finding solutions to derivative-related problems with and without technology. *This course has been approved for transfer under the CAA and ICAA as a general education course in Mathematics.*

**MAT 272 Calculus II** 3 2 4  
**(College Transfer— UGETC: Math – AS)**

Prerequisites: MAT 271

Corequisites: None

This course is designed to develop advanced topics of differential and integral calculus. Emphasis is placed on the applications of definite integrals, techniques of integration, indeterminate forms, improper integrals, infinite series, conic sections, parametric equations, polar coordinates, and differential equations. Upon completion, students should be able to select and use appropriate models and techniques for finding solutions to integral-related problems with and without technology. *This course has been approved for transfer under the CAA and ICAA as a general education course in Mathematics.*

### **MEC – Mechanical**

**MEC 111 Machine Processes I** 1 4 3

Prerequisites: None

Corequisites: None

This course introduces shop safety, hand tools, machine processes, measuring instruments, and the operation of machine shop equipment. Topics include use and care of tools, safety, measuring tools, and the basic setup and operation of common machine tools. Upon completion, students should be able to manufacture simple parts to specified tolerance.

**MEC 130 Mechanisms** 2 2 3

Prerequisites: None

Corequisites: None

This course introduces the purpose and action of various mechanical devices. Topics include cams, cables, gear trains, differentials, screws, belts, pulleys, shafts, levers, lubricants, and other devices. Upon completion, students should be able to analyze, maintain, and troubleshoot the components of mechanical systems.

### **MKT – Marketing and Retailing**

**MKT 120 Principles of Marketing** 3 0 3

Prerequisites: None

Corequisites: None

This course introduces principles and problems of marketing goods and services. Topics include promotion, placement, and pricing strategies for products. Upon completion, students should be able to apply marketing principles in organizational decision making.

### **MNT – Maintenance**

**MNT 110 Intro to Maint Procedures** 1 3 2

Prerequisites: None

Corequisites: None

This course covers basic maintenance fundamentals for power transmission equipment. Topics include equipment inspection, lubrication, alignment, and other scheduled maintenance procedures. Upon completion, students should be able to demonstrate knowledge of accepted maintenance procedures and practices according to current industry standards.

**MNT 240 Indust Equip Troubleshoot** 1 3 2

Prerequisites: None

Corequisites: None

This course covers the various service procedures, tools, instruments, and equipment necessary to analyze and repair typical industrial equipment. Emphasis is placed on electro-mechanical and fluid power equipment troubleshooting, calibration, and repair, including common techniques and procedures. Upon completion, students should be able to troubleshoot and repair industrial equipment.

### **MUS – Music**

**MUS 110 Music Appreciation** 3 0 3

**(College Transfer--UGETC: Humanities/Fine Arts – AA/AS)**

Prerequisites: None

Corequisites: None

This course is a basic survey of the music of the Western world. Emphasis is placed on the elements of music, terminology, composers, form and style within a historical perspective. Upon completion, students should be able to demonstrate skills in basic listening and understanding of the art of music. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**MUS 112 Introduction to Jazz** 3 0 3  
**(College Transfer--UGETC: Humanities/Fine Arts – AA/AS)**

Prerequisites: None

Corequisites: None

This course introduces the origins and musical components of jazz and the contributions of its major artists. Emphasis is placed on the development of discriminating listening habits, as well as the investigation of the styles and structural forms of the jazz idiom. Upon completion, students should be able to demonstrate skills in listening and understanding this form of American music. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**MUS 210 History of Rock Music** 3 0 3  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: None

Corequisites: None

This course is a survey of Rock music from the early 1950's to the present. Emphasis is placed on musical groups, soloists, and styles related to the evolution of this idiom and on related historical and social events. Upon completion, students should be able to identify specific styles and to explain the influence of selected performers within their respective eras. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

#### **NET – Networking Technology**

**NET 125 Introduction to Networks** 1 4 3

Prerequisites: None

Corequisites: None

This course introduces the architecture, structure, functions, components, and models of the Internet and computer networks. Topics include introduction to the principles of IP addressing and fundamentals of Ethernet concepts, media, and operations. Upon completion, students should be able to build simple LANs, perform basic configurations for routers and switches, and implement IP addressing schemes.

**NET 126 Routing Basics** 1 4 3

Prerequisites: None

Corequisites: None

This course focuses on initial router configuration, router software management, routing protocol configuration, TCP/IP, and access control lists (ACLs). Emphasis will be placed on the fundamentals of router configuration, managing router software, routing protocol, and access lists. Upon completion, students should have an understanding of routers and their role in WANs, router configuration, routing protocols, TCP/IP, troubleshooting, and ACLs.

## **NOS – Networking Operating Systems**

**NOS 110 Operating System Concepts 2 3 3**

Prerequisites: None

Corequisites: None

This course introduces students to a broad range of operating system concepts, including installation and maintenance. Emphasis is placed on operating system concepts, management, maintenance, and resources required. Upon completion of this course, students will have an understanding of OS concepts, installation, management, maintenance, using a variety of operating systems.

**NOS 120 Linux/UNIX Single User 2 2 3**

Prerequisites: None

Corequisites: None

This course develops the necessary skills for students to develop both GUI and command line skills for using and customizing a Linux workstation. Topics include Linux file system and access permissions, GNOME Interface, VI editor, X Window System expression pattern matching, I/O redirection, network and printing utilities. Upon completion, students should be able to customize and use Linux systems for command line requirements and desktop productivity roles.

**NOS 230 Windows Admin I 2 2 3**

Prerequisites: None

Corequisites: None

This course covers the installation and configuration of a Windows Server operating system. Emphasis is placed on the basic configuration of core network services, Active Directory and group policies. Upon completion, students should be able to install and configure a Windows Server operating system.

## **NUR – Nursing**

**NUR 101 Practical Nursing I 7 6 6 11**

Prerequisites: Admission to the PN Program

Corequisites: ACA 115, BIO 163, NUR 117

This course introduces concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts within each domain including assessment, clinical decision making, professional behaviors, caring interventions, biophysical and psychosocial concepts, communication, collaboration, teaching/learning safety, ethical principles, legal issues, informatics, and evidence-based practice. Upon completion, students should be able to provide safe nursing care across the lifespan incorporating the concepts identified in this course.

**NUR 102 Practical Nursing II 7 0 9 10**

Prerequisites: NUR 101

Corequisites: ENG 111, PSY 150

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts within each domain including clinical decision making, caring interventions, biophysical and psychosocial concepts, communication, collaboration, teaching and learning, accountability, safety, informatics, and evidence-based practice.

Upon completion, students should be able to provide safe nursing care across the lifespan incorporating the concepts identified in this course.

**NUR 103 Practical Nursing III 6 0 9 9**

Prerequisites: NUR 101

Corequisites: None

This course designed to assimilate the concepts within the three domains of individual, healthcare, and nursing. Emphasis is placed on biophysical and psychosocial concepts, professional behaviors, healthcare systems, health policy, and quality improvement. Upon completion, students should be able to demonstrate the knowledge, skills, and attitudes necessary to provide safe, quality, and individualized entry level nursing care.

**NUR 111 Intro to Health Concepts 4 6 6 8**

Prerequisites: Admission in ADN program

Corequisites: BIO 168, ACA 115, PSY 150, NUR 117

This course introduces the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts within each domain including medication administration, assessment, nutrition, ethics, interdisciplinary teams, informatics, evidence-based practice, individual centered care, and quality improvement. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

**NUR 112 Health-Illness Concepts 3 0 6 5**

Prerequisites: NUR 111, ACA 115, PSY 150, BIO 168, NUR 117

Corequisites: NUR 211, BIO 169, PSY 241

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of acid-base, metabolism, cellular regulation, oxygenation, infection, stress/coping, health-wellness-illness, communication, caring interventions, managing care, safety, quality improvement, and informatics. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

**NUR 113 Family Health Concepts 3 0 6 5**

Prerequisites: NUR 111

Corequisites: CIS 111

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of oxygenation, sexuality, reproduction, grief/loss, mood/affect, behaviors, development, family, health-wellness-illness, communication, caring interventions, managing care, safety, and advocacy. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

**NUR 114 Holistic Health Concepts 3 0 6 5**

Prerequisites: NUR 111

Corequisites: NUR 212, ENG 111

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of cellular regulation, perfusion, inflammation, sensory perception, stress/coping, mood/affect, cognition, self, violence, health-wellness-illness, professional behaviors, caring interventions, and safety. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

**NUR 117 Pharmacology 1 3 0 2**

Prerequisites: Admission to ADN or PN Program

Corequisites: None

This course introduces information concerning sources, effects, legalities, and the safe use of medications as therapeutic agents. Emphasis is placed on nursing responsibility, accountability, pharmacokinetics, routes of medication administration, contraindications and side effects. Upon completion, students should be able to compute dosages and administer medication safely.

**NUR 211 Health Care Concepts 3 0 6 5**

Prerequisites: NUR 111

Corequisites: NUR 112, BIO 169, PSY 241

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of cellular regulation, perfusion, infection, immunity, mobility, comfort, behaviors, health-wellness-illness, clinical decision-making, caring interventions, managing care, and safety. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

**NUR 212 Health Systems Concepts 3 0 6 5**

Prerequisites: NUR 111

Corequisites: NUR 114, ENG 111

This course is designed to further develop the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of grief/loss, violence, health-wellness-illness, collaboration, managing care, safety, advocacy, legal issues, policy, healthcare systems, ethics, accountability, and evidence-based practice. Upon completion, students should be able to provide safe nursing care incorporating the concepts identified in this course.

**NUR 213 Complex Health Concepts 4 3 15 10**

Prerequisites: NUR 111, NUR 112, NUR 113, NUR 114, NUR 211, NUR 212

Corequisites: None

This course is designed to assimilate the concepts within the three domains of the individual, healthcare, and nursing. Emphasis is placed on the concepts of fluid/electrolytes, metabolism, perfusion, mobility, stress, coping, violence, health-wellness-illness, professional behaviors, caring interventions, managing care, healthcare systems, and quality improvement. Upon completion, students should be able to demonstrate the knowledge, skills, and attitudes necessary to provide quality, individualized, entry level nursing care.

## **OMT – Operations Management**

**OMT 222 Project Management** 3 0 3

Prerequisites: None

Corequisites: None

This course covers fundamental concepts associated with multi-task management and coordination. Topics include flow diagrams, process and operations charts, network scheduling, Gantt charts, and PERT and Critical Path Methods as tools in project management. Upon completion, students should be able to understand and apply project management tools and methods.

## **OST – Office Systems Technology**

**OST 080 Keyboarding Literacy** 1 2 2

Prerequisites: None

Corequisites: None

This course is designed to develop elementary keyboarding skills. Emphasis is placed on mastery of the keyboard. Upon completion, students should be able to demonstrate basic proficiency in keyboarding.

**OST 130 Comprehensive Keyboarding** 2 2 3

Prerequisites: None

Corequisites: None

This course is designed to develop keyboarding skills and introductory document formatting. Emphasis is placed on keyboarding techniques and formatting basic business documents. Upon completion, students should be able to create documents in an ever-changing workplace.

**OST 136 Word Processing** 2 2 3

Prerequisites: CIS 110 or CIS 111

Corequisites: None

This course is designed to introduce word processing concepts and applications. Topics include preparation of a variety of documents and mastery of specialized software functions. Upon completion, students should be able to work effectively in a computerized word processing environment.

**OST 138 Office Applications II** 2 2 3

Prerequisites: Take One: CIS 110, CIS 111 or OST 137

Corequisites: None

This course is designed to improve the proficiency in the utilization of software applications used in business offices through a hands-on approach. Emphasis is placed on in-depth usage of software to create a variety of documents applicable to current business environments. Upon completion, students should be able to master the skills required to design documents that can be customized using the latest software applications.

**OST 145 Social Media for Office Prof 2 2 3**

Prerequisites: Take One: CIS 110, CIS 111 or OST 137

Corequisites: None

This course is designed to introduce the office professional to the concepts of social media. Topics include goal setting and strategies, identifying target audiences, rules of engagement, blogs, podcasts and webinars, sharing videos, pictures, and images, social networks, mobile computing, and social media monitoring. Upon completion, students should be able to create and utilize social media tools in the workplace setting.

**OST 159 Office Ethics 3 0 3**

Prerequisites: None

Corequisites: None

This course introduces the complex ethical and legal issues involved in the role of administrative support personnel in a variety of offices. Emphasis is placed on ethics, diversity, morality, and ethical standards of the administrative support professional. Upon completion, students should be able to conduct themselves in an ethical manner appropriate to a variety of offices.

**OST 164 Office Editing 3 0 3**

Prerequisites: None

Corequisites: None

This course provides a comprehensive study of editing skills needed in the workplace. Emphasis is placed on grammar, punctuation, sentence structure, proofreading, and editing. Upon completion, students should be able to use reference materials to compose and edit text.

**OST 171 Intro to Virtual Office 2 2 3**

Prerequisites: None

Corequisites: None

This course introduces the skills and abilities needed to conduct a variety of office administration activities using the latest technology. Students will learn the proper etiquette of communicating electronically as well as the unique procedures and logistics for conducting business in the virtual office. Upon completion, students will know the vocabulary of the virtual office and will have a basic understanding of modern technical communication tools.

**OST 184 Records Management 2 2 3**

Prerequisites: None

Corequisites: None

This course includes the creation, maintenance, protection, security, and disposition of records stored in a variety of media forms. Topics include alphabetic, geographic, subject, and numeric filing methods. Upon completion, students should be able to set up and maintain a records management system.

**OST 271 Office Web Technologies 2 2 3**

Prerequisites: None

Corequisites: None

This course provides a working knowledge of software tools used in the virtual office environment. Emphasis will be placed on using the Internet for research, planning and decision making by using various office software available through application service providers. Upon completion, students will be able to use current and emerging technologies to solve problems and complete projects in the virtual office environment.

**OST 289 Office Admin Capstone 2 2 3**

Prerequisites: Take Set:

Set 1: OST 134 and OST 164

Set 2: OST 136 and OST 164

Corequisites: None

This course is designed to be a capstone course for the office professional and provides a working knowledge of administrative office procedures. Emphasis is placed on written and oral communication skills, office software applications, office procedures, ethics, and professional development. Upon completion, students should be able to adapt in an office environment.

#### **PED – Physical Education**

**PED 110 Fit and Well for Life 1 2 2**

**(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course is designed to investigate and apply the basic concepts and principles of lifetime physical fitness and other health-related factors. Emphasis is placed on wellness through the study of nutrition, weight control, stress management, and consumer facts on exercise and fitness. Upon completion, students should be able to plan a personal, lifelong fitness program based on individual needs, abilities, and interests. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**PED 111 Physical Fitness I 0 3 1**

**(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course provides an individualized approach to physical fitness utilizing the five major components. Emphasis is placed on the scientific basis for setting up and engaging in personalized physical fitness programs. Upon completion, students should be able to set up and implement an individualized physical fitness program. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

**PED 112 Physical Fitness II** 0 3 1  
**(College Transfer--Pre-Major/Elective)**

Prerequisites: PED 111

Corequisites: None

This course is an intermediate-level fitness class. Topics include specific exercises contributing to fitness and the role exercise plays in developing body systems. Upon completion, students should be able to implement and evaluate an individualized physical fitness program. *This course has been approved for transfer under the CAA and ICAA as a pre-major and/or elective course requirement.*

**PED 113 Aerobics I** 0 3 1  
**(College Transfer--Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course introduces a program of cardiovascular fitness involving continuous, rhythmic exercise. Emphasis is placed on developing cardiovascular efficiency, strength, and flexibility and on safety precautions. Upon completion, students should be able to select and implement a rhythmic aerobic exercise program. *This course has been approved for transfer under the CAA and ICAA as a premajor and/or elective course requirement.*

#### **PHY – Physics**

**PHY 110 Conceptual Physics** 3 0 3  
**(College Transfer--UGETC: Natural Sciences– AA/AS)**

Prerequisites: None

Corequisites: None

This course provides a conceptually-based exposure to the fundamental principles and processes of the physical world. Topics include basic concepts of motion, forces, energy, heat, electricity, magnetism, and the structure of matter and the universe. Upon completion, students should be able to describe examples and applications of the principles studied. *This course has been approved for transfer under the CAA and ICAA as a general education course in Natural Science.*

**PHY 110A Conceptual Physics Lab** 0 2 1  
**(College Transfer--UGETC: Natural Sciences– AA/AS)**

Prerequisites: None

Corequisites: PHY 110

This course is a laboratory for PHY 110. Emphasis is placed on laboratory experiences that enhance materials presented in PHY 110. Upon completion, students should be able to apply the laboratory experiences to the concepts presented in PHY 110. *This course has been approved for transfer under the CAA and ICAA as a general education course in Natural Science.*

**PHY 151 College Physics I** 3 2 4  
**(College Transfer--UGETC: Natural Sciences-- AA/AS)**

Prerequisites: MAT 171 or MAT 271

Corequisites: None

This course uses algebra- and trigonometry-based mathematical models to introduce the fundamental concepts that describe the physical world. Topics include units and measurement, vectors, linear kinematics and dynamics, energy, power momentum, fluid mechanics, and heat. Upon completion, students should be able to demonstrate an understanding of the principles involved and display analytical problem-solving ability for the topics covered. *This course has been approved for transfer under the CAA and ICAA as a general education course in Natural Science.*

**PHY 152 College Physics II** 3 2 4  
**(College Transfer--UGETC: Natural Sciences-- AA/AS)**

Prerequisites: PHY 151

Corequisites: None

This course uses algebra- and trigonometry-based mathematical models to introduce the fundamental concepts that describe the physical world. Topics include electrostatic forces, electric fields, electric potentials, direct-current circuits, magnetostatic forces, magnetic fields, electro-magnetic induction, alternating-current circuits, and light. Upon completion, students should be able to demonstrate an understanding of the principles involved and display analytical problem-solving ability for the topics covered. *This course has been approved for transfer under the CAA and ICAA as a general education course in Natural Science.*

**POL – Political Science**

**POL 120 American Government** 3 0 3  
**(College Transfer--UGETC: Social/Behavioral Sci.-- AA/AS)**

Prerequisites: None

Corequisites: None

This course is a study of the origins, development, structure, and functions of American government. Topics include the constitutional framework, federalism, the three branches of government including the bureaucracy, civil rights and liberties, political participation and behavior, and policy process. Upon completion, students should be able to demonstrate an understanding of the basic concepts and participatory processes of the American political system. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**PSY – Psychology**

**PSY 118 Interpersonal Psychology** 3 0 3

Prerequisites: None

Corequisites: None

This course introduces the basic principles of psychology as they relate to personal and professional development. Emphasis is placed on personality traits, communication/leadership styles, effective problem solving, and cultural diversity as they apply to personal and work environments. Upon completion, students should be able to demonstrate an understanding of these principles of psychology as they apply to personal and professional development.

**PSY 150 General Psychology 3 0 3**  
**(College Transfer--UGETC: Social/Behavioral Sci.– AA/AS)**

Prerequisites: None

Corequisites: None

This course provides an overview of the scientific study of human behavior. Topics include history, methodology, biopsychology, sensation, perception, learning, motivation, cognition, abnormal behavior, personality theory, social psychology, and other relevant topics. Upon completion, students should be able to demonstrate a basic knowledge of the science of psychology. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**PSY 237 Social Psychology 3 0 3**  
**(College Transfer—GEN ED: Social/Behavioral Science)**

Prerequisites: PSY 150 or SOC 210

Corequisites: None

This course introduces the study of individual behavior within social contexts. Topics include affiliation, attitude formation and change, conformity, altruism, aggression, attribution, interpersonal attraction, and group behavior. Upon completion, students should be able to demonstrate an understanding of the basic principles of social influences on behavior. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/ Behavioral Sciences.*

**PSY 241 Developmental Psych 3 0 3**  
**(College Transfer—GEN ED: Social/Behavioral Science)**

Prerequisites: PSY 150

Corequisites: None

This course is a study of human growth and development. Emphasis is placed on major theories and perspectives as they relate to the physical, cognitive, and psychosocial aspects of development from conception to death. Upon completion, students should be able to demonstrate knowledge of development across the life span. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**PSY 263 Educational Psychology 3 0 3**  
**(College Transfer--Pre-Major/Elective)**

Prerequisites: PSY 150

Corequisites: None

This course examines the application of psychological theories and principles to the educational process and setting. Topics include learning and cognitive theories, achievement motivation, teaching and learning styles, teacher and learner roles, assessment, and developmental issues. Upon completion, students should be able to demonstrate an understanding of the application of psychological theory to educational practice. *This course has been approved for transfer under the CAA and ICAA as a pre-major and/or elective course requirement.*

**PSY 281 Abnormal Psychology 3 0 3**  
**(College Transfer—GEN ED: Social/Behavioral Science)**

Prerequisites: PSY 150

Corequisites: None

This course provides an examination of the various psychological disorders, as well as theoretical, clinical, and experimental perspectives of the study of psychopathology. Emphasis is placed on terminology, classification, etiology, assessment, and treatment of the major disorders. Upon completion, students should be able to distinguish between normal and abnormal behavior patterns as well as demonstrate knowledge of etiology, symptoms, and therapeutic techniques. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**REL – Religion**

**REL 110 World Religions 3 0 3**  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: None

Corequisites: None

This course introduces the world's major religious traditions. Topics include Primal religions, Hinduism, Buddhism, Islam, Judaism, and Christianity. Upon completion, students should be able to identify the origins, history, beliefs, and practices of the religions studied. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**REL 211 Intro to Old Testament 3 0 3**  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: None

Corequisites: None

This course is a survey of the literature of the Hebrews with readings from the law, prophets, and other writings. Emphasis is placed on the use of literary, historical, archeological, and cultural analysis. Upon completion, students should be able to use the tools of critical analysis to read and understand Old Testament literature. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**REL 212 Intro to New Testament 3 0 3**  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: None

Corequisites: None

This course is a survey of the literature of first-century Christianity with reading from the gospels, Acts, and the Pauline and pastoral letters. Topics include the literary structure, audience, and religious perspective of the writings, as well as the historical and cultural context of the early Christian community. Upon completion, students should be able to use the tools of critical analysis to read and understand New Testament literature. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/ Fine Arts.*

**REL 221 Religion in America 3 0 3**  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: None

Corequisites: None

This course is an examination of religious beliefs and practice in the United States. Emphasis is placed on mainstream religious traditions and non-traditional religious movements from the Colonial period to the present. Upon completion, students should be able to recognize and appreciate the diversity of religious traditions in America. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

### **SEC- Information Systems Security**

**SEC 110 Security Concepts 2 2 3**

Prerequisites: None

Corequisites: None

This course introduces the concepts and issues related to securing information systems and the development of policies to implement information security controls. Topics include the historical view of networking and security, security issues, trends, security resources, and the role of policy, people, and processes in information security. Upon completion, students should be able to identify information security risks, create an information security policy, and identify processes to implement and enforce policy.

### **SOC- Sociology**

**SOC 210 Introduction to Sociology 3 0 3**  
**(College Transfer--UGETC: Social/Behavioral Sci.--AA/AS)**

Prerequisites: None

Corequisites: None

This course introduces the scientific study of human society, culture, and social interactions. Topics include socialization, research methods, diversity and inequality, cooperation and conflict, social change, social institutions, and organizations. Upon completion, students should be able to demonstrate knowledge of sociological concepts as they apply to the interplay among individuals, groups, and societies. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**SOC 213 Sociology of the Family 3 0 3**  
**(College Transfer—GEN ED: Social/Behavioral Science)**

Prerequisites: None

Corequisites: None

This course covers the institution of the family and other intimate relationships. Emphasis is placed on mate selection, gender roles, sexuality, communication, power and conflict, parenthood, diverse lifestyles, divorce and remarriage, and economic issues. Upon completion, students should be able to analyze the family as a social institution and the social forces which influence its development and change. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**SOC 215 Group Processes** 3 0 3  
**(College Transfer—Pre-Major/Elective)**

Prerequisites: None

Corequisites: None

This course introduces group processes and dynamics. Emphasis is placed on small group experiences, roles and relationships within groups, communication, cooperation and conflict resolution, and managing diversity within and among groups. Upon completion, students should be able to demonstrate the knowledge and skills essential to analyze group interaction and to work effectively in a group context. This course has been approved for transfer under the CAA and ICAA as a pre-major and/or elective course requirement.

**SOC 220 Social Problems** 3 0 3  
**(College Transfer—GEN ED: Social/Behavioral Science)**

Prerequisites: None

Corequisites: None

This course provides an in-depth study of current social problems. Emphasis is placed on causes, consequences, and possible solutions to problems associate with families, schools, workplaces, communities, and the environment. Upon completion, students should be able to recognize, define, analyze, and propose solutions to these problems. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**SOC 225 Social Diversity** 3 0 3  
**(College Transfer—GEN ED: Social/Behavioral Science)**

Prerequisites: None

Corequisites: None

This course provides a comparison of diverse roles, interest, opportunities, contributions, and experiences in social life. Topics include race, ethnicity, gender, sexual orientation, class, and religion. Upon completion, students should be able to analyze how cultural, and ethnic differences evolve and how they affect personality development, values, and tolerance. *This course has been approved for transfer under the CAA and ICAA as a general education course in Social/Behavioral Sciences.*

**SPA – Spanish**

**SPA 111 Elementary Spanish I** 3 0 3  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: None

Corequisites: None

This course introduces the fundamental elements of the Spanish language within a cultural context. Emphasis is placed on the development of basic listening, speaking, reading, and writing skills. Upon completion, students should be able to comprehend and respond with grammatical accuracy to spoken and written Spanish and demonstrate cultural awareness. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/ Fine Arts.*

**SPA 112 Elementary Spanish II** 3 0 3  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: SPA 111

Corequisites: None

This course is a continuation of SPA 111 focusing on the fundamental elements of the Spanish language within a cultural context. Emphasis is placed on the progressive development of listening, speaking, reading, and writing skills. Upon completion, students should be able to comprehend and respond with increasing proficiency to spoken and written Spanish and demonstrate further cultural awareness. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/Fine Arts.*

**SPA 120 Spanish for the Workplace** 3 0 3

Prerequisites: None

Corequisites: None

This course offers applied Spanish for the workplace to facilitate basic communication with people whose native language is Spanish. Emphasis is placed on oral communication and career-specific vocabulary that targets health, business, and/or public service professions. Upon completion, students should be able to communicate at a functional level with native speakers and demonstrate cultural sensitivity.

**SPA 211 Intermediate Spanish I** 3 0 3  
**(College Transfer—GEN ED: Humanities/Fine Arts)**

Prerequisites: SPA 112

Corequisites: None

This course provides a review and expansion of the essential skills of the Spanish language. Emphasis is placed on the study of authentic and representative literary and cultural texts. Upon completion, students should be able to communicate effectively, accurately, and creatively about the past, present, and future. *This course has been approved for transfer under the CAA and ICAA as a general education course in Humanities/ Fine Arts.*

**TRN—Transportation Technology**

**TRN 110 Intro to Transport Tech** 1 2 2

Prerequisites: None

Corequisites: None

This course covers workplace safety, hazardous materials, environmental regulations, hand tools, service information, basic concepts, vehicle systems, and common transportation industry terminology. Topics include familiarization with major vehicle systems, proper use of various hand and power tools, material safety data sheets, and personal protective equipment. Upon completion, students should be able to demonstrate appropriate safety procedures, identify and use basic shop tools, and describe government regulations regarding transportation repair facilities.

**TRN 120 Basic Transp Electricity 4 3 5**

Prerequisites: None

Corequisites: None

This course covers basic electrical theory, wiring diagrams, test equipment, and diagnosis, repair and replacement of batteries, starters, and alternators. Topics include Ohm's Law, circuit construction, wiring diagrams, circuit testing, and basic troubleshooting. Upon completion, students should be able to properly use wiring diagrams, diagnose, test, and repair basic wiring, battery, starting, charging, and electrical concerns.

**TRN 140 Transp Climate Control 1 2 2**

Prerequisites: None

Corequisites: None

This course covers the theory of refrigeration and heating, electrical/electronic/pneumatic controls, and diagnosis and repair of climate control systems. Topics include diagnosis and repair of climate control components and systems, recovery/recycling of refrigerants, and safety and environmental regulations. Upon completion, students should be able to diagnose and repair vehicle climate control systems.

**TRN 145 Adv Transp Electronics 2 3 3**

Prerequisites: Take TRN-120

Corequisites: None

This course covers advanced transportation electronic systems including programmable logic controllers, on-board data networks, telematics, high voltage systems, navigation, collision avoidance systems and electronic accessories. Topics include interpretation of wiring schematics, reprogramming PLCs, diagnosing and testing data networks and other electronic concerns. Upon completion, students should be able to reprogram PLCs, diagnose and test data networks and other electronic concerns, and work safely with high voltage systems.

### **WBL--Work-Based Learning**

**WBL 111 Work-Based Learning I 0 10 1**

Prerequisites: None

Corequisites: None

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies.

**WBL 112 Work-Based Learning I 0 20 2**

Prerequisites: None

Corequisites: None

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies.

**WBL 113 Work-Based Learning I 0 30 3**

Prerequisites: None

Corequisites: None

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies.

**WBL 121 Work-Based Learning II 0 10 1**

Prerequisites: None

Corequisites: None

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies.

**WBL 131 Work-Based Learning III 0 10 1**

Prerequisites: None

Corequisites: None

This course provides a work-based learning experience with a college-approved employer in an area related to the student's program of study. Emphasis is placed on integrating classroom learning with related work experience. Upon completion, students should be able to evaluate career selection, demonstrate employability skills, and satisfactorily perform work-related competencies.

**WEB–Web Technologies**

**WEB 115 Web Markup and Scripting 2 3 3**

Prerequisites: None

Corequisites: None

This course introduces Worldwide Web Consortium (W3C) Internet programming using JavaScript. Topics include basic syntax, object-oriented programming, functions, variables, events, arrays, validation, accessibility, and web standards. Upon completion, students should be able to write, debug, maintain well-formed and well documented interactive web content using JavaScript code.

**WLD–Welding**

**WLD 110 Cutting Processes 1 3 2**

Prerequisites: None

Corequisites: None

This course introduces oxy-fuel and plasma-arc cutting systems. Topics include safety, proper equipment setup, and operation of oxy-fuel and plasma-arc cutting equipment with emphasis on straight line, curve and bevel cutting. Upon completion, students should be able to oxy-fuel and plasma-arc cut metals of varying thickness.

**WLD 112 Basic Welding Processes 1 3 2**

Prerequisites: None

Corequisites: None

This course introduces basic welding and cutting. Emphasis is placed on beads applied with gases, mild steel fillers, and electrodes and the capillary action of solder. Upon completion, students should be able to set up welding and oxy-fuel equipment and perform welding, brazing, and soldering processes.

**WLD 115 SMAW (Stick) Plate 2 9 5**

Prerequisites: None

Corequisites: None

This course introduces the shielded metal arc (stick) welding process. Emphasis is placed on padding, fillet, and groove welds in various positions with SMAW electrodes. Upon completion, students should be able to perform SMAW fillet and groove welds on carbon plate with prescribed electrodes.

**WLD 116 SMAW (Stick) Plate/Pipe 1 9 4**

Prerequisites: WLD 115

Corequisites: None

This course is designed to enhance skills with the shielded metal arc (stick) welding process. Emphasis is placed on advancing manipulative skills with SMAW electrodes on varying joint geometry. Upon completion, students should be able to perform groove welds on carbon steel with prescribed electrodes in the flat, horizontal, vertical, and overhead positions.

**WLD 121 GMAW (MIG) FCAW/ Plate 2 6 4**

Prerequisites: None

Corequisites: None

This course introduces metal arc welding and flux core arc welding processes. Topics include equipment setup and fillet and groove welds with emphasis on application of GMAW and FCAW electrodes on carbon steel plate. Upon completion, students should be able to perform fillet welds on carbon steel with prescribed electrodes in the flat, horizontal, and overhead positions.

**WLD 122 GMAW (MIG) Plate/ Pipe 1 6 3**

Prerequisites: WLD 121

Corequisites: None

This course is designed to enhance skills with the gas metal arc (MIG) welding process. Emphasis is placed on advancing skills with the GMAW process making groove welds on carbon steel plate and pipe in various positions. Upon completion, students should be able to perform groove welds with prescribed electrodes on various joint geometry.

**WLD 131 GTAW (TIG) Plate 2 6 4**

Prerequisites: None

Corequisites: None

This course introduces the gas tungsten arc (TIG) welding process. Topics include correct selection of tungsten, polarity, gas and proper filler rod with emphasis placed on safety, equipment setup, and

welding techniques. Upon completion, students should be able to perform GTAW fillet and groove welds with various electrodes and filler materials.

**WLD 132 GTAW (TIG) Plate/Pipe 1 6 3**

Prerequisites: WLD 131

Corequisites: None

This course is designed to enhance skills with the gas tungsten arc (TIG) welding process. Topics include setup, joint preparation, and electrode selection with emphasis on manipulative skills in all welding positions on plate and pipe. Upon completion, students should be able to perform GTAW welds with prescribed electrodes and filler materials on various joint geometry.

**WLD 141 Symbols & Specifications 2 2 3**

Prerequisites: None

Corequisites: None

This course introduces the basic symbols and specification used in welding. Emphasis is placed on interpretation of lines, notes, welding symbols, and specifications. Upon completion, students should be able to read and interpret symbols and specifications commonly used in welding.

**WLD 215 SMAW (stick) Pipe 1 9 4**

Prerequisites: WLD 115 or WLD 116

Corequisites: None

This course covers the knowledge and skills that apply to welding pipe. Topics include pipe positions, joint geometry, and preparation with emphasis placed on bead application, profile, and discontinuities. Upon completion, students should be able to perform SMAW welds to applicable codes on carbon steel pipe with prescribed electrodes in various positions.

**WLD 231 GTAW (TIG) Pipe 1 6 3**

Prerequisites: WLD 132

Corequisites: None

This course covers gas tungsten arc welding on pipe. Topics include joint preparation and fit up with emphasis placed on safety, GTAW welding technique, bead application, and joint geometry. Upon completion, students should be able to perform GTAW welds to applicable codes on pipe with prescribed electrodes and filler materials in various pipe positions.

## ADMINISTRATION AND STAFF

### BOARD OF TRUSTEES

#### APPOINTED BY GOVERNOR

#### Expiration of Term

Anita Powers .....	2026
John T. Phillips, Jr. ....	2023
Morgan Swinson .....	2024
Dr. Kimberly Grigsby-Sessoms .....	2025

#### APPOINTED BY COUNTY COMMISSIONERS

Al Searles.....	2022
Dr. A.J. Connors.....	2024
Dr. Shannon Jennings.....	2025
Melissa Blizzard Stevens .....	2025

#### APPOINTED BY DUPLIN COUNTY BOARD OF EDUCATION

Ed Emory .....	2025
Debra Morrisey .....	2023
Niccoya Dobson .....	2022
John Wesley Hairr .....	2024

#### STUDENT GOVERNMENT ASSOCIATION REPRESENTATIVE

President, Student Government Association .....	2024
(Ex-officio, non-voting member)	

#### GENERAL ADMINISTRATION

Jay Carraway .....	President
B.S.—East Carolina University	
M.A.— East Carolina University	
Ed.D.— East Carolina University	

#### INSTITUTIONAL ADMINISTRATION

Renee Sutton.....	Chief of Staff
B.S.—University of North Carolina at Wilmington	
M.A.—Liberty University	

Dustin Walston.....	Vice President of Curriculum/Chief Academic Officer
B.S. — East Carolina University	
M.A.Ed. — East Carolina University	
Ed.D. — East Carolina University	

Jessica McMahan.....	Vice President of Administrative & Fiscal Services
B.S. — East Carolina University	
M.B.A.—East Carolina University	

## FACULTY AND STAFF

Philip Anderson..... Electrical Systems Technology Instructor  
Diploma—James Sprunt Community College

Shamika Andrews..... Practical Nursing Instructor  
A.A.S. – James Sprunt Community College  
B.S.N. – University of Mount Olive  
M.S.N. – University of Mount Olive

Nicole Banks..... Success Coach

Reba Jo Barnes..... Associate Degree Nursing Instructor  
B.S.N. – East Carolina University

Andrew Bass..... Welding Instructor  
A.A.S.—James Sprunt Community College  
Diploma—James Sprunt Community College

Emily Bass.....Senior Administrative Assistant to Vice President of Administrative and Fiscal Services  
A.A.S.—James Sprunt Community College

Karla Blanton..... Counselor (Career Planning)  
A.A. —Coastal Carolina Community College  
B.S. —University of North Carolina at Wilmington  
M.A. —University of North Carolina at Wilmington

Alex Bogdanoff.....Biology Instructor  
B.A—Gannon University  
M.A—Coastal Carolina University  
Doctorate—North Carolina State University

Cherry Boisclair .....Administrative Assistant, Continuing Education/  
Workforce Development and Assistant Registrar  
B.S. —University of the Philippines in the Visayas

Melissa Bostic.....NC Career Coach  
A.A. – James Sprunt Community College  
B.S. – University of North Carolina Wilmington  
M.A. – East Carolina University

Tiffany Braswell.....Director/Instructor of Allied Health  
A.A.S. – James Sprunt Community College  
Diploma – James Sprunt Community College

Tonya Braswell ..... Career & College Readiness Administrative Assistant/Data Specialist  
High School Diploma

Dennis Brown ..... Mathematics Instructor  
B.A.—Wheaton College  
M.S.—Elizabeth City State University  
M.ED. – University of North Carolina at Greensboro

Kelsey Brown ..... Instructional Designer

Yire Bueno ..... Associate Degree Nursing Instructor  
M.S.N. —University of North Carolina at Wilmington

Iris Carter ..... WIOA Career Advisor  
M.A. – Liberty University

Andy Cavanaugh ..... Dean of Arts and Sciences  
B.A.—University of North Carolina at Wilmington  
M.A.—East Carolina University

Tonda Clowney ..... Senior Administrative Assistant to Associate Vice President of Student Services  
A.A.S.—Central Piedmont Community College

Keisha Cooper ..... Assistant Controller  
A.A.S—James Sprunt Community College

Katena Coor ..... IT Manager, Technology Support  
A.A.S.—James Sprunt Community College

Dianne Craft ..... Administrative Assistant-Education Talent Search  
A.G.E—James Sprunt Community College

Amber Dail ..... Advertising & Graphic Design Instructor  
A.A.S.—Lenoir Community College  
B.S. —Mount Olive College

Bobby Davenport ..... Director of Public Safety  
Certificate—James Sprunt Community College

John Derbyshire ..... Developmental Education Instructor/Coordinator  
B.S. — The University of Salford  
M.A.—Manchester University  
M.S.C. — University of Westminster  
M.S.C. — The University of Nottingham

Debbie Edwards ..... Distance Learning Technician  
A.A.S.—James Sprunt Community College

Wanda Edwards ..... Admissions Specialist  
B.S.—Mount Olive College

Kelly English ..... Registrar  
A.A.S.—Coastal Carolina Community College  
B.S.—East Carolina University

Candice Faison ..... Director of TRIO Programs  
B.S.—Fayetteville State University  
M.S. – Central Michigan University

Deanna Futrell..... Pre-College Advisor  
B.S.—East Carolina University

Ronald Garner ..... Director of Fire Safety/EMS  
A.A.S—Pitt Community College  
B.S. – University of North Carolina Charlotte

Cynthia Glaspie ..... Human Resources Generalist  
A.A.S—James Sprunt Community College

Alexandra Goodell.....Biology Instructor  
B.S.—American University  
M.S.—Humboldt State University

Ashley Graham.....School Age Education Instructor  
B.S.—East Carolina University  
M.A.Ed.—East Carolina University

Arbelia Guerra Gaona .. Cosmetology Instructor  
Cosmetology License  
Cosmetology Instructor License

Jena Gutierrez ..... NC Career Coach  
B.A.—University of North Carolina Wilmington  
M.S.—University of the Southwest

Angela Haddad ..... Practical Nursing Instructor  
B.S. – Heidelberg University  
B.S. – East Carolina University

Glenn Hall..... Night Custodian Assistant  
High School Diploma

Jennifer Hardison ..... Business Administration Instructor  
B.S.—University of North Carolina at Chapel Hill  
M.B.A.—East Carolina University

Norma Jean Hatcher ..... Director of Research, Planning & Institutional Effectiveness  
B.S.—Mount Olive College

Joshua Cody Herring ..... EMS Clinical & Fire Coordinator/Instructor  
A.S. —Sampson Community College

Marsha Hicks..... Tutor Coordinator, Student Support Services  
B.S. – Fayetteville State University

Deboria Hill .....Program Counselor, Student Support Services  
B.S. —Shaw University  
B.A. —North Carolina Wesleyan College  
M.A. —Virginia Common Wealth University

Elizabeth Howard .....Dean of Business and Industry  
B.A.—Meredith College  
M.A.Ed. – University of North Carolina at Wilmington

Roger Howard ..... Building/ Maintenance Assistant I  
High School Diploma

Edward Hudson, Jr. ....Administrative Assistant-Vocational/Technical Education  
B.S.—Brigham Young University

Alexandra Huffman..... Foundation Services Coordinator  
A.A.—Coastal Carolina Community College

Lisa Humphrey .....Library Assistant  
A.A.S.—James Sprunt Community College

James Todd Hunter ..... Counselor  
A.A. —Liberty University  
B.S. — Liberty University  
M.A. — Liberty University

Star Jackson..... Director of Customized Training  
 B.S.—North Carolina State University  
 M.E.E.—North Carolina State University

Kelli Jacobs. .... English Instructor  
 B.A.—University of North Carolina at Pembroke  
 M.A.— University of North Carolina at Wilmington

Sharon Jarman ..... Colleague System Administrator  
 B.S.—Johnson C. Smith University

Amanda Jasinski ..... Criminal Justice Instructor  
 M.S.—Pennsylvania Western University

Andrenna Johnson ..... Cosmetology Instructor  
 A.A.S – James Sprunt Community College

Beverly Jones .....Sr. Accounting Assistant  
 Certificate, A.A.S.—James Sprunt Community College

Ken Jones ..... Dean of Workforce Development and Continuing Education  
 B.S., M.P.A.—East Carolina University

Flor Juarez Diaz .....Director of Workforce Development  
 A.A.S.—Lenoir Community College

Colleen Kehoe-Robinson..... Director, Library Services  
 A.A.—Mohawk Valley Community College  
 B.A.— State University of New York at Binghamton  
 M.L.S.—State University of New York at Albany

Tonya Kenan.....Director of Human Resources & Title IX Coordinator  
 B.S.—University of Mount Olive  
 M.S.—Villanova University

Angelina Kennedy .....Early College Liaison  
 B.A.—Meredith College

Taylor Kennedy ..... WIOA Career Advisor  
 A.A.S – James Sprunt Community College

Kerry Knowles .....Human Resources Coordinator  
 B.A.—North Carolina State University

Heather Lanier ..... Director of Distance Learning  
A.A.S.—James Sprunt Community College  
B.S.—Mount Olive College

Kenna Lanier ..... Associate Degree Nursing Instructor  
B.S.N. – University of North Carolina Wilmington  
M.S.N. – University of North Carolina Wilmington

Tonya Layell ..... Assistant Registrar  
A.A.S.—Coastal Carolina Community College  
B.S.—Western Governors University

Norma Lennon .....Executive Assistant/Curriculum Services Associate  
Diploma – James Sprunt Community College  
A.A.S.—James Sprunt Community College

Jennifer Arteaga Leon .....Financial Aid Specialist  
A.A.S.—Wayne Community College

Geovany Lopez ..... Network Administrator  
A.A.S.—James Sprunt Community College

Jeanett Martinez ..... Cosmetology Instructor  
Cosmetologist Teacher License

Shamoni Mason ..... Associate Degree Nursing Instructor  
B.S.N.—North Carolina A & T University  
M.S.N.—Chamberlain College of Nursing

Patsy McCoy..... Instructor/Coordinator-Barber School  
A.A.S.—James Sprunt Community College  
B.S.—Mount Olive College

Juan McFaline ..... Housekeeping Supervisor

Christine McGeorge ..... Practical Nursing Instructor  
A.A.S.—Stark State College  
B.A.—Ohio University

Nathan McKee .....Information Systems/Network Management Instructor  
B.A.S.—University of Mount Olive  
M.S.—Trident University International

Robin McLemore..... Custodian  
High School Equivalency

Charles Medlin .....CDL/Diesel Instructor  
A.A.S.—Wayne Community College

Mary Mical ..... Administrative Assistant, Health Education  
A.A.S.—James Sprunt Community College

Wanda Miller ..... College & Career Readiness Instructor  
B.A.—University of North Carolina at Wilmington

LaTasha Moore..... Controller  
A.A.S.—James Sprunt Community College  
B.S.—North Carolina A & T State University  
M.S.—Central Michigan University

Taylor Morrison..... Senior Outreach Advisor  
B.S.—University of Mount Olive

Sherry Murphy .....Administrative Assistant, West Park/Commercial Kitchen/Small Business Center

Phadra Murray ..... Dean of Health Education  
A.A.S.—James Sprunt Community College  
B.A.—University of North Carolina at Chapel Hill  
B.S.N.—University of North Carolina at Chapel Hill  
M.S.N. – University of North Carolina at Wilmington

Ashley Murrell..... Workforce Development Coordinator  
B.S.—Walden University

Patty Oates..... Continuing Education Registrar  
A.A.—Sampson Community College  
B.S.—Western Carolina University

Kelvin Orellana .....Pre-College Advisor, TRIO Programs  
B.S.—North Carolina State University

Patricia Owens-Sharpe..... Assistant Registrar for Continuing Education/Administrative Assistant  
A.A.S.—James Sprunt Community College  
B.S.—Mount Olive College

Krishna Parker ..... Physical Education Instructor  
 B.A.—University of North Carolina at Chapel Hill  
 M.S.—Georgia Southern University  
 University of North Carolina at Greensboro

Victoria Paul ..... Associate Degree Nursing Instructor  
 B.S.N.—University of Mount Olive

Taylor Pickett ..... Executive Administrative Assistant to the  
 B.S. – Western Governors University President and Board of Trustees

John Preusser ..... History Instructor  
 B.A.—George Mason University  
 M.A.—University of North Carolina at Wilmington

Anthony Ramsey ..... Welding Technology Instructor  
 Diploma in Welding Technology, Associate in General Education  
 A.G.E.—James Sprunt Community College

Blanca Salgado Herrera ..... Cosmetics Arts Instructor  
 High School Diploma  
 Cosmetologist License

Taylor Sandlin ..... Director of Foundation Services  
 B.S. – North Carolina State University  
 M.S. – Golden Gate University

Sally Schmitt ..... Computer Information Technology Instructor  
 A.S. — Thomas Edison State University  
 B.A.— Thomas Edison State University  
 M.A. – East Carolina University

Carolina Simmons ..... Psychology Instructor  
 B.A.—Colorado Technical University  
 M.A.—Capella University

Mary Ann Simmons ..... English Instructor  
 B.A.—University of North Carolina at Wilmington  
 M.A.—University of North Carolina at Wilmington  
 Advanced Graduate Study—East Carolina University

Jacob Simpson ..... Patron Services & Technology Specialist

Stanley Skidmore ..... Diesel & Heavy Equipment Technology Instructor  
Diploma—Nashville Auto Diesel College

Kris'T Sloan ..... Early Childhood Education Instructor  
A.A.S. — James Sprunt Community College  
B.S.—Liberty University  
M.Ed. – Grand Canyon University

Emily Smith ..... College Recruiter  
B.S.-Liberty University  
M.R.E - Liberty University

Morgan Smith ..... College & Career Promise Liaison  
B.S.—University of Mount Olive

Justin Snider ..... Agriculture & Animal Science Instructor  
B.S.—Oklahoma State University

San Solu ..... Art History Instructor  
B.A.-KEAN University  
M.A. – Rutgers, The State University of New Jersey

Eric Southerland ..... BLET Program Coordinator/Instructor  
A.A.S.—James Sprunt Community College

Samantha Stancill ..... Clinical Nursing Coordinator  
B.S.—Austin Peay State University  
M.S.N.—University of North Carolina at Wilmington

Dennis Sutton ..... Comprehensive Facilities Director  
Diploma—James Sprunt Community College  
Mount Olive College  
B.S.—North Carolina State University

April Taylor ..... Administrative Assistant for Student Support Services/Upward Bound  
A.A.S.—James Sprunt Community College

Jeffrey Taylor ..... Associate Vice President of Information Technology  
A.A.S.—Wilkes Community College  
B.S.—Mount Olive College

Erin Thigpen ..... Office Administration Education Instructor  
A.A.S.—James Sprunt Community College  
B.S. — Mount Olive College

Sherri Thigpen .....Director of College & Career Readiness  
 B.S.—North Carolina State University

Jorge Trujillo.....Foreign Language/Other Academic Discipline Instructor  
 Certificate—University of North Carolina at Wilmington  
 B.A.—Universidad Intercontinental/Mexico City  
 M.Ed.—East Carolina University

Meagan Turner ..... Director of Marketing, Recruiting and Public Information Officer  
 B.A.—East Carolina University

Patricia Underwood .....Senior Administrative Assistant to  
 A.A.S.—Sampson Community College Associate Vice President of Continuing Education

Jose Fabien Vega.....Workforce Development Coordinator  
 A.A.S.—Wayne Community College

Stephanie Voris ..... Sociology Instructor  
 B.S. – New Mexico State University  
 M.A.—New Mexico State University

Andre Walker ..... Night Custodian Assistant  
 James Sprunt Community College

Lucretia Whaley ..... Work-Based Learning Coordinator  
 B.S.—University of Mount Olive

Shakeena White .....Associate Vice President of Student Services  
 B.S.—University of Mount Olive  
 M.Ed.—Grand Canyon University  
 Ed.S.—North Central University  
 Ed.D.—American College of Education

Anita Whitman .....Administrative Assistant-Arts and Sciences  
 A.A., A.A.S.—James Sprunt Community College

Gloria Wiggins ..... Associate Vice President of Workforce Development/Continuing Education  
 A.A.—Lenoir Community College  
 B.A.—University of Mount Olive  
 M.A.—Walden University

Lee Williams .....Coordinator, Upward Bound Program  
 B.S.—East Carolina University

Shanteay Williams..... Financial Aid Specialist-Veteran Affairs  
A.A.S.—Wake Tech Community College  
Certification—Wake Tech Community College

Jimmy Williford ..... CDL Instructor/Coordinator  
Certificate - Wayne Community College

William L. Wrenn, IV .....State, County & Institutional Budget Director  
A.A., A.A.S.—James Sprunt Community College  
B.S.B.A.—University of North Carolina at Wilmington

Joy Wynne.....Director of Small Business Center  
B.S.—University of Mount Olive  
M.A.—Liberty University
